## **Farewell To Arms 1932:**

A Farewell to Arms Ernest Hemingway, 1929      **TEN MOVIES AT A TIME** John DiLeo, 2017-11-01 John DiLeo is the author of five other books about classic movies *And You Thought You Knew Classic Movies* *100 Great Film Performances You Should Remember But Probably Don't* *Screen Savers* *40 Remarkable Movies Awaiting Rediscovery* *Tennessee Williams and Company* *His Essential Screen Actors and Screen Savers II* *My Grab Bag of Classic Movies* His website is johndileo.com and his Twitter handle is JOHNDiLEO      Historical Dictionary of Vaudeville James Fisher, 2023-06-15 Vaudeville as it is commonly known today began as a response to scandalous variety performances appealing mostly to adult male patrons When former minstrel performer and balladeer Tony Pastor opened the Fourteenth Street Theatre in New York in 1881 he was guided by a mission to provide family friendly variety shows in hopes of drawing in that portion of the audience women and children otherwise inherently excluded from variety bills prior to 1881 There he perfected a framework for family oriented amusements of the highest obtainable quality and style *Historical Dictionary of Vaudeville* contains a chronology an introduction an extensive bibliography and the dictionary section has more than 1 000 cross referenced entries on performing artists managers and agents theatre facilities and the terminology central to the history of vaudeville This book is an excellent resource for students researchers and anyone wanting to know more about vaudeville      **HOLLYWOOD CLASSICS INDEX: Books 1-16, A - L** John Howard Reid,      *Reeling with Laughter* Michael Tueth, 2012-05-03 In this book Tueth looks at some of the most enduring comic movies of all time Beginning with the anarchic romp *Duck Soup* 1933 each chapter explores a specific sub genre by examining a representative film Tueth delves into the background of each film s production and discusses their audience reception and critical appraisal      Film Stardom and the Ancient Past Michael Williams, 2018-01-13 This book offers the first comprehensive exploration of how the ancient past has shaped screen stardom in Hollywood since the silent era It engages with debates on historical reception gender and sexuality nostalgia authenticity and the uses of the past Michael Williams gives fresh insights into divinized stardom a highly influential and yet understudied phenomenon that predates Hollywood and continues into the digital age Case studies include Greta Garbo and Mata Hari 1931 Buster Crabbe and the 1930s Olympian body the marketing of Rita Hayworth as Venus in the 1940s sculpture and star performance in Oliver Stone s *Alexander* 2004 landscape and sexuality in *Troy* 2004 digital afterimages of stars such as Marilyn Monroe and the classical body in the contemporary ancient epic genre The author s richly layered archaeological approach uses detailed textual analysis and archival research to survey the use of the myth and iconography of ancient Greece and Rome in some of stardom s most popular and fascinating incarnations This interdisciplinary study will be significant for anyone interested in star studies film and cultural history and classical reception      The Classical Hollywood Cinema David Bordwell, Janet Staiger, Kristin Thompson, 2003-09-02 Acclaimed for its breakthrough approach and its combination of theoretical analysis and empirical evidence this is the standard work on the classical Hollywood cinema style

