**Déodat de Séverac** Robert F. Waters, 2017-07-05 Dat de Srac 1872 1921 is best known for his piano music but his compositions included orchestral and vocal works including opera cantata and incidental music Claude Debussy described Srac's music as exquisite and rich with ideas The early works were influenced by Impressionist harmonies church modes cyclic techniques folk like melodies and Andalusian motives Srac's style changed dramatically in 1907 when he left Paris and began to include Catalan elements in his compositions a transition that has hitherto gone unrecognized Robert Waters provides a much needed study of the life and works of Srac focusing on the composer's regionalist philosophy Srac's engagement with folk music was not a patriotic gesture in the vein of nationalistic composers but a way of expressing regional identity within France to counter the restrictive styles sanctioned by the Paris Conservatory His musical philosophy mirrored larger social and political debates regarding anti-centralist positions on education politics art and culture in fin de siècle France Such debates involved political and social leaders whom Srac knew and personally admired including the writer Maurice Barrand the poet Freric Mistral The book will appeal to those specializing in French music European ethnic musics piano music and French music history
