Fan the Flame Joseph M. Stowell, 1986 Follow God's Will Brittany Ann, 2022-10-04 Esther Press Presents Follow God's Will by Brittany Ann Where is God leading you next In a conversation or your next decision Don't simply guess and hope you're right Let Follow God's Will teach you how to confidently hear God's voice understand His Word and determine His will for yourself With just the right mix of practical advice in depth Bible study and real life examples Follow God's Will provides the biblical framework needed to answer questions including How can I figure out God's will for my life personally How should I understand the Bible's words for today How can I live out my faith on a day to day basis How do I share the gospel without being weird or pushy How should I navigate relationships with non Christians in love **A Layman's Daily Devotional** Curt Donahue, 2017-02-27 A Layman's Daily Devotional was written by a layman for laypeople of all ages It is mostly devoid of theological terms so it is easier for the average person to understand There are applicable illustrations to help people comprehend the message from Scripture and its application to the message of the day There is a devotion for every day of the year and several devotions for specific days in the Christian calendar as well as for days on which we honor both mothers and fathers The reader will likely gain a closer relationship with their Lord and Savior Jesus Christ through daily use and may also develop a closer relationship with family members when used as a family devotion The changing and challenging circumstances in our world today require closer relationships with both God and family A Layman's Daily Devotional lends itself to development of both relationships With few exceptions each devotion is a stand alone devotion This book would make a meaningful gift to a young person venturing out on their own who could develop the habit early of spending time each day with God which is always a good way to start every day A Layman's Daily Devotional is written such that it can be used year after year throughout one's life *The Visible Presence* John M Burris, 2020-03-20 Have you ever wondered why Jesus waited thousands of years of human history before making an appearance in the little town of Bethlehem Why does it seem that the most important person to ever have walked the planet Earth only lived about 30 years and the Bible only describes with any detail only 3 of those years The truth is as the Apostle John reminds us Jesus was in the beginning with God And if He's always been there is all the more reason to trust Him Discover how Jesus has always been the means by which God reveals Himself to His people Learn how many of God's people in the Old Testament had personal encounters with Christ Behold the wonder of a God who makes His presence known to His people His visible presence Jesus Christ *Lessons from Solomon* Glen A. Blanscet, 2018-06-08 Everyone wants to be successful The problem though is that most people misunderstand what constitutes true success The world defines success in terms of our accomplishments the fame and fortune we achieve and the recognitions we receive all of which are fleeting and temporary successes at best True success however is based upon our character the relationship we have with God and the glory God receives from our lives So how do we achieve this level of success Lessons from Solomon answers this question by looking at the life of King Solomon a

man who not only achieved success by the world's standards but also had and lost true success that comes from knowing God. Author Glen A. Blanscet has penned engaging narrative retellings of King Solomon's story from the Bible and from King Solomon's story we learn several success lessons that we can apply in our own search for true success in life. Based on the life of Solomon, Blanscet has distilled from Solomon's story the life lessons that lead us to genuine success from the wisest man who ever lived. I highly recommend this book. Dr. David L. Allen, Southwestern Baptist Theological Seminary. In this book, Glen Blanscet has masterfully extracted from scripture Solomon's successes and failures, providing the reader with vivid lessons on attaining true success. Steve Mullen, PhD, Dallas Baptist University. **Creating a Successful Christian**

Marriage Cleveland McDonald, Philip McDonald, 2008-04-01. This classic text, written by a father and son team, looks at the nuclear family as a social institution and provides guidance for interaction and adjustment during dating, engagement, and early marriage. The authors treat such practical matters as communicating, working through interpersonal differences, and growing in relationships within the family. They also discuss the impact of cultural expectations on family patterns and define ideal family roles developed in Scripture. Other topics covered include parenting, extended family relationships, finances, and nontraditional families. Now available in paperback. **Divine Direction** Dr. Chinyere Almona, 2021-02-16. Do you ever feel a

lack of direction in your life? Are you sometimes troubled by your past? Have you ever felt you were moving in the right direction and later realized that you were wrong? Could God be leading you in directions that you would not usually seek? Do you desire greater intimacy with God? If you answered Yes to any of the above questions, the Lord invites you to experience the power of looking in the right direction. Looking is a simple but crucial act. Just one look can change your life, both positively and negatively. The direction toward which you look is as important as the reasons for looking. Dr. Almona uses her proprietary Five Way Directional Model to show you how to live a happier and more purposeful life as you practice looking in the right direction for the right reasons by the Holy Spirit. **Timeless Truths in Changing Times** David C.

