Sales Parke-Bernet Galleries,1952      *The Fate of the Dead in Early Third Century North African Christianity* Eliezer Gonzalez,2014-02-24 The ideology and imagery in the Passion of Perpetua are mediated heavily by traditional Graeco Roman culture in particular by traditional notions of the afterlife and of the ascent of the soul This context for understanding the Passion of Perpetua aligns well with the available material evidence and with the writings of Tertullian with whose ideology the text of Perpetua is in an implicit polemical dialogue Eliezer Gonzalez analyzes how the Passion of Perpetua provides us with early literary evidence of an environment in which the Graeco Roman and Christian cults of the dead including the cults of the martyrs and saints appear to be very much aligned He also shows that the text of the Passion of Perpetua and the writings of Tertullian provide insights into an early stage in the polemic between these two conceptualisations of the afterlife of the righteous      **Epitaphs of the Catacombs, Or, Christian Inscriptions in Rome During the First Four Centuries** James Spencer Northcote,1878      The Dynasty Arts of the Kushans John M.
