Ezra Pound The Solitary Volcano:

Ezra Pound John Tytell, 2004 The best and most balanced critical biography of Ezra Pound Tyrell maintains a striking balance between the rambunctious man and the gifted poet and tells his story not as an act of judgement but as a searching inquiry into the madness of art Leon Edel The Cambridge Companion to Ezra Pound Ira B. Nadel, 1999-02-11 This Companion contains fifteen chapters by leading international scholars who together reflect diverse but complementary approaches to the study of Ezra Pound's poetry and prose They consider the poetics foreign influences economics politics and publication history of Pound's entire corpus and reveal his importance in developing some of the key movements in twentieth century poetry The book also situates Pound's work in the context of Modernism illustrating his influence on contemporaries like T S Eliot and James Joyce Taken together the chapters offer a sustained examination of one of the most versatile influential and certainly controversial poets of the modern period **[sic]** Joshua Cody, 2012-05-10 Joshua Cody was about to receive his PhD from Columbia University when he was diagnosed with an aggressive cancer He underwent six months of chemotherapy The treatment failed Expectations for survival plummeted After consulting with several oncologists he embarked on a risky course of high dose chemotherapy full body radiation and an autologous bone marrow transplant In a fevered mesmerising voice slaloming effortlessly between references to Ezra Pound The Rolling Stones and Beethoven in a memoir that is as fresh and beguiling as it is brave and revealing he charts the struggle the fury the tendency to self destruction the ruthless grasping for life for sensation Literary hallucinatory and at times uncomfortable reading sic is ultimately a celebration of art language music and life *Speaking Ill of the Dead: Jerks in Idaho History* Randy Stapilus, 2015-11-23 *Speaking Ill of the Dead Jerks in Idaho History* features fourteen short profiles of notorious bad guys perpetrators of mischief visionary if misunderstood thinkers and other colorful antiheroes from the history of the Gem State It reveals the dark side of some well known and even revered characters from Idaho's past both part time Jerks and others who were Jerks through and through They include Ezra Pound native Idahoan and celebrated poet who followed the slippery slope of socialism into full on fascism became a sycophant of Hitler and Mussolini and eventually stood trial in the US for treason Lyda Shaw Idaho's most notorious serial killer whose marry and bury modus operandi enabled her to make a literal killing on her late husband's life insurance policies Caleb Lyon the second territorial governor of Idaho who used his social prominence and political connections to make a very comfortable living sometimes shored up with his own embezzled funds dodging any of the actual duties that came with his political appointments and doing precious little else **Hemingway and Pound** John Cohassey, 2014-07-09 Unique individuals of fiery temperament Ernest Hemingway and Ezra Pound made an odd pair on the streets of 1920s Paris If the elder cane carrying Pound appeared the out of date poet Hemingway was the epitome of his generation's Flaming Youth Meeting on the high ground of art these two literary giants formed a friendship that survived until Hemingway's death During their short time together in Paris Pound edited Hemingway's early work Over

decades Hemingway considered Pound a major poet and read *The Cantos* as they appeared in little magazines and published volumes Eventually living in countries half a world apart Hemingway and Pound maintained a lively and sometimes contentious correspondence When Pound was incarcerated in America for his World War II broadcasts over Radio Rome Hemingway played a vital role in freeing his old poet friend the man who edited his early work the good game guy whose wit and brilliance he never forgot This narrative of a friendship lays bare the triumphs and tragedies of two giants of modern literature

Criticism and Literary Theory 1890 to the Present Chris Baldick, 2014-06-11 Presents a coherent and accessible historical account of the major phases of British and American Twentieth century criticism from decadent aestheticism to feminist deconstructionist and post colonial theories Special attention is given to new perspectives on Shakespearean criticism theories of the novel and models of the literary canon The book will help to define and account for the major developments in literary criticism during this century exploring the full diversity of critical work from major critics such as T S Eliot and F R Leavis to minor but fascinating figures and critical schools Unlike most guides to modern literary theory its focus is firmly on developments within the English speaking world

[The Cambridge Companion to American Poets](#) Mark Richardson, 2015-10-15 This Companion brings together essays on some fifty four American poets from Anne Bradstreet to contemporary performance poetry This book also examines such movements in American poetry as modernism the Harlem or New Negro Renaissance confessional poetry the Black Mountain School the New York School the Beats and L A N G U A G E poetry