Cooper, 2007. **Living by Thoughts: Creating a Lasting Reality** Lucky Onyeoghani, 2024-06-21. An ant dies leaving nothing to be remembered for despite all its struggles to store up food for the future. It is a tragedy for humans to live like an elephant but die like an ant. Living without conscious thoughts to create a lasting reality leads humans to face the same fate as the ant. All the struggles and labours of a person will someday be forgotten, no matter how wealthy and successful they may be. The wealth will eventually fall into the hands of those who are not as wise as the ant, and all accumulated wealth will be exhausted. A person will be forgotten if there is no record of their thoughts for future generations. Maximizing the wealth of thoughts is a great privilege, allowing one to live like Methuselah, the recorded oldest man on Earth. Unfortunately, neglecting the wealth of thoughts makes one live as a walking corpse. A person without conscious thoughts is like a walking corpse. The difference between managers and their subordinates, as well as the rich and the poor, lies in their thoughts. The rich think differently and achieve success. However, wealth and success without a record of thoughts will one day be forgotten.

What does it profit a person to gain all the wealth and success in the world only to be forgotten Live by recording your thoughts *Revelation* James M. Hamilton Jr.,2012-01-31 In the book of Revelation God unveils the world as it really is identifying an unseen spiritual war and announcing a very real day of judgment We need to be convinced that Jesus is reigning as the risen King We need to have him speak to the situation in our churches We need to see how God will pulverize wickedness obliterate those who oppose him and set up his kingdom Revelation has exactly what we need Useful for personal study as well as for preaching and teaching Hamilton even includes helpful charts and tables to highlight key themes and literary elements the thirty seven sermons in this volume have a clear structure introduction body and conclusion Hamilton successfully grabs the reader s attention raises awareness of a real need and states the main point of the sermon text In addition to explaining the meaning of each passage Hamilton connects the main ideas to applicable analogies and actionable points Revelation is a prophecy of epic proportions and Hamilton invites readers to love God and his people by expositing this revelation of Jesus and to say along with the apostle John Come Lord Jesus Part of the Preaching the Word series

Revelation Gordon Rumble,2010-04-15 The book of Revelation is exciting Yet too many today think it to be boring and hard to understand I think it is just the opposite If you take the book from a literal perspective the unveiling fits and it creates a perfect panorama of man s final days long with the text I have created a practical application for our lives today Revelation is relevant and it permeates the reader with God s last word to mankind His Son Jesus Christ The final invitation alone is worth the time spent to enjoy the book **For the Applause of Heaven** Dr. Mary E. Adams,2016-06-21 The need for affirmation is inherent however some have an insatiable appetite for being validated or applauded by others After spending countless hours and years trying to please impress others she learned thatunfulfilled service and ungrateful people caused disappointment and discouragement She says that there were times and seasons along the journey that were very difficult which left feelings of exhaustion insecurity discouragement disappointment to name a few By allowing Christ to take the drivers seat she began to experience an exhilarating ride of a lifetime She hopes that through reading this book Christian leaders can choose to diligently work for the approval of God and not people In these times so many are in constant search for applause validation from others for their contributions and accomplishments She believes that when Christ is at the center you are free to serve in ministry for His approval instead of people Soul Transformation Donald W Ekstrand,2012-09 The three steps of salvation in a nutshell are these becoming a Christian living the Christian life and going to heaven Theologians refer to these three steps as Justification Sanctification and Glorification The first and third steps are instantaneous experiences but the second step sanctification is a life long process whereby the Holy Spirit works in the believer s life to bring about practical holiness and transform his character into the likeness of Christ It is this second step of salvation with which the believer struggles because it requires putting to death the deeds of the body saying no to our sin nature and obeying the promptings of the Holy Spirit saying yes to God this is the essence of spiritual warfare Sadly most

