*Jabulani the elephant* Elmarie Botes, 2013-03-20 Jabulani gets stuck in the mud and no matter how hard the other elephants try they cannot free him Will Jabulani be saved before he dies of hunger and thirst      **How to Kill an Elephant** Robert Pins, 2018-11-26 Global warming will either grab your interest or see you running in the opposite direction But there is another way It is a truth that is never realized a truth that cannot surface once buried in the media and in politicians singlespeak and a truth that is tantalizingly beyond your reach How to Kill an Elephant exposes this truth for all to see yet this is not a book about global warming it is a book about human nature exposed for all its inadequacies It starts with elephants inexorably being driven to extinction by elephants of our own creation Where does it finish That s for you to decide Fancy a cane toad sandwich washed down with a cup of tea Have you ever seen stalactites playing chess You can expect a deadly serious read with a soup on of levity and straightforward humour because life really is too short not to indulge a little

**Elephant King**, Dave, Redmond, Ian, 1993      **Elephants at Work** J. Lou Barnes, 2005-12-15 Looks at the ways that elephants have been put to use to help humans from service in Hannibal s army and roles in religious ceremonies to carrying loads and performing as entertainers      **Kabini And The Jungle Stories** AK SINGH, 2022-08-02 At the turn of the 19th century in India more than a million wild animals were trounced under the barrel of the gun bringing them almost to the brink of extinction There began one of the most inspirational stories of the crusade from Karapore village at the Kabini river of Mysore in South India An innovative style of protecting nature gives immense importance to the preservation of wilderness changing the lives of the aborigines through an instrument of eco tourism The book charts the key moments in the fight to conserve the natural wealth of India which has been the centre of admiration for maharajas the cynosure of the eyes of all royal princes eminent military officials and those who set on foot to India during the medieval period embarking on a journey of incredible stories of wildlife sports such as hunting and shooting The chronicle gives a fascinating picture of the success story of eco tourism in Karnataka It offers an atmospheric and entertaining account of the lives of Indian princes early lifestyles of viceroys kings czars and sovereign monarchs with joyful hunting expeditions of emperors maharajas and enjoyable sports of diplomats and bloodhound hunters the British civil servants In a most vivid and gripping style the saga records the life of men who lived in the wilderness amidst tribes and aborigines and made them friends which spread the message of the benevolence of human relationships love and a deep affection for nature and natural resources It is a captivating book packed with splendid quotes entertaining anecdotes chronicles of pre independent innovative triumphant trials of Khedda operations in the princely states of Mysore and Hyderabad absorbing tales of the wildlife of India and her natural splendours across the cultural diversity of various tribes ethnicities and their virtues beliefs and ethos      **Elephants** Ronald Isaac Orenstein, 1997 ELEPHANTS features text by some of the world s leading authorities on the African elephant It has more than 100 color pictures and is very much a celebration of this magnificent animal      *Elephants* Martin

Schwabacher,2001 Describes the physical characteristics and behavior of elephants their family groups food habits and threats to their existence

**Elephant** Dan Wylie,2009-01-15 Aristotle characterized the elephant as the beast which passeth all others in wit and mind and the animal has long figured in cultural artifacts even on continents it has never inhabited Now Elephant provides an engaging look at the elephant s long le *Elephant* Ian Redmond,1995-04-01 **The Wild Elephant and the Method of Capturing and Taming it in Ceylon** James Emerson Sir Tennent,2019-12-19 James Emerson Sir Tennent s *The Wild Elephant and the Method of Capturing and Taming it in Ceylon* is a groundbreaking exploration of the wild elephant in Ceylon modern day Sri Lanka blending natural history with ethnographic observation Tennent s meticulous account is characterized by a vivid literary style that captures the majesty and complexity of these magnificent creatures alongside their intricate relationship with local customs and practices Through detailed narratives and precise descriptions he reveals the various methods employed by native populations to capture and train elephants set against the backdrop of Ceylon s lush landscapes and rich biodiversity Tennent a Scottish physician and naturalist spent significant time in Ceylon during the 19th century his experiences profoundly shaping his insights into the fauna and culture of the island His scientific curiosity and deep respect for nature prompted him to document his observations aiming to enlighten Western audiences about the ecological and cultural significance of elephants His work reflects his commitment to blending scientific inquiry with an appreciation for local traditions making his observations invaluable even today This book is a must read for anyone interested in zoology anthropology or the colonial history of Ceylon Tennent s unique perspective not only informs about elephant captivity and management but also invites readers to ponder on ethical considerations concerning wildlife Engaging and richly informative this text serves as a compelling bridge between past and present understandings of human animal relationships *The Elephant Scientist* Caitlin O'Connell,Donna M. Jackson,2011