[The Degenerate Muse](#) Robin G. Schulze, 2013-09-19 The early twentieth century marked a dramatic shift in the American conception of nature This book analyzes the ways in which the scientific recasting of American nature as an antidote for degeneration influenced work of important modernist writers Harriet Monroe Ezra Pound and Marianne Moore

Pound's Epic Ambition Stephen Sicari, 1991-09-27 This book is both an introductory overview of *The Cantos* and a detailed analysis advancing the knowledge of even the most sophisticated specialist Sicari's analysis gives a clear orientation to the often bewildering but ultimately rewarding world of this difficult epic poem and shows that beneath the surface of the poem is the classical figure of the epic wanderer whose journey provides the plot of the poem Non specialists will appreciate Sicari's synthesis of a wide range of material Sicari explores how Dante and the epic tradition informs *The Cantos* those interested in the epic should find Sicari's study an important contribution to the field Those studying modernism in general will see in Sicari's definition of the modern epic useful ways to study the other great achievements of high modernism especially those of Yeats Eliot and Joyce Those interested in the relation between literature and politics will find this book especially informative for Sicari is one of the few critics on Pound who does not ignore Pound's politics or simply castigate him for the unfortunate views he adopts and advocates The analysis of Pound's fascism is a sub theme that sheds new light on how politics enters a great modernist poem and affects its shape and intention

Samuel Roth, Infamous Modernist Jay A. Gertzman, 2013-04-01 Samuel Roth is known to most literary scholars as a bold literary pirate for issuing

unauthorized editions of modernist sensations including *Ulysses* and *Lady Chatterley's Lover*. In the absence of an international copyright agreement and because works deemed obscene could not be copyrighted what he did was not illegal. But it did violate the protocols of mutual fair dealing between publishers and authors. Those publications provoked an unprecedented international protest of writers, publishers and intellectuals who eventually vilified Roth on two continents. Roth was a man with an uncanny ability to recognize good contemporary writing and make it accessible to popular audiences. Ultimately his dedication to the publication of these works broke down many of the censorship laws of the time though he suffered greatly for his efforts. His story portrays a struggle with literary censorship in the mid twentieth century while providing insights into how modernism was marketed in America. **Portable Modernisms** Emily Ridge, 2017-06-23

Luggage is an overlooked detail in the stock sketch of the expatriated modernist writer from the valise fashioned desks of both James Joyce and Vladimir Nabokov to the lost manuscript laden cases of Ernest Hemingway and Walter Benjamin. While the trope of modernist exile has long been spotlighted little attention has been given to the material meaning of this condition. What things and objects do modernism's exiles and emigres carry with them and how does the act of carriage enter into the modernist picture more broadly? What are the implications and historical resonances of a portable outlook particularly from the angles of gender, wartime conflict and character conception? Above all how far does such an outlook impact upon artistic vision? Portability represents the simultaneous transportation and repudiation of domesticity and the home, those key frames of reference in the nineteenth century novel. This book examines the multifarious ways in which the emergence of a modern culture of portability prompts a radical if often problematic departure from Victorian architectural conceptions of fiction towards more movable understandings of form and character. **The Oxford Handbook of Modern and Contemporary American Poetry** Cary Nelson, 2012-02-16

The Oxford Handbook of Modern and Contemporary American Poetry gives readers a cutting edge introduction to the kaleidoscopic world of American poetry over the last century. Offering a comprehensive approach to the debates that have defined the study of American verse, the twenty five original essays contained herein take up a wide array of topics: the influence of jazz on the Beats and beyond; European and surrealist influences on style; poetics of the disenfranchised; religion and the national epic; antiwar and dissent poetry; the AIDS epidemic; digital innovations; transnationalism; hip hop and more. Alongside these topics, major interpretive perspectives such as Marxist, psychoanalytic, disability, queer and ecocritical are incorporated. Throughout the names that have shaped American poetry in the period: Ezra Pound, Wallace Stevens, Marianne Moore, Mina Loy, Sterling Brown, Hart Crane, William Carlos Williams, Posey Langston, Hughes, Allen Ginsberg, John Ashbery, Rae Armantrout, Larry Eigner and others serve as touchstones along the tour of the poetic landscape. **Northrop Frye on Twentieth-century Literature** Northrop Frye, 2010-01-01. This volume brings together Northrop Frye's criticism on twentieth century literature, a body of work produced over almost sixty years. Including Frye's incisive book on T. S. Eliot as well as his discussions of writers such as James Joyce, W. B. Yeats, Wallace

