Faberge Fantasies And Treasures:

Fabergé Géza von Habsburg, 1996 Carl Faberge's unparalleled creativity and craftsmanship won him the recognition of the Russian Imperial Court at the turn of the last century. Few objects are as universally loved as his jewel encrusted Easter eggs crafted for the last two czars of Russia, each containing a surprise. Featured in this delightful introduction to the House of Faberge is a selection of his most celebrated works that have found their way into American collections. Easter eggs are just a portion of this master's prodigious production which comprised over 150,000 jewels, silver pieces and objects of art. The latter are fantasies in gold, enamel and hardstone and include elegant picture frames and cigarette cases created for the ruling families of Europe and other wealthy patrons. Intimate glimpses into the world of this ingenious designer are captured through excerpts from letters and quotes from an adoring press. The Dowager Empress Maria Feodorovna exclaimed upon receiving a Faberge egg: "It is an unbelievably beautiful and superbly fine piece of work. Faberge is the greatest genius of our time." The fifty-four choice objects beautifully photographed are from American public and private collections. The book also contains a chronology and a reading list.

Fabergé G. von Habsburg-Lothringen, 1996 This book takes a look at the world of fantasy and opulence which was created by Carl Faberge and also provides a brief history of his career and offers intriguing insights into his life and work.

Fabergé Eggs Will Lowes, Christel Ludewig McCanless, 2001 This work presents detailed technical descriptions of 66 Faberge eggs as well as the stories of people involved in their making or presentation.

Faberge's Eggs Toby Faber, 2008-10-07 In *Stradivari's Genius* Toby Faber charted the fascinating course of some of the world's most prized musical instruments. Now in this enthralling new book he tells the story of objects that are to many the pinnacle of the jeweler's art: the Fabergé imperial eggs. The Easter presents that Russia's last two czars gave to their czarinas have become synonymous with privilege, beauty and an almost provocative uselessness. They are perhaps the most redolent symbols of the old empire's phenomenal craftsmanship, of the decadence of its court and of the upheavals that brought about its inevitable downfall. *Fabergé's Eggs* is the first book to recount the remarkable story of these masterpieces, taking us from the circumstances that inspired each egg's design through their disappearance in the trauma of revolution to their eventual reemergence in the global marketplace. In 1885 Carl Fabergé created a seemingly plain white egg for Czar Alexander III to give to his beloved wife Marie Fedorovna. It was the surprises hidden inside that made it special: a diamond miniature of the Imperial crown and a ruby pendant. This gift began a tradition that would last for more than three decades: lavishly extravagant eggs commemorating public events that in retrospect seem little more than staging posts on the march to revolution. Above all, the eggs illustrate the attitudes that would ultimately lead to the downfall of the Romanovs: their apparent indifference to the poverty that choked their country, their preference for style over substance, and during the reign of Nicholas II, their all-consuming concern with the health of the czarevitch Alexis, the sickly heir to the throne, a preoccupation that would propel them toward Rasputin and the doom of the dynasty. More than a superb new account of a

classic tragedy Fabergé's Eggs illuminates some fascinating aspects of twentieth century history The eggs amazing journey from revolutionary Russia features a cast of characters including embattled Bolsheviks acquisitive British royals eccentric artifact salesmen and such famous business and society figures as Arm and Hammer Marjorie Merriweather Post and Malcolm Forbes Finally Toby Faber tantalizingly suggests that some of the eggs long thought lost may eventually emerge Darting from the palaces of a besieged Russia to the showcases of New York's modern mega wealthy Fabergé's Eggs weaves a story unparalleled in its drama and extravagance Praise for Stradivari's Genius Fascinating lively more enthralling earthy and illuminating than any fiction could be The New York Times Book Review A celebration of six instruments and the master craftsman who made them Faber brings to the subject an infectious fascination with Stradivari's life and trade He writes with clarity and fluency Chicago Tribune An extraordinary accomplishment and a compelling read Like strange totems that cast an irresistible spell these instruments bring out the best and the worst of those who would own them and Faber deftly tells the stories in all their rich and surprising detail Thad Carhart author of The Piano Shop on the Left Bank A worthy contribution to the ongoing legend of Stradivari Minneapolis Star Tribune Fascinating accessible and enjoyable Tracy Chevalier author of Girl with a Pearl Earring **Faberge** Dr. Geza Von Habsburg, A. von Solodkoff, 2000-09 The World of Faberge contains over 750 images accompanies one of the most ambitious exhibitions ever mounted on the jewelers of the Russian Imperial Court Many images are from private collections have never been seen before Art Day by Day: 366 Brushes with History Alex Johnson, 2021-10-26 A daily almanac that presents a selection of art historical events for every day of the year from momentous and headline grabbing to intimate amusing and illuminating Taking a novel approach to the history of art Art Day by Day aims to change the pace at which the story is told Presenting snapshots of the most exciting unusual and noteworthy art events from around the world and throughout history through direct testimonies eyewitness accounts and contemporary chroniclers this volume is a unique look at the past Drawing on articles diaries interviews letters speeches transcripts and more Art Day by Day offers an important event that happened on that day in the history of art Here are the stories of famous paintings ancient sculptures comic strips photographs murals manifestos and marriages from terracotta soldiers to a self shredding Banksy Each day has its own section starting with an extended quote giving artists critics and commentators their voice to speak directly to us followed by a brief explanatory text and ending with other important events in art on that day such as births deaths and exhibition openings Not every entry is momentous but each one is significant Yes there are thefts murders artistic mishaps and eureka moments but there are also episodes such as President Theodore Roosevelt's doodles Michelangelo writing to his nephew about his kidney stones and Monet getting the green light for his water garden Every day has a story to tell An informative overview of culture throughout the ages Art Day by Day is as enlightening as it is entertaining the perfect armchair companion and reference for art lovers everywhere
