

Three Science Fiction Novellas

*From
Prehistory
to the End
of Mankind*

The illustration depicts a scene from a science fiction novella. In the foreground, a dark, rocky outcrop is visible. On it, two large, white, winged creatures, resembling angels or advanced beings, are shown. One is on the left, looking towards the right, and the other is on the right, looking towards the left. Between them, a man in a yellow and brown suit is walking. Behind him, another figure is partially visible. In the background, a large, green, lattice-like structure, possibly a space station or a large machine, is visible against a pink and purple sky. The overall style is that of a classic science fiction book cover.
