**Beyond Ethnicity : Consent and Descent in American Culture** Werner Sollors Professor of American Literature and Afro-American Studies Harvard University,1986-02-27 Nothing is pure in America and indeed the rich ethnic mix that constitutes our society accounts for much of its amazing vitality Werner Sollors's new book takes a wide ranging look at the role of ethnicity in American literature and what that literature has said and continues to say about our

diverse culture Ethnic consciousness he contends is a constituent feature of modernism not modernism's antithesis Discussing works from every period of American history Sollors focuses particularly on the tension between descent and consent between the concern for one's racial ethnic and familial heritage and the conflicting desire to choose one's own destiny even if that choice goes against one's heritage Some of the stories Sollors examines are retellings of the biblical Exodus stories in which Americans of the most diverse origins have painted their own histories as an escape from bondage or a search for a new Canaan Other stories are American made tales of melting pot romance which may either triumph in intermarriage accompanied by new world symphonies or end with the lovers death Still other stories concern voyages of self discovery in which the hero attempts to steer a perilous course between stubborn traditionalism and total assimilation And then there are the generational sagas in which as if by magic the third generation emerges as the fulfillment of their forebears dream Citing examples that range from the writings of Cotton Mather to Liquid Sky a post punk science fiction film directed by a Russian emigre Sollors shows how the creators of American culture have generally been attracted to what is most new and modern About the Author Werner Sollors is Chairman of the Afro American Studies Department at Harvard University and the author of Amiri Baraka The Quest for a Populist Modernism A provocative and original look at ethnicity in American literature DTCovers stories from all periods of our nation's history DTRelates ethnic literature to the principle of literary modernism DTGrave and hilarious tender and merciless The book performs a public service Quentin Anderson

**Minority Groups in Thailand** American University (Washington, D.C.). Cultural Information Analysis Center,1970

*The Native Speaker Concept* Neriko Musha Doerr,2009-12-22 The native speaker is often thought of as an ideal language user with a complete and possibly innate competence in the language which is perceived as being bounded and fixed to a homogeneous speech community and linked to a nation state Despite recent works that challenge its empirical accuracy and theoretical utility the notion of the native speaker is still prevalent today The Native Speaker Concept shifts the analytical focus from the second language acquisition processes and teaching practices to daily interactions situated in wider sociocultural and political contexts marked by increased global movements of people and multilingual situations Using an ethnographic approach the volume critically elucidates the political nature of not claiming the native speaker status in daily life and the ways the ideology of native speaker intersects and articulates supports subverts or complicates various relations of dominance and regimes of standardization The book offers cases from diverse settings including classrooms in Japan a coffee shop in Barcelona secondary schools in South Africa a backyard in Rapa Nui Easter Island restaurant kitchens a high school administrator's office a college classroom in the United States and the Internet It also offers a genealogy of the notion of the native speaker from the time of the Roman Empire Employing linguistic anthropological and educational theories the volume speaks not only to the analyses of language use and language policy planning and teaching but also to the

investigation of wider effects of language ideology on relations of dominance and institutional and discursive practices

*Encyclopedia of American Folklore* Linda S. Watts, 2006 *Encyclopedia of American Folklore* helps readers explore the topics terms themes figures and issues related to the folklore of the United States

**Studies in Chinese Folklore and Related Essays** Wolfram Eberhard, 1970

*Indonesian Chinese Descent In Indonesia's Economy And Political Stability* DR. Ir. Justian Suhandinata, SE, 2013-02-06 For decades Chinese Indonesians have been in numerous harsh spotlights in their own country Starting from supposedly simple things like obtaining official documents to be legal citizens of Indonesia their only homeland now where they can be harassed and cornered which not seldom can extend to the extremes where they are made as victims and scapegoat particularly when issues related to racism arise Similar to other ethnic groups they also live in different economic classes Some are very wealthy some are rich some live in the middle class economy some dwell in their simple lives some are poor and some try to survive their abject poverty In the urban areas they are seen to live a good life some are very rich or even extremely prosperous Most of these people are businessmen ranging from a colossal size to a mere small business However reality also shows that many Chinese Indonesians in the suburb areas live an uncertain day to day life and some are even extremely poor Fishermen in Tangerang North Sumatra Riau Bangka or pedicab drivers unskilled labor angkot a small public minibus drivers domestic maids office boys and blue collar workers in West Kalimantan Sambas and Singkawang and Bangka are factual examples of the grueling lives that they have to carry on striving In spite of all the facts people often forget or even intentionally ignore the facts that many Chinese Indonesians have also made positive contributions to their country in many different aspects such as economy sports culture science or political sectors to name a few These facts also need to be understood and enlightened to fellow countrymen in order to portray a more balanced objective view and non discriminatory judgment which in turn can prevent hatred dislike and other unfavorable prejudice against Indonesian citizens of Chinese descent due to the past inaccurate stereotype and labeling This book tries to present an objective portrait of Chinese Indonesians and their roles within their own beloved country and state with the very same goal of all proud Indonesian countrymen to create a stronger unity and integrity of Indonesia a country that highly values pluralism and the unity in diversity principle through the distinguished Pancasila philosophy