of film making from the silent era to the 1960s      For No Reason at All Jeffrey A. Hinkelman, 2022-02-04 The years following the signing of the Armistice saw a transformation of traditional attitudes regarding military conflict as America attempted to digest the enormity and futility of the First World War During these years popular film culture in the United States created new ways of addressing the impact of the war on both individuals and society Filmmakers with direct experience of combat created works that promoted their own ideas about the depiction of wartime service ideas that frequently conflicted with established heroic tropes for the portrayal of warfare on film Those filmmakers spent years modifying existing standards and working through a variety of storytelling options before achieving a consensus regarding the fitting method for rendering war on screen That consensus incorporated facets of the experience of Great War veterans and these countered and undermined previously accepted narrative strategies This process reached its peak during the Pre Code Era of the early 1930s when the initially prevailing narrative would be briefly supplanted by an entirely new approach that questioned the very premises of wartime service Even more significantly the rhetoric of these films argued strongly for an antiwar stance that questioned every aspect of the wartime experience For No Reason at All The Changing Narrative of the First World War in American Film discusses a variety of Great War themed films made from 1915 to the present tracing the changing approaches to the conflict over time Individual chapters focus on movie antecedents animated films and comedies the influence of literary precursors the African American film industry women centered films and the effect of the Second World War on depictions of the First Films discussed include Hearts of the World The Cradle of Courage Birthright The Big Parade She Goes to War Doughboys Young Eagles The Last Flight Broken Lullaby Lafayette Escadrille and Wonder Woman among many others      *Hollywood Classics Index, Books 1-16: A-Z* John Reid, 2006-05-14 This cumulative index to all the films detailed and reviewed in the Hollywood Classics series to date features both original release and alternative titles together with the year of production This book is lavishly illustrated with black and white reproductions of original movie posters many from the author's private collection      Guide to the Silent Years of American Cinema Christophe P. Jacobs, Donald McCaffrey, 1999-09-30 The latest offering from the Reference Guides to the World's Cinema series this critical survey of key films actors directors and screenwriters during the silent era of the American cinema offers a broad ranging portrait of the motion picture production of silent film Detailed but concise alphabetical entries include over 100 film titles and 150 personnel An introductory chapter explores the early growth of the new silent medium while the final chapter of this encyclopedic study examines the sophistication of the silent cinema These two chapters outline film history from its beginnings until the perfection of synchronized sound and reflect upon the themes and techniques established with the silent cinema that continued into the sound era through modern times The annotated entries alphabetically arranged by film title or personnel include brief bibliographies and filmographies An appendix lists secondary but important movies and their creators Film and popular culture scholars will appreciate the vast amount of information that has been culled from various sources

and that builds upon the increased studies and research of the past ten years      **We'll Always Have the Movies** Robert L. McLaughlin, Sally E. Parry, 2006-03-03 An essential study of what Americans watched during wartime and how films shaped their understanding of events Publishers Weekly During the highly charged years of World War II movies perhaps best communicated to Americans who they were and why they were fighting These films were more than just an explanation of historical events they asked audiences to consider the Nazi threat they put a face on both our enemies and allies and they explored changing wartime gender roles We'll Always Have the Movies shows how film after film repeated the narratives character types and rhetoric that made the war and each American's role in it comprehensible Robert L. McLaughlin and Sally E. Parry have watched more than six hundred films made between 1937 and 1946 including many never before discussed in this context and have analyzed the cultural and historical importance of these films in explaining the war to moviegoers This extensive study shows how filmmakers made the chaotic elements of wartime familiar while actual events became film history and film history became myth A terrific book that explores not only the themes of hundreds of films but also their impact on patriotism and national will in a time of war WWII History      **Special Effects Artists** Rolf

Giesen, 2014-04-24 Throughout the course of film history artists have used matte painting stop motion animation model photography process cinematography in camera effects travelling mattes optical printing and physical and floor effects to entertain audiences These are the special effects artists in this book The biographical entries provide career synopses and movie credits spanning the early years of cinematography through the end of the mechanical age of filmmaking marked by Steven Spielberg's Jurassic Park and its combination of conventional effects and computer generated images An extensive filmography numerous stills a glossary a bibliography and index are presented      **The History of American Literature on Film** Thomas Leitch, 2019-06-13 From William Dickson's Rip Van Winkle films 1896 to Baz Luhrmann's big budget production of The Great Gatsby 2013 and beyond cinematic adaptations of American literature participate in a rich and fascinating history Unlike previous studies of American literature and film which emphasize particular authors like Edith Wharton and Nathaniel Hawthorne particular texts like Moby Dick particular literary periods like the American Renaissance or particular genres like the novel this volume considers the multiple functions of filmed American literature as a cinematic genre in its own right one that reflects the specific political and aesthetic priorities of different national and historical cinemas even as it plays a decisive role in defining American literature for a global audience      *"A" Western Filmmakers* Henryk

Hoffmann, 2024-10-16 From High Noon to Unforgiven the A Western represents the pinnacle of Western filmmaking More intellectual ambitious and time consuming than the readily produced B or serial Westerns these films rely on hundreds of talented artists This comprehensive reference work provides biographies and Western filmographies for nearly 1 000 men and women who have contributed to at least three A Westerns These contributors are arranged by their role in film production Cinematographers composers actors actresses and directors receive complete biographical treatment writers

whose work was used in at least two Westerns are also featured An appendix lists well known actors who have appeared in either one or two A Westerns as specified