Describes the work and observations of American scientist Caitlin O Connell during her studies of the African elephant in Etosha National Park in Namibia **War Elephants** John M. Kistler,2007-10-01 Elephants have fought in human armies for more than three thousand years This is the largely forgotten tale of the credit they deserve and the sacrifices they endured

*Elephant Mountain* Debbie Ethell,2025-09-06 *Elephant Mountain* is the gripping tale of Debbie Ethell a young woman whose fascination with an elephant skull in a bone museum leads her down an unexpected path What begins as a curiosity about the tragic love story of Morgan Berry the man who gave us Packy the first baby elephant born in a U S zoo in forty four years and Eloise Berchtold one of the world s greatest animal trainers soon becomes a chilling mystery The couple each killed by separate elephants they raised left behind a legacy tangled in secrets cover ups and unanswered questions As former owners of a secluded elephant farm in the rugged Pacific Northwest Morgan and Eloise s lives and deaths hold the key to a truth long buried beneath layers of deception Determined to uncover what really happened Debbie draws on her experience as a conservation research scientist and the steadfast support of her best friend who is facing a life threatening

illness While navigating the shadows of her own past including her ongoing recovery from alcoholism Debbie finds courage and insight from a herd of wild elephants in Kenya a group she has studied since childhood Their stories of survival and loss mirror her own as she delves deeper into a mystery that will test her resolve and redefine her future Beyond the Secret Elephants Gareth Patterson, 2023-09-05 Gareth Patterson rediscovered the most southerly elephants in the world the highly endangered and secretive Knysna elephants of the southern Cape South Africa It was during this time that he also made the startling discovery of a being even more mysterious than the Knysna elephants a relict hominoid known to the Knysna forest people as the Otang Gareth was at first reluctant to blur the remarkable story of the Knysna elephants with his findings about the otang That is until now The possible existence of relict hominoids is today gaining momentum world wide with ongoing research into the Sasquatch in North America the Yeti in the Himalayas the Yowie in Australia and the Orang Pendek in Sumatra Eminent conservationists and scientists among them Dr Jane Goodall Dr George Schaller Dr Ian Redmond Professor Jeff Meldrum and Professor Gregory Forth have publicly stated that they are open minded about the possible existence of these cryptid beings In the course of his unannounced research into the otang Gareth heard many accounts mostly spontaneous and unprompted of otang sightings by others in the area over a number of years These accounts documented in this book are astonishingly consistent both in the descriptions of the otang and in the shocked reactions of the individuals who saw them Gareth Patterson's work supports the increasing realization that humankind still has much to learn about the natural world and the mysteries it holds The possibility that we may be sharing our world with other as yet unidentified hominoids is today being viewed as something that should not be discounted And as humankind we need to reassess our role and responsibility towards all forms of life that coexist with us on planet Earth Beyond the Secret Elephants continues the story of Patterson's search for and eventual familiarity with the remaining Knysna elephants while also revealing the presence of an even more legendary creature a relict hominoid known to the indigenous people as the otang Dr Jeff Meldrum Professor of Anatomy and Anthropology Idaho State University it is impressive when a renowned field researcher writes a book like Beyond the Secret Elephants following in the erudite footsteps of the late Lyall Watson Ian Redmond OBE The Elephant's Journey José Saramago, 2010-09-08 The Portuguese Nobel Prize winner's delightful posthumous novel recounts the 16th century travels of an Indian elephant from Lisbon to Vienna The New Yorker In 1551 King Jo o III of Portugal gave Archduke Maximilian an unusual wedding present an elephant named Solomon In The Elephant's Journey Jos Saramago imagines Solomon's epic journey by foot across Europe with his Hindu keeper Subhro along for the adventure Accompanied by the Archduke his new wife and the royal guard these unlikely heroes traverse a continent riven by the Reformation and civil wars They are witnessed by scholars historians and wide eyed ordinary people as they make their way through the storied cities of northern Italy brave the Alps cross the Mediterranean Sea and at last make their way toward their grand entry into the imperial city A tale rich in irony and empathy regularly interrupted by witty reflections on

