## **Eyewitness A Personal Account Of The Unraveling Of The Soviet Union:**

Eyewitness Vladimir Pozner,1992      **Moscow, December 25, 1991** Conor O'Clery,2011-08-23 The implosion of the Soviet Union was the culmination of a gripping game played out between two men who intensely disliked each other and had different concepts for the future Mikhail Gorbachev a sophisticated and urbane reformer sought to modernize and preserve the USSR Boris Yeltsin a coarse and a hard drinking bulldozer wished to destroy the union and create a capitalist Russia The defeat of the August 1991 coup attempt carried out by hardline communists shook Gorbachev s authority and was a triumph for Yeltsin But it took four months of intrigue and double dealing before the Soviet Union collapsed and the day arrived when Yeltsin could hustle Gorbachev out of the Kremlin and move in as ruler of Russia Conor O Clery has written a unique and truly suspenseful thriller of the day the Soviet Union died The internal power plays the shifting alliances the betrayals the mysterious three colonels carrying the briefcase with the nuclear codes and the jockeying to exploit the future are worthy of John Le Carr or Alan Furst The Cold War s last act was a magnificent dark drama played out in the shadows of the Kremlin

War of the Black Heavens Michael Nelson,1997-12-01 International diplomacy and a changing global economy did not bring about the fall of the Iron Curtain Radio did and it was mightier than the sword Based on first hand interviews and documents from the Central Committee of the Soviet Communist Party Michael Nelson shows that Western radio principally the British Broadcasting Corporation Radio Free Europe Radio Liberty and the Voice of America were unrivaled forces in the fight against communism and the fall of the Iron Curtain The Communists did everything in their power to prevent the infiltration of Western thought into their world resorting to jamming radio signals assassinating staff and bombing stations The Russians for example decided to stop the mass production of short wave radios so that their citizens could not hear Western broadcasts War of the Black Heavens reveals that due to administrative incompetence short wave radio production continued making worthless many of the billions of dollars spent on jamming These radio programs introduced a forbidden exciting culture to millions of eager listeners Pop music talk shows news and information about consumer goods all relayed a message of the good life subtly undermining the values of the communist regimes Western radio actively connected listeners with the cultures of Europe and North America War of the Black Heavens describes an unheralded story of success and adds a new interpretation that helps us understand some of the most momentous political events of this century      Social defence Brian Martin,Jørgen Johansen,2019-07-11 Social defence is nonviolent community resistance to aggression and repression as an alternative to military forces Given the enormous damage caused by military systems social defence is an alternative worth investigating and pursuing Since the 1980s J rgen Johansen and Brian Martin have been involved in promoting social defence In this book they provide an up to date treatment of the issues They address the downsides of military systems historical examples of nonviolent resistance to invasions and coups key ideas about social defence important developments since the end of the Cold War and the role of social movements Social defence challenges deeply embedded assumptions

about violence and defence It is also a challenge to powerful groups with vested interests in systems of organised violence especially militaries and governments Popular action against aggression and repression is a radical alternative and a logical one     Eyewitness Vladimir Pozner,1993-04-25     **War Scare** Peter Pry,1999-09-30 Why do some American intelligence officials maintain fallout shelters and private contingency plans to evacuate their families in the event of a Russian nuclear strike even in today s post Cold War era of U S Russian partnership The frightening answer lies within the pages of War Scare a terrifying assessment of the prospect for nuclear holocaust in our day Written by Peter Vincent Pry a former CIA military analyst War Scare provides a history of our country s little known brushes with nuclear war and warns that contrary to popular opinion and the assurances of our political leaders the possibility of a Russian attack still exists Nuclear deterrence has been the foundation of Western security for the last 50 years but since the end of the Cold War Russian military doctrine has become more destabilizing and much more dangerous than is commonly believed By making use of a wealth of declassified and unclassified material Dr Pry illustrates how Russia s brutal past continues to shape the consciousness and decision making of its leaders many of whom are unreconstructed ideologues from the old Soviet regime Gripped by a perpetual perception of imminent threat a war scare the Russian General Staff which controls the technical capability of launching a nuclear strike has shown itself to be unstable at best The author explores recent history and near disasters such as the Bosnian crisis the Norway missile incident and U S air strikes on Iraq from the perspective of the Russian General Staff believing that only by understanding their viewpoint can we minimize the risk of unintentionally provoking a deadly attack Wary of NATO expansion and reeling from the Russian economy s descent into chaos the General Staff may interpret Western military exercises and operations in the Middle East and elsewhere as concealing surprise aggression against Russia This is a grave situation indeed as even after the START I II and III agreements Russia will retain enough nuclear weapons to destroy the world not to mention significantly expanded chemical and biological warfare capability War Scare convincingly shows that we ignore these facts at our peril     **Justice Ignited** Brian Martin,2007 Attacks can backfire on attackers\_sometimes spectacularly Examples include the beating of Rodney King by Los Angeles police in 1991 the surveillance of Ralph Nader in 1965 and the invasion of Iraq in 2003 Attackers often inhibit adverse reactions by covering up the attack devaluing the target and using other methods Through numerous detailed case studies Justice Ignited reveals the most promising tactics that can make unfair attacks backfire     *Politics, Paradigms, and Intelligence Failures* Ofira Seliktar,2015-05-20 Washington s failure to foresee the collapse of its superpower rival ranks high in the pantheon of predictive failures The question of who got what right or wrong has been intertwined with the deeper issue of who won the Cold War Like the disputes over who lost China and Iran this debate has been fought out along ideological and partisan lines with conservatives claiming credit for the Evil Empire s demise and liberals arguing that the causes were internal to the Soviet Union The intelligence community has come in for harsh criticism for overestimating

