this book is to arouse interest on the reader s part in an extraordinary personality Michael Sadler was a Comparative
Educator of the first order because his pioneering studies of educational systems went beyond what met the eye alone in
national educational organisations He wanted to know the impalpable forces that lay behind educational institutions in order
to be fair to and discriminating in criticising or praising them His countless works reflect this quest This book sheds light on
an important figure in education *A Pound of Paper* John Baxter,2025-09-23 In the rural Australia of the fifties where John
Baxter grew up reading books was disregarded with suspicion owning and collecting them with utter incomprehension
Despite this by the age of eleven Baxter had collected his first book The Poems of Rupert Brooke He d read the volume often
but now he had to own it This was the beginning of what would become a major collection and a lifelong obsession His book
hunting would take him all over the world but his first real find was in London in 1978 when he spotted a rare copy of a
Graham Greene children s book while browsing on a stall in Swiss Cottage It was going for 5 pence This would also
fortuitously be the day when he first encountered one of the legends of the book selling world Martin Stone At various times
pothead international fugitive from justice and professional rock musician he would become John s mentor and friend In this
brilliantly readable and funny book John Baxter brings us into contact with such literary greats as Graham Greene Kingsley
Amis J G Ballard and Ray Bradbury But he also shows us how he penetrated the secret fraternity of runners or book scouts
sleuths who use bluff and guile to hunt down their quarry and joined them in scouring junk shops markets auction rooms and
private homes for rarities In the comic tradition of Clive James s Unreliable Memoirs A Pound of Paper describes how a boy
from the bush came to be living in a Paris penthouse with a library worth millions It also explores the exploding market in
first editions What treasures are lying unnoticed in your garage *English Literature* Harvard University. Library,1971

an infantryman in the British army during the Second World War a book to bring a shiver to the most grizzled veteran The Sunday Times In 1944 having distinguished itself in the North Africa campaign Rifleman Bowlby's battalion of Greenjackets was sent to Italy But instead of being used in the specialized role for which it had been trained most of the battalion's vehicles were taken away on arrival and the riflemen were told that they were to be used as ordinary infantry Stripped of its hard core of regulars the battalion suffered one disastrous defeat after another until its hard won reputation fell in tatters This is a memoir that captures quite extraordinary realism in this worm's eye view the sweating slogging frightened infantryman in conditions of extreme stress and horror The Sunday Times The New Colophon Elmer Adler, John Tracy Winterich, 1949
