## **Ezra Pound And The Erotic Medium:**

**Ezra Pound and the Erotic Medium** Kevin Oderman,1986      *Ezra Pound and the Erotic Medium* Kevin Mark Oderman,1980      *Ezra Pound's Cantos* Peter Makin,2006 Publisher description      *Ezra Pound and Europe* Richard A. Taylor,Claus Melchior,2023-10-16 The papers included were selected from those given at the 14th international Ezra Pound Conference held at Brunnenburg Tirolo di Merano 16 18 July 1991 The guiding principle for organizing the volume was thematic coherence and quality of thought as well as presentation The articles are gathered under five headings General Impressions Traditional Affiliations Contemporary Connections Constructing Continuities and Specific Texts The exhibitions accompanying the conference are represented and Pound s involvement with Europe is reflected in studies of his relationship with traditional authors as well as his contemporaries Larger considerations and analysis is offered in Section Four and Cathay Cantos LXXIII and Drafts and Fragments are given individual attention      *Erotic Reckonings* Thomas Simmons,1994 Drawing on classical and feminist psychoanalytic theory Thomas Simmons argues that mentor apprentice relationships are inescapably erotic though not necessarily sexual Pound and Winters manifest profound conflicts between allegiance to a tradition of knowledge and allegiance to apprentices both tend to master the apprentice to bind her to a body of knowledge

*Ezra Pound and His Classical Sources* Jonathan Ullyot,2022-08-25 This book uses Ezra Pound s The Cantos as a lens to understand modernism s ambition to revolutionize literature through mythical and scientific methods Homer s Odyssey plays a unique methodological and structural role in The Cantos The Cantos translates interprets abridges adapts critiques parodies trivializes allegorizes and ritualizes the Odyssey Partly inspired by Joyce s use of different literary styles or technics in Ulysses and partly inspired by medieval classicism and 19th century philology Pound uses a plethora of methods to translate Homer and other classical texts This book argues that The Cantos is a modernist vision of the Matter of Troy a term used by medieval authors to designate the cycle of texts based on the Trojan war and its aftereffects including the nostoi returns of the Greek heroes This is the first study to explore how medieval classicism and translation informs Pound s mythical method and to systematically outline the variety and evolution of Pound s Odyssey translations in The Cantos

**Ezra Pound and America** Jacqueline Kaye,1992-06-10 This is a collection of essays on The Cantos by Poundian scholars of international standing Their wide variety of approaches to Pound contain much new material and raise fundamental issues for a more accurate and richer appreciation of Pound s work This collection brings together many contrasting and stimulating analyses of The Cantos and will be of interest to all who wish to increase their knowledge of Pound s poetry

**Ezra Pound's Eriugena** Mark Byron,2014-06-19 Winner of the Ezra Pound Society Book Prize 2014 Ezra Pound s sustained use of ancient and medieval philosophical sources particularly those within the Neoplatonic tradition is well known Yet the specific influence of the ninth century theologian Johannes Scottus Eriugena on Pound s poetry and prose has received limited scholarly attention Pound developed detailed plans to publish a commentary on Eriugena alongside his

translations of two of the books of Confucianism plans that ultimately went unrealised Drawing on unpublished notes drafts and manuscripts amongst the Ezra Pound papers held at Yale University this book investigates the pivotal role of Eriugena in Pound's thought and perhaps surprisingly in his deployment of non Western philosophical traditions

**The Ezra Pound Encyclopedia** Demetres P. Tryphonopoulos, Stephen J. Adams, 2005-04-30 Ezra Pound forever changed the course of poetry The author of a vast body of literature his enormous range of references and use of multiple languages make him one of the most obscure authors and because of his Fascism anti-Semitism and questionable sanity one of the most controversial This encyclopedia is a concise yet comprehensive guide to his life and writings Included are more than 250 alphabetically arranged entries on such topics as Arabic history Chinese translation dance Hilda Doolittle Egyptian literature Robert Frost and Pound's publications The entries are written by roughly 100 expert contributors and cite works for further reading Ezra Pound forever changed the course of poetry His vast body of poetry and critical works make him one of the 20th century's most prolific writers and his influence has shaped later poets great and small His enormous range of references deliberate obscurity and use of multiple languages make him one of the most difficult authors and because of his Fascism anti-Semitism and questionable sanity one of the most controversial figures in American literary history This encyclopedia is a concise yet comprehensive guide to his life and writings

**Approaches to Teaching Pound's Poetry and Prose** Demetres P. Tryphonopoulos, Ira B. Nadel, 2021-04-05 Offers pedagogical techniques for teaching works by Ezra Pound including his prosody his references to classical and Asian traditions and his role in modernism as well as his fascism anti-Semitism and other problematic beliefs Gives syllabus suggestions for undergraduate and graduate literature courses including many online resources

