Clubland J. C. Jones, 2025-01-03 Jimmy Harris, a seasoned veteran in the nightclub industry, unexpectedly finds himself at the helm of his own club. After years of working behind the scenes, he takes ownership out of necessity, driven by the needs of his young family and mounting bills. Striving to strike a balance between his personal and professional life, Jimmy watches as his nightclub begins to gain popularity, and with it, an increasing demand on his time and energy. As the club's success grows, so too does its hold over Jimmy's life. We follow his journey as the pressures and challenges of managing the club start to overshadow his personal relationships and well-being. With the stakes getting higher, Jimmy is faced with a critical decision: Something has to give, and he must confront the daunting task of reconciling the demands of his thriving business with the needs of his family.

The Hiking Book From Hell Are Kalvø, 2022-05-31 For fans of Bill Bryson and David Sedaris comes an anti-nature memoir that will resonate with anyone who would rather stay inside with a book than venture into the mountains. From one of Scandinavia's biggest comedians, a smart, funny, and honest exposé of the cult of the outdoors, from the sublime to the ridiculous. Foreword, Reviews. Sometime around his forties, Are Kalvø starts losing his friends to the mountains. Friends who used to meet him at the pub are now hiking and skiing every weekend, and when they do show up, all they talk about is feeling at one with nature without a hint of irony. When Are realizes he's the only person who hasn't posted a selfie on a mountain, he starts to wonder: does he have it all wrong? To find out, Are buys some ridiculously expensive gear and heads into the woods. The result of his sardonic trek is at once a smart and funny take-down of outdoor culture and a reluctant surrender to nature's undeniable pull. An adventure, a comedy, and a tragedy. *The Hiking Book from Hell* is destined to become a nature-writing and nature-hating classic.

The Complete Works of W.R. Bion W. R. Bion, 2019-01-15 The Complete Works of W. R. Bion is now available in a coherent and corrected format. Comprising sixteen volumes bound in green cloth, this edition has been brought together and edited by Chris Mawson with the assistance of Francesca Bion. Incorporating many corrections to previously published works, it also features previously unpublished papers. Including a general index and editorial introductions to all the works, these volumes will be a useful and valuable aid to psychoanalytic scholars and clinicians, and all those interested in studying and making use of Bion's thinking. Bion's writings, including the previously unpublished papers and additions to his *Cogitations* collected together in the Complete Works, show that the clinical thrust of Bion's work has clear lines of continuity with that of Melanie Klein; just as her work has an essential continuity with the later work of Freud. In Bion's clinical work and supervision, the goal remains insightful understanding of psychic reality through a disciplined experiencing of the transference and countertransference, the setting and the method.