human nature and arch commentary on the powerful who insult human dignity Los Angeles Times **Science Discoveries on the Net** Anthony D. Fredericks, 2000-10-15 Turn kids onto science with these exciting Internet learning adventures The 88 lessons in this book connect young learners to the incredible array of science knowledge and resources on the Internet Each unit includes engaging activities and Internet research projects based on specific science concepts along with discussion questions and lists of relevant Web sites and related literature Grades K 6 Elephants Among Us M. Jaynes, 2013-05-31 Born in the 1970s Stoney the elephant spent his life traveling and performing with his family In 1994 he was injured while working in Las Vegas He died after a nearly year long medical confinement in a storage barn behind a hotel The pages within chronicle his short life and tell the complex story of the people who knew him and those who tried to save him Stoney is the most important elephant you've never heard of Also within is the story of the elephant Big Mary who in 1916 was hanged from a railroad derrick after killing a man in Tennessee Here an effort is made to combine previous scholarship into a new considered retelling with the elephant as the core of its focus Big Mary died at the beginning of the twentieth century Stoney at the end of it Both performing elephants underwent disaster and both can tell us something about ourselves **Animal Rights in South Africa** Michelè Pickover, 2005 The approach is to examine a number of fields animals as food the trade in wildlife trophy hunting and vivisection and by uncovering what is happening beyond the public eye and by examining how the various actors and interest groups including the government and animal protection groups are responding to tease out the issues involved **The Elephant's Leg** Craig Hight, ed., Mario Minichiello, ed., 2021-07-23 This book is a response to the question asked by incoming students of the Creative Industries sector what can I do in the Creative Industries This volume is designed to provide a source of inspiration to readers in imagining their own futures within fields such as musical performance media production drawing and illustration journalism public relations filmmaking design documentary dramatic performance virtual reality and others covered in these chapters Presented here are pathways through the lived experience of the Creative Industries from practitioners and theorists educators and researchers at the University of Newcastle Australia Each chapter offers a partly autobiographical account of the author's journey through their field engaging with their overall philosophy or the key ideas the challenges and opportunities that have inspired them in their research and creative practice Some chapters focus on a singular pivotal moment or project while others draw upon the breadth of an entire career Collectively these accounts bring to life the career possibilities within a rapidly expanding global sector of creativity and innovation with immense cultural social political and economic impact *The Last Elephants*, 2019-04-09 Amazing photographs of elephants accompany narratives from researchers scientists and conservationists celebrating elephants and calling for their preservation African savanna elephants among the most magnificent and beloved of our fellow mammals are an extraordinary social and intelligent species The Last Elephants an homage to these animals and a clarion call for their preservation is based upon a shocking finding savanna elephant populations across Africa are

being decimated with two to three murdered every hour for their ivory Without action these elephants soon will vanish from our world They are a species in imminent danger of extinction and it is up to us to save them Featuring more than 250 full color photos of the breathtaking animals by some of the world s top wildlife photographers The Last Elephants was inspired by the devastating results of the continent wide Great Elephant Census of 2016 undertaken by Elephants without Borders in tandem with the world s most prominent conservation groups The book joins together the voices and vision of scientists lawmakers rangers conservationists and on the ground researchers to speak out against elephant killings to close loopholes in international law that allow the ivory trade to continue and to pay tribute to the thousands who work to protect the animals including African communities who have elected to preserve and protect their elephant neighbors Offering both profiles of preservation plans that work and hope for elephants future this is a must read for everyone concerned for the future of one of Earth s most captivating species