*A Companion to The Cantos of Ezra Pound* Carroll F. Terrell, 1993-04-16 The Companion is a major contribution to the literary evaluation of Pound's great but often bewildering and abstruse work The Cantos Available in a one volume paperback edition for the first time the Companion brings together in conveniently numbered glosses for each canto the most pertinent details from the vast body of work on the Cantos during the last thirty years The Companion contains 10 421 separate glosses that include translations from eight languages identification of all proper names and works Pound's literary and historical allusions and other exotica with exegeses based upon Pound's sources Also included is a supplementary bibliography of works on Pound newly updated and an alphabetized index to The Cantos

**The Transmutation of Love and Avant-Garde Poetics** Jeanne Heuving, 2016-05-19 The Transmutation of Love and Avant Garde Poetics is a probing examination of how the writing of sexual love undergoes a radical revision by avant garde poets in the twentieth and twenty first centuries Today the exploration of love by poets long a fixture of Western poetic tradition is thought to be in decline with love itself understood to be a mere ideological overlay for the more real entities of physical sex and desire In The Transmutation of Love and Avant Garde Poetics Jeanne Heuving claims that a key achievement of poetry by Ezra Pound H D Robert Duncan Kathleen Fraser Nathaniel Mackey and others lies significantly in their engagement with the

synergistic relations between being in love and writing love These poets she argues have traded the clichéd lover of yore for impersonal or posthuman poetic speakers that sustain the gloire and mystery of love poetry of prior centuries As Robert Duncan writes There is a love in which we are outcast and vagabond from what we are that we call falling in love Heuving claims that this writing of love is defining for avant garde poetics identifying how such important discoveries as Pound's and H D's Imagism Pound's Cantos and Duncan's open field poetics are derived through their changed writing of love She draws attention to how the prevailing concept of language as material is inadequate to the ways these poets also engage language as a medium as a conduit enabling them to address love afresh in a time defined through preoccupations with sexuality They engage love as immanent and change it through a writing that acts on itself The Transmutation of Love and Avant Garde Poetics ascribes the waning of love poetry to its problematic form a genre in which empowered poetic speakers constitute their speech through the objectification of comparatively disempowered subjects or beloveds Refusing this pervasive practice the poets she highlights reject the delimiting one-sided tradition of masculine lovers and passive feminine beloveds instead they create a more nuanced dynamic poetics of ecstatic exploration what Heuving calls projective love and libidinalized field poetics a formally innovative poetry in which one perception leads directly to the next and all aspects of a poem are generative of meaning

*White Vespa* Kevin Oderman, 2012 Does art clarify or obscure love With a photographic eye Kevin Oderman probes family secrets on an exotic island

The Geometry of Modernism Miranda B. Hickman, 2005 Addressing both the literature and the visual arts of Anglo American modernism The Geometry of Modernism recovers a crucial development of modernism's early years that until now has received little sustained critical attention the distinctive idiom composed of geometric forms and metaphors generated within the early modernist movement of Vorticism formed in London in 1914 Focusing on the work of Wyndham Lewis leader of the Vorticist movement as well as Ezra Pound H D and William Butler Yeats Hickman examines the complex of motives out of which Lewis initially forged the geometric lexicon of Vorticism and then how Pound H D and Yeats later responded to it and the values that it encoded enlisting both the geometric vocabulary and its attendant assumptions and ideals in transmuted form in their later modernist work Placing the genesis and appropriation of the geometric idiom in historical context Hickman explores how despite its brevity as a movement Vorticism in fact exerted considerable impact on modernist work of the years between the wars in that its geometric idiom enabled modernist writers to articulate their responses to both personal and political crises of the 1930s and 1940s Informed by extensive archival research as well as treatment of several of the least known texts of the modernist milieu The Geometry of Modernism clarifies and enriches the legacy of this vital period

**Dante & the Unorthodox** James Miller, 2006-01-01 During his lifetime Dante was condemned as corrupt and banned from Florence on pain of death But in 1329 eight years after his death he was again viciously condemned this time as a heretic and false prophet by Friar Guido Vernani From Vernani's inquisitorial viewpoint the author of the Commedia seduced his readers by offering them a vessel of demonic