Stevens and George Orwell the volume also contains a recently discovered review of C G Jung s book on the synchronicity principle and a previously unpublished introduction to an anthology of twentieth century literature Frye s insightful commentaries demonstrate that he was as astute a critic of the literature of his own time as he was of the literature of earlier periods Glen Robert Gill s introduction delineates the development of Frye s criticism on twentieth century literature puts it in historical and cultural context and relates it to his overarching theory of literature This definitive volume in the Collected Works will be a welcome addition to the libraries of Frye specialists and of scholars and students of twentieth century literature in general

BOOK JACKET Approaches to Teaching Pound's Poetry and Prose Demetres P. Tryphonopoulos, Ira B. Nadel, 2021-04-05 Offers pedagogical techniques for teaching works by Ezra Pound including his prosody his references to classical and Asian traditions and his role in modernism as well as his fascism anti-Semitism and other problematic beliefs Gives syllabus suggestions for undergraduate and graduate literature courses including many online resources

Fierce Solitude: a Life of J.g. Fletcher (c) , **Penn in Ink** Samuel Hughes, 2006-04-21 Any institution whose actors have included the likes of Ben Franklin Noam Chomsky Ezra Pound Leon Higginbotham Zane Grey Kathleen Hall Jamieson William Carlos Williams Alan Kors Thomas Evans Martin Seligman and Robert Strausz Hup to name just a few has the potential for pretty amazing theater The lives and times of these and other outsized characters are explored in this rich collection of essays which first appeared in The Pennsylvania Gazette the University of Pennsylvanias alumni magazine

Killing Hercules Richard Rowland, 2016-12-08 This book offers an entirely new reception history of the myth of Hercules and his wife killer Deianira The book poses and attempts to answer two important and related questions First why have artists across two millennia felt compelled to revisit this particular myth to express anxieties about violence at both a global and domestic level Secondly from the moment that Sophocles disrupted a myth about the definitive exemplar of masculinity and martial prowess and turned it into a story about domestic abuse through to a 2014 production of Handel s Hercules that was set in the context of the war on terror the reception history of this myth has been one of discontinuity and conflict how and why does each culture reinvent this narrative to address its own concerns and discontents and how does each generation speak to qualify or annihilate the certainties of its predecessors in order to understand contain or exonerate the aggression with which their governors of state and of the household so often enforce their authority and the violence to which their nations and their homes are perennially vulnerable

Yeats Richard J. Finneran, 1989-05-05 Contains the best of recent Yeats criticism

Modernism Lawrence Rainey, 2005-07-15 Modernism An Anthology is the most comprehensive anthology of Anglo American modernism ever to be published Amply represents the giants of modernism James Joyce Gertrude Stein Virginia Woolf T S Eliot Ezra Pound Wallace Stevens Marianne Moore Samuel Beckett Includes a generous selection of Continental texts enabling readers to trace modernism s dialogue with the Futurists the Dadaists the Surrealists and the Frankfurt School Supported by helpful annotations and an extensive bibliography Allows readers to encounter anew the

extraordinary revolution in language that transformed the aesthetics of the modern world **The Most Dangerous Book**
Kevin Birmingham, 2014-06-12 Recipient of the 2015 PEN New England Award for Nonfiction The arrival of a significant
young nonfiction writer A measured yet bravura performance Dwight Garner The New York Times James Joyce's big blue
book Ulysses ushered in the modernist era and changed the novel for all time But the genius of Ulysses was also its danger it
omitted absolutely nothing Joyce along with some of the most important publishers and writers of his era had to fight for
years to win the freedom to publish it The Most Dangerous Book tells the remarkable story surrounding Ulysses from the first
stirrings of Joyce's inspiration in 1904 to the book's landmark federal obscenity trial in 1933 Written for ardent Joyceans as
well as novices who want to get to the heart of the greatest novel of the twentieth century The Most Dangerous Book is a
gripping examination of how the world came to say Yes to Ulysses

Yeah, reviewing a books **Ezra Pound The Solitary Volcano** could amass your near links listings. This is just one of the solutions for you to be successful. As understood, deed does not recommend that you have astounding points.

Comprehending as competently as contract even more than other will have enough money each success. next-door to, the broadcast as with ease as acuteness of this Ezra Pound The Solitary Volcano can be taken as competently as picked to act.
