Far Out Facts Surprising Facts From The Bible:

Far Out Facts William L. Coleman, 1989 Presents a collection of miscellaneous facts concerning Biblical characters and customs *Far Out Facts about the Bible* William L. Coleman, 1980-01-01 Presents a collection of miscellaneous facts concerning Biblical characters and customs *The One Year Book of Did You Know Devotions for Kids* Nancy S. Hill, 2002 A collection of interesting and sometimes silly facts that relates to a Bible verse , *The New Republic* , 1862 *The Just Friends Syndrome* Johnny L. Williams, 2005-10 Charts a hapless young man's relationships with nine women eight of whom give him the dreaded just friends speech **Made by God, Made for God** Matthew K. Miner, 2021-09-01 Understand the why behind Catholic morality In *Made by God Made for God Catholic Morality Explained* Catholics will find a fresh approach to the timeless moral teachings of the Catholic Church Steeped in Scripture and Catholic tradition this book reveals the beauty of Catholic morality in a relatable and easy to understand way Often Catholic morality is seen as a list of things we can't do But what it actually presents is a way to live that brings us closer to God and makes our joy complete Catholic morality is a roadmap that shows us the way of life God intended for us Life is better when we follow God's plan *Made by God Made for God* presents the beauty of living life according to Church teaching which the Church received from Christ and it doesn't shy away from tough topics Have you ever wondered how to explain the Sunday Mass obligation why exactly we fast or what the logic of Catholic sexual ethics is This is the book for you Read *Made by God Made for God* to discover that Catholic morality is Confusing Boring Complicated For theologians About a relationship with God Encouraging Steeped in Scripture Steeped in Catholic Tradition For everyone This eloquent and luminous book inspired by the best spiritual and intellectual traditions of the Church makes Catholic moral teaching accessible to all in a universal language that preserves the fullness of the truth and communicates it with warmth and humanity It is highly to be recommended Fr Thomas Joseph White O P Rector Magnificus Pontifical Academy of St Thomas Aquinas Rome Italy Matthew Miner is a treasure and this book reflects it filled with his delightful humor his great joy in Christ his penetrating insight into the full range of Christian mysteries his philosophical precision and his inability to write a boring sentence Many books of moral theology read as though they aren't meant for living people but this one is addressed to all who have ears to hear Enchanted by the gift of new life in Christ Miner draws upon the Scriptures and the wisdom of the ages to instruct us in the joyful holiness to which we are all called Matthew Levering James N and Mary D Perry Jr Chair of Theology Mundelein Seminary Illinois This book is a treasure Dr Miner gives us wisdom that is deep tried and true makes it immediately applicable to how we live today He has read synthesized and integrated a tremendous amount of material from the best traditional Catholic sources and has brought it together for us in a way that is accessible to any Catholic who wants to understand Christian morality and live a life in Christ Dr Miner also gives pathways for further exploration into the riches of our Catholic teaching tradition that can be followed by the more astute readers by introducing us to a structure of thinking and a vocabulary that gives us a framework

for understanding the more traditional sources And he does all this with a smile and a sense of humor that will win the heart even as he enlightens the mind of the reader As a spiritual director I highly recommend this book for anyone who is seeking to respond to God s gift of communion and to live a new life in Christ Fr Boniface Hicks O S B Director of Spiritual Formation and Director of the Institute for Ministry Formation Saint Vincent Seminary Latrobe PA Everyone wants to be happy Happiness however is not easy to realize One doesn t become happy accidentally The happy life must be intentionally sought and habitually practiced In this book Dr Matthew Minerd provides his readers with a roadmap to happiness a fresh and compelling explanation of why eternal truth divine grace and supernatural love are essential for human flourishing With the loving earnestness of an evangelist and the clear precision of a philosopher Dr Minerd neither downplays the glories of grace nor shies away from difficult moral questions All who are serious about being truly happy will want to read and to re read this book Fr Cajetan Cuddy O P Pontifical Faculty of the Immaculate Conception Dominican House of Studies Washington D C

Matthew Minerd s *Made by God Made for God* is a gem of a book Here is a thoroughly Catholic work of theology inspired by the Fathers of the Church east and west as well as St Thomas Aquinas and Vatican II and the pontificates following the Council One comes away with a clear sense that the Christian moral life is an invitation to supernatural and mystical life with God one which absorbs and includes the natural truths of reason and human flourishing but which brings them to divine heights sharing in the trinitarian life of God himself I ve definitely found my new textbook for Moral Theology the joy and freedom of the Christian life are on full display Andrew Swafford Associate Professor of Theology Benedictine College Atchison Kansas So many seem to think that the Catholic faith is all about being crushed under a burden of rules and regulations that are impossible to keep This book shatters that misconception It shows that following Jesus as a Catholic Christian is all about a new way of life empowered by the Holy Spirit that makes us each day more life Jesus A refreshing encouraging and enlightening read Marcellino D Ambrosio Author and Speaker Crossroads Initiative Dr Matthew Minerd fills a great need with this outstanding introduction to moral theology Relying on Scripture and the broad Thomist tradition this short volume provides a readable and organized treatment of the central elements that comprise the Christian life Minerd grounds the study in the life of grace itself and then deftly moves through the theological virtues natural law and finally the cardinal virtues Indeed the virtue of this book is the lofty theological and spiritual synthesis that emerges to shine light on our high calling Jon Kirwin Assistant Professor of Theology and Director of Graduate Theology