**Hollywood's High Noon** Thomas Cripps,1996-11-13 A lively narrative history of Hollywood's classical age Over the last twenty five years the field of cinema studies has offered a dramatic reassessment of the history of film in general and of Hollywood in particular Writers have drawn on the methodologies of a number of disciplines literary criticism sociology psychology women's studies and minority and gay studies to deepen our understanding of motion pictures the film industry and movie theater audiences In Hollywood's High Noon noted film historian Thomas Cripps offers a lively narrative history of Hollywood's classical age that brings the insights of recent scholarship to students and general readers From its origin during the First World War to the beginning of its decline in the 1950s Cripps writes Hollywood operated as did other American industries movies were created by a rational production system regulated by both government and privately organized interests and subject to the whims of a fickle marketplace Yet these films did offer consumers something unique in darkened movie palaces across the country audiences projected themselves their hopes and ideas onto silver screens profoundly mediating their reception of Hollywood's flickering images Beginning with turn of the century moving picture pioneer Thomas Edison Cripps traces the invention of Hollywood and the development of the studio system He explores the movie going experience the struggle for social control over the movies through censorship the impact of sound on the style and content of films alternatives to Hollywood's oligopoly including race films and documentaries the paradoxical predictability and subversive creativity of genre pictures and Hollywood's self proclaimed shining moment during the Second World War Cripps concludes with a discussion of the collapse of the studio system after the war due in equal parts to suburbanization the emergence of television and government anti trust action

[New Critical Approaches to the Short Stories of Ernest Hemingway](#) Jackson J. Benson,2013-07-12 With an Overview by Paul Smith and a Checklist to Hemingway Criticism 1975 1990 New Critical Approaches to the Short Stories of Ernest Hemingway is an all new sequel to Benson's highly acclaimed 1975 book which provided the first comprehensive anthology of criticism of Ernest Hemingway's masterful short stories Since that time the availability of Hemingway's papers coupled with new critical and theoretical approaches has enlivened and enlarged the field of American literary studies This companion volume reflects current scholarship and draws together essays that were either published during the past decade or written for this collection The contributors interpret a variety of individual stories from a number of different critical points of view from a Lacanian reading of Hemingway's After the Storm to a semiotic analysis of A Very Short Story to an historical biographical analysis of Old Man at the Bridge In identifying the short story as one of Hemingway's principal thematic and technical tools this volume reaffirms a focus on the short story as Hemingway's best work An overview essay covers Hemingway criticism published since the last volume and the bibliographical checklist to Hemingway short fiction criticism which covers 1975 to

Edwards,2016-04-11 One of the central events of modern history World War I has been poorly presented in English language films Torn between the powerful isolationist movement in the U S and a growing hatred of the Hun contemporary films were mainly propaganda calling citizens to arms The American film industry used the outbreak of the war and the government s interest in promoting patriotic sacrifice as a means to expand and take the lead in the film industry worldwide More a business model than an art form these early efforts claimed a place of respectability for film among the arts Twenty years later though films produced about the war were few they were technically superior and generally carried conflicting messages about the war s mission and value while focusing more on storyline than history This study of English Language World War I films examines nearly 350 films from 1914 to 2014 Descriptions and critiques of each of the films are included with stories and details about the actors and directors      **American Writers and World War I** David A. Rennie,2020-07-31 Looking at texts written throughout the careers of Edith Wharton Ellen La Motte Mary Borden Thomas Boyd F Scott Fitzgerald Laurence Stallings and Ernest Hemingway American Writers and World War I argues that authors war writing continuously evolved in response to developments in their professional and personal lives Recent research has focused on constituencies of identity such as gender race and politics registered in American Great War writing Rather than being dominated by their perceived membership of such socio political categories this study argues that writers reacted to and represented the war in complex ways which were frequently linked to the exigencies of maintaining a career as a professional author War writing was implicated in and influenced by wider cultural forces such as governmental censorship

the publishing business advertising and the Hollywood film industry American Writers and World War I argues that even authors hallmark anti war works are in fact characterized by an awareness of the war s nuanced effects on society and individuals By tracking authors war writing throughout their entire careers in well known texts autobiography correspondence and neglected works this study contends that writers reactions were multifaceted and subject to change in response to their developments as writers and individuals This work also uncovers the hitherto unexplored importance of American cultural and literary precedents which offered writers means of assessing the war Ultimately the volume argues American World War I writing was highly personal complex and idiosyncratic
