Eyewitnebes Of His Majesty A Novel About The Great Tribulation Period:

The Rapture Hal Lindsey, 1983-07-01 Before Armageddon before the Second Coming there will be the Rapture As the world's attention turns to a battle beginning in Israel prophecies foretell that living men and women will suddenly vanish as the Bible says into the clouds to meet the Lord in the air What is the impact of this extraordinary promise upon Christians in America Jews in Israel and people everywhere Why has anti-Semitism plagued the Jewish people throughout history and why is it such a critical issue for Christians today *Leaves of Healing*, 1919 **A Revelation of Jesus Christ** J.B. Smith, 2004-05-10 From the Introduction by Merrill C Tenney This commentary is an attempt to make plain the meaning of Revelation With commendable reserve Dr Smith has restricted himself largely to interpretation by other passages of Scripture which are related to Revelation by actual quotation or by striking parallelism His painstaking studies of vocabulary and of related ideas make the book valuable to the earnest student of the Bible Dr Smith is a futurist and a premillenarian holding that all of the Book of Revelation beginning with the fourth chapter relates to the future period of judgment known as the great tribulation which will be followed by the personal return of Christ and by the establishment of His kingdom In this regard he is in a long line of renowned commentators including Seiss Gaebelin Ottman and others The distinguishing feature of this commentary is its use of Biblical statistics and comparisons The uses of important terms in the Revelation are cataloged and their interpretation is derived from their context The appendices contain some extensive studies of individual topics correlating information not easily obtainable elsewhere Dr Smith follows a literal interpretation except where avowed symbolism demands a different procedure He has sought to make his exposition consistent in method and in results His use of Greek is apt and shows a careful investigation of the underlying vocabulary of the Greek text This commentary will probably be the mainstay of premillennial exposition for some years to come **The Watchman-examiner**, 1921 A Revelation of Jesus Christ Jacob Brubaker Smith, 1961 In many respects this commentary is more than simply another book It represents a lifetime of studying and lecturing on the book of Revelation by the late J B Smith For many years he was in demand within his Christian fellowship to speak on this great book One of his cherished hopes was to see the results of his labor sent forth in a commentary for the common man This being his aim studied effort was made to avoid the language of the scholar yet at the same time Smith wanted to employ all the tools of Bible study This commentary is an attempt to make plain the meaning of Revelation With commendable reserve Dr Smith has restricted himself largely to interpretation by other passages of Scripture which are related to Revelation by actual quotation or by striking parallelism His painstaking studies of vocabulary and of related ideas make the book valuable to the earnest student of the Bible Dr Smith is a futurist and a premillenarian holding that all of the Book of Revelation beginning with the fourth chapter relates to the future period Of judgment known as the great tribulation which will be followed by the personal return of Christ and by the establishment of His kingdom The distinguishing feature of this commentary is its use of biblical statistics and comparisons The uses of

important terms in the Revelation are cataloged and their interpretation is derived from their context The appendices contain some extensive studies of individual topics correlating information not easily obtainable elsewhere Dr Smith follows a literal interpretation except where avowed symbolism demands a different procedure He has sought to make his exposition consistent in method and in results His use of Greek is apt and shows a careful investigation of the underlying vocabulary of the Greek text Preface and Introduction **Living Hope for the End of Days** John S. Barnett,2010-08-09 **Lutheran Companion** ,1907 **The national history of England, by E. Farr [and others]**. England,1871 **Christian Victory** ,1969 *The Saturday Review of Politics, Literature, Science and Art* ,1873 *The Monk* M. G. Lewis,2021-02-09 Left at a monastery as a baby Ambrosio grew up to be a cruel and stern monk renowned for his sermons and piety When a nun named Agnes goes to Ambrosio for the sacrament of confession she admits that she is pregnant after having a long love affair with a man named Raymond Though admissions told in confession are meant to be kept in confidence Ambrosio turns Agnes over to the authorities in her convent for punishment Without a trace of guilt or a second thought Ambrosio returns to his normal life after this unaware that he was soon to get himself into a situation that would make him empathize with Agnes Meanwhile Raymond Agnes lover is confronted by her brother who is angry that Raymond played a part in his sister s tarnished reputation In order to earn support and sympathy Raymond tells he and Agnes elaborate love story challenging the society s reaction to their relationship and pregnancy Ambrosio however is unaware of this nor does he think about it after he meets a beautiful woman named Matilda Overcome with lust Ambrosio begins an illicit affair with Matilda breaking his vow of celibacy Though he considers ending things with Matilda Ambrosio finds himself addicted to her company as Matilda helps satiate his every desire As their relationship unfolds however Ambrosio finds himself longing for more and more Committing crimes harming others and relying on supernatural help the once virtuous monk is now running out of time to repent M G Lewis *The Monk A Romance* was one of the best selling novels of its era With romance crime supernatural beings and near death experiences this gothic horror is a gripping and haunting narrative that has remained compelling even to modern audiences Featuring the depiction of taboo topics social commentary and themes of religion and temptation *The Monk A Romance* is as introspective as it is eerie This edition of *The Monk A Romance* by M G Lewis is now presented with a new eye catching cover design and is printed in a stylish font making it both accessible and contemporary *The Saturday Review of Politics, Literature, Science, Art, and Finance* ,1873 **Saturday Review** ,1873 Halliwell's Who's who in the Movies Leslie Halliwell,2001 This is an A Z of people in cinema with biographical profiles of actors and actresses directors producers editors and other key personnel as well as notes on the major studios foreign cinema cinematic themes and definitions of technical terms **Endtime** ,1996 *Eyewitnesses of His Majesty* Touch Publications,1999 **Eyewitness of His Majesty** Ralph W.