poison mixed with poetic fantasies designed to destroy the healthful truth of Catholicism Thanks to such pious vituperations a sulphurous fume of unorthodoxy has persistently clung to the mantle of Dante's poetic fame The primary critical purpose of Dante the Unorthodox is to examine the aesthetic impulses behind the theological and political reasons for Dante's allegory of mid life divergence from the papally prescribed way of salvation Marking the septicentennial of his exile the book's eighteen critical essays three excerpts from an allegorical drama and a portfolio of fourteen contemporary artworks address the issue of the poet's conflicted relation to orthodoxy By bringing the unorthodox out of the realm of secret things by uncensoring them at every turn Dante dared to oppose the censorious regime of Latin Christianity with a transgressive zeal more threatening to papal authority than the demonic hostility feared by Friar Vernani **Ezra Pound as Literary Critic** Emeritus Professor K K Ruthven, K. K. Ruthven, 2002-01-08 Bringing some of the insights of modern critical theory to bear on a great deal of information about Pound's activities as a literary critic some of it made available only recently K K Ruthven provides a provocative re-reading of a major modernist writer who dominated the discourse of modernism *A Walking Tour in Southern France* Ezra Pound, 1992 Rummaging through his papers in 1958 Ezra Pound came across a cache of notebooks dating back to the summer of 1912 when as a young man he had walked the troubadour landscape of southern France Pound had been fascinated with the poetry of medieval Provence since his college days His experiments with the complex lyric forms of Arnaut Daniel Bertran de Born and others were included in his earliest books of poems his scholarly pursuits in the field found their way into *The Spirit of Romance* 1910 and the troubadour mystique was to become a resonant motif of the Cantos In the course of transcribing and emending the text of *Walking Tour* 1912 editor Richard Sieburth retraced Pound's footsteps along the roads to the troubadour castles What this peripatetic editing process revealed he writes was a remarkably readable account of a journey in search of the vanished voices of Provence that at the same time chronicled Pound's gradual discovery of himself as a modernist poet *Ezra Pound and the Troubadours* Philip Grover, 2000

**The Celestial Tradition** Demetres P. Tryphonopoulos, 2010-10-30 Despite the painstaking work of Pound scholars the mythos of *The Cantos* has yet to be properly understood primarily because until now its occult sources have not been examined sufficiently Drawing upon archival as well as recently published material this study traces Pound's intimate engagement with specific occultists W B Yeats Allen Upward Alfred Orage and G R S Mead and their ideas The author argues that speculative occultism was a major factor in the evolution of Pound's extraordinary aesthetic and religious sensibility much noticed in Pound criticism The discussion falls into two sections The first section details Pound's interest in particular occult movements It describes the tradition of Hellenistic occultism from Eleusis to the present and establishes that Pound's contact with the occult began at least as early as his undergraduate years and that he came to London already primed on the occult Many of his London acquaintances were unquestionably occultists The second section outlines a tripartite schema for *The Cantos* katabasis dromena epopteia which in turn is applied to the poem It is argued here that *The Cantos* is structured

on the model of a initiation rather than a journey and that the poem does not so much describe an initiation rite as enact one for the reader In exploring and attempting to understand Pounds occultism and its implications to his Pounds oeuvre Tryphonopoulos sheds new light upon one of the great works of modern Western literature **Money and Modernity** Alec Marsh,2011-09-23 Marsh locates Pound and Williams firmly in the Jeffersonian tradition and examines their epic poems as manifestations of a Jeffersonian ideology in modernist terms The modernist poets William Carlos Williams and Ezra Pound were latter day Jeffersonians whose politics and poetry were strongly marked by the populism of the late 19th century They were sharply aware of the social contradictions of modernization and were committed to a highly politicized often polemical poetry that criticized finance capitalism and its institutions notably banks in the strongest terms Providing a history of the aesthetics of Jeffersonianism and its collision with modernism in the works of Pound and Williams Alec Marsh traces the money question from the republican period through the 1940s Marsh can thus read two modernist epics Pound s Cantos and Williams s Paterson as the poets hoped they would be read as attempts to break the hold of false financial values on the American imagination Marsh argues that Pound s and Williams s similar Jeffersonian outlooks were the direct result of the political battles of the 1890s concerning the meaning of money Although Pound s interest in money and economics is well known few people are aware that both poets were active in the Social Credit monetary reform movement of the 1930s and 1940s a movement shown by Marsh to have direct links to Jeffersonianism via American populism Ultimately the two poets took divergent paths with Pound swerving toward Italian fascism as exemplified in his Jefferson and or Mussolini and Williams becoming deeply influenced by the American pragmatism of John Dewey Thus Marsh concludes Pound embraced the fascist version of state capitalism whereas his old friend proclaimed a pragmatic openness to the new selves engendered by corporate capitalism Money and Modernity exemplifies the best of recent literary criticism in its incorporation of American studies and cultural studies approaches to bring new insight to modern masterworks

- Books and Magazines** Some Ezra Pound And The Erotic Medium books or magazines might include. Look for these in online stores or libraries. Remember that while Ezra Pound And The Erotic Medium, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading.
- Library Check** if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Ezra Pound And The Erotic Medium eBooks for free, including popular titles.
- Online Retailers:** Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books.
- Authors Website** Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Ezra Pound And The Erotic Medium full book , it can give you a taste of the authors writing style.
- Subscription Services** Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Ezra Pound And The Erotic Medium eBooks, including some popular titles.

## FAQs About Ezra Pound And The Erotic Medium Books

**What is a Ezra Pound And The Erotic Medium PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Ezra Pound And The Erotic Medium PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Ezra Pound And The Erotic Medium PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Ezra Pound And The Erotic Medium PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobat's export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Ezra Pound And The Erotic Medium PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
