Farewell Israel:

Farewell, Israel! Éfraim Sevela, 1977 **The Last Exodus** Leonard Schroeter, 1979 The Last Exodus is recognized as the finest study yet written of the Jewish dissident movement in the Soviet Union The author explains how and why a Soviet Jewish underground came into existence who has led it what techniques it has used and how it has grown and spread in a country where only a few years ago such defiance would have been viewed as impossible *New York Magazine*, 1987-01-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Restoration of Israel* Michael E. Fuller, 2012-02-14 This study identifies and explores texts of restoration in a wide selection of Early Jewish Literature in order to assess the variety of ways in which Jews envisioned Israel s future restoration Particular attention is given to the expression of restoration in what is identified in the present study as the exilic model of restoration In this model Israel s restoration is characterized by the features of a a future re gathering b the fate of the nations and c the establishment of a new Temple The present work focuses primarily on the first two features Through this framework Jews in the Greco Roman period could draw on Israel s history and legacy but re appropriate exile and return in new and creative ways Finally the writing of Luke Acts is investigated for its ideas of restoration and its indebtedness to Early Jewish traditions

Farewell Israel: Bush, Iran And The Revolt Of Islam, 2015 Islam s historic trials with Jews and its relationship with conquered non believers help illustrate the Islamic world view through the eyes of Muslims At the direction of Iran Islamists are preparing for a fateful coming war for Islam Israel is the number one target in the path of Islamic revival Meanwhile President George Bush s tragic misunderstanding of 9 11 as a War Against Freedom allowed the United States to play into the hands of Al Qaeda Western and Israeli misunderstanding of Islam is leading to a coming war which will have devastating consequences for the West and worst of all for Israel Farewell Israel **A History of Israel** Howard M. Sachar, 2013-07-31 First published in 1976 Howard M Sachar s A History of Israel From the Rise of Zionism to Our Time was regarded one of the most valuable works available detailing the history of this still relatively young country Decades later readers can again be immersed in this monumental work The second edition of this volume covers topics such as the first of the Aliyahs in the 1880s the rise of Jewish nationalism the beginning of the political Zionist movement and later how the movement changed after Theodor Herzl the Balfour Declaration the factors that led to the Arab Jewish confrontation Palestine and its role both during the Second World War and after the war of independence and the many wars that followed it over the next few decades and the development of the Israeli republic and the many challenges it faced both domestic and foreign and still faces today This is a truly enriching and exhaustive history of a nation that holds claim to one of the most complicated and

controversial histories in the world Understanding Children's Spirituality Kevin E. Lawson,2012-03-22 How important is childhood in the spiritual formation of a person How do children experience God in the context of their lives as they grow What does God do in the lives of children to draw them to himself and help them grow into a vital relationship with him How can adults who care about children better support their spiritual growth and direct it toward relationship with God through Jesus Christ These are critical questions that church leaders face as they consider how best to nurture the faith of the children God brings into our lives In this book over two dozen Christian scholars and ministry leaders explore important issues about the spiritual life of children and ways parents church leaders and others who care about children can promote their spiritual formation **Israel: Israeli society and politics since 1948 : problems of collective identity** Efraim Karsh,2002 **Israel's Foreign Policy Towards the PLO** Amnon Aran,2009-09-22 Examining Israeli foreign policy towards the Palestinian Liberation Organization PLO between the 1967 war and the 2005 withdrawal from the Gaza Strip this work focuses on the impact and process of globalisation on the Israeli state s politics economy society and culture *An Old Testament Theology* Bruce K. Waltke,2011-04-19 The Old Testament is more than a religious history of the nation of Israel It is more than a portrait gallery of heroes of the faith It is even more than a theological and prophetic backdrop to the New Testament Beyond these the Old Testament is inspired revelation of the very nature character and works of God As renowned Old Testament scholar Bruce Waltke writes in the preface of this book the Old Testament s every sentence is fraught with theology worthy of reflection This book is the result of decades of reflection informed by an extensive knowledge of the Hebrew language the best of critical scholarship a deep understanding of both the content and spirit of the Old Testament and a thoroughly evangelical conviction Taking a narrative chronological approach to the text Waltke employs rhetorical criticism to illuminate the theologies of the biblical narrators Through careful study he shows that the unifying theme of the Old Testament is the breaking in of the kingdom of God This theme helps the reader better understand not only the Old Testament but also the New Testament the continuity of the entire Bible and ultimately God himself *Between Walls*: Angel Antonio Villarreal Marrero,2024-08-09 Between Walls Stories Behind Closed Doors is a complex and poignant work of literary fiction that weaves together the intertwined lives of various Latin American immigrants residing in a Bronx apartment building Set primarily in New York City from the 1960s to the 1980s the novel explores themes of identity resilience spirituality love and the immigrant experience These themes are explored and transform the characters and their lives inviting readers to reflect on their experiences and beliefs **Joshua, Judges** Paul Wright,1998 The most concise and accurate way to grasp the essentials of the book of Joshua Judges in the bible **New York Magazine** ,1987-01-12 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the