churches in the West today pretty much ignore the issue of Sanctification and just focus on Justification either out of ignorance about what Scripture teaches or out of fear that living a holy life is essentially legalism But living a life of obedience to Christ in the power of the Holy Spirit has nothing to do with legalism legalists think they gain favor with God by being good but believers obey Christ out of gratitude because they already have favor with God The key to sanctified living is gratitude The Bible emphatically describes God as being both loving and holy yet western Christianity primarily focuses on God's love and says almost nothing at all about His holiness As such the central message of most churches is one of love and forgiveness with scarcely a word being said about holiness and death to sin and self Satan is thrilled with our one dimensional Christianity because it essentially leaves believers lukewarm impotent and ineffectual This book presents God's blueprint for spiritual development and portrays the transformational experiences every believer goes through in life they include ups and downs highs and lows peaks and valleys joy and suffering victory and defeat these experiences are the norm for every believer none of us get a painless trouble free road to glory Incidentally the material presented in this book reflects the teachings of the most respected Christian theologians since the reformation individuals the evangelical community has long recognized as being pillars of the faith To our lamentable regret however these teachings no longer have a prominent place in the vast majority of churches in the West It is time for believers in America today to reconsider the fullness of God's call upon their lives Donald W Ekstrand is a retired pastor adjunct professor and author Dr Ekstrand holds degrees in finance business education theology and divinity and is a graduate of Arizona State University Talbot School of Theology and Western Seminary He has served as pastor teacher ministry consultant and executive administrator for more than 40 years Don and his wife Barbara have two grown daughters and reside in Phoenix Arizona **Virtue**, 1988 *Not a Fan and Gods at War Student Edition Compilation* Kyle Idleman, 2015-10-20 A two book ebook bind up of not a fan student edition and gods at war student edition from bestselling author and pastor Kyle Idleman perfect for readers thirteen and older In not a fan student edition Idleman explores what it means to truly be a follower of Jesus and what can happen in your life when you give your all and your heart instead of just lip service And in gods at war student edition Idleman tackles the things in our lives that distract us from God be they a dating relationship our aspirations our addictions or the latest game on our smartphones and how important it is to worship the God who truly matters *Living in God's Kingdom* Joseph Agbi, 2010-11 LIVING IN GOD'S KINGDOM This book has been written to help people harmonize their lives with God the Creator of the vast Kingdom called heaven and earth The book starts with the creation story and walks you through the Fall of man in the Garden of Eden with Satan lurking around to disrupt the lives of people today as he did to the first man Adam The victory of Jesus over Satan is aptly described The book is directed to believers and other users for purposes of Counseling and in preaching the Word of God Understanding the tactics of Satan and his final end Understanding spiritual warfare and building a prayerful life Helping youths to discover the plan of God earlier in their lives Helping backsliders to rediscover the love of God and connect

back to God Witnessing to agnostics and the unenlightened and re directing them back to God Helping everyone to be accountable to God About the Author Joseph Agbi is a diligent Bible student who through deep commitment has uncovered a lot of treasures in the Word of God Evangelism and reaching the world with the Gospel is his passion Guided by divine wisdom knowledge and understanding WKU he combines his calling as a Bible Teacher with his secular practice as a Professional Engineer in Edmonton Canada He is the founder of Christ Our Wisdom and Power Missions www.christwisdom.org and has written many articles on various subjects of the Bible Mr Agbi has a Masters Degree in Structural Engineering from the University of Alberta and a Masters in Business Administration from University of Benin Nigeria He is married to Esther Agbi and they are blessed with two children Deborah and David
