so much more valuable he was learning about life While this pastor was in the pasture he learned about trust worry relationships failure and patience Who knew you could learn so much from sheep goats and peacocks This book is not a how to book for farmers it is more like a how not to farm book Rather this book is a collection of the stories and experiences many failures and few successes that I have had as a pastor while starting a farm Behind each and every story is a lesson that God wants his people to learn So for the past several years I have taken the lessons learned in the pasture and shared them from the pulpit in my church Now I want to share those lessons with you I hope that you will follow along with the pastor in the pasture and see what God wants to teach you