Soviet strength and overlooking the symptoms of crisis the discipline of Sovietology has dissolved into acrimonious irrelevance Drawing on declassified documents interviews and careful analysis of contemporaneous literature this book offers the first systematic analysis of this predictive failure at the paradigmatic foreign policy and intelligence levels Although it is focused on the Soviet case it offers lessons that are both timely and necessary The Collapse of Communism in the Soviet Union William E. Watson,1998-05-26 A one stop source of information analysis biographical profiles and key primary documents on the collapse of communism in the Soviet Union Studies the rise and fall of a superpower and its ruling party Following a chronology of events five essays provide a narrative overview and discuss the evolution of Perestroika the Brezhnev Doctrine and the Afghan War nationalism and the end of the Soviet empire and Russia after the collapse of Communism Also contains biographical profiles of 15 leaders the text of 22 documents including writings by key figures a glossary and an annotated bibliography *Russia and Her Neighbors* ,1992 *Protest, Power, and Change* Christopher Kruegler,1997 First Published in 1997 Routledge is an imprint of Taylor Francis an informa company Daily Life in a Crumbling Empire David H. Lempert,1996 Journal of the United Service Institution of India United Service Institution of India,1994 Is Communism Dead Forever? James K. McCollum,1998 This highly polemical work relates anecdotes from the life of a Romanian school teacher in an attempt to demonstrate the worst aspects of life under the dictator Ceaucescu Ironically this case study is a relatively mild indictment of what was certainly a horrific regime Also included is related historical information and open letters from the author urging the Romanian people to throw off the fetters of communist ideology and fully embrace an open system Annotation copyrighted by Book News Inc Portland OR **Quest for Freedom** Richard Krooth,Boris Vladimirovitz,1993 *Soviet Communism from Reform to Collapse* Robert Vincent Daniels,1995 This anthology of documents and essays examines the transformation and ultimate demise of communism in the former Soviet Union during the Gorbachev era The selections address cultural and social ferment political events economic and technological change military diplomacy ideology and resurgence of nationalism and ethnic conflicts **Reinterpreting Russia** Steve D. Boilard,1997-03-27 Attempts to advance the understanding of Russia by listing categorizing and describing some 600 recent books concerning Russia the Soviet Union and the post Soviet Russian Federation All books included were published between 1991 and 1996 inclusive The Gorbachev Bibliography, 1985-1991 Joseph L. Wiczynski,1996 **The New York Times Index** ,1992 *The American Bibliography of Slavic and East European Studies* ,1992 Provides information on East Central Europe and the former Soviet Union

### **Eyewitness A Personal Account Of The Unraveling Of The Soviet Union Introduction**

In today's digital age, the availability of Eyewitness A Personal Account Of The Unraveling Of The Soviet Union books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Eyewitness A Personal Account Of The Unraveling Of The Soviet Union books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Eyewitness A Personal Account Of The Unraveling Of The Soviet Union books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Eyewitness A Personal Account Of The Unraveling Of The Soviet Union versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Eyewitness A Personal Account Of The Unraveling Of The Soviet Union books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Eyewitness A Personal Account Of The Unraveling Of The Soviet Union books and manuals, several platforms offer

an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Eyewitness A Personal Account Of The Unraveling Of The Soviet Union books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Eyewitness A Personal Account Of The Unraveling Of The Soviet Union books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Eyewitness A Personal Account Of The Unraveling Of The Soviet Union books and manuals for download and embark on your journey of knowledge?

### **FAQs About Eyewitness A Personal Account Of The Unraveling Of The Soviet Union Books**

1. Where can I buy Eyewitness A Personal Account Of The Unraveling Of The Soviet Union books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Eyewitness A Personal Account Of The Unraveling Of The Soviet Union book to read? Genres:

Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.

4. How do I take care of Eyewitness A Personal Account Of The Unraveling Of The Soviet Union books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
