

Fascism in Europe, 1919-1945

Philip Morgan

Fascism In Europe 1919 1945

Samuel Kalman

Fascism In Europe 1919 1945:

Fascism in Europe, 1919-1945 Philip Morgan, 2003 Fascism in Europe 1919 1945 surveys the phenomenon which is still the object of interest and debate over fifty years after its defeat in the Second World War It introduces the recent scholarship and continuing debates on the nature of fascism as well as the often contentious contributions by foreign historians and political scientists From the pre First World War intellectual origins of Fascism to its demise in 1945 this book examines the two waves of fascism in the immediate post war period and in the late 1920s and early 1930s whether the European crisis created by the Treaty of Versailles allowed fascism to take root why fascism came to power in Italy and Germany but not anywhere else in Europe fascism's own claim to be an international and internationalist movement the idea of totalitarianism as the most useful and appropriate way of analyzing the fascist regimes **Fascism and the Right in**

Europe 1919-1945 Martin Blinkhorn, 2014-07-22 This new text places interwar European fascism squarely in its historical context and analyses its relationship with other right wing authoritarian movements and regimes Beginning with the ideological roots of fascism in pre 1914 Europe Martin Blinkhorn turns to the problem torn Europe of 1919 to 1939 in order to explain why fascism emerged and why in some settings it flourished while in others it did not In doing so he considers not just the major fascist movements and regimes of Italy and Germany but the entire range of fascist and authoritarian ideas movements and regimes present in the Europe of 1919 1945 **Fascism in Europe, 1919-1945** Richard Alan Hodgson

Robinson, 1983 *Beyond the Fascist Century* Constantin Iordachi, Aristotle Kallis, 2020-11-11 This book evaluates the current and future state of fascism studies reflecting on the first hundred years of fascism and looking ahead to a new era in which fascism studies increasingly faces fresh questions concerning its relevance and the potential reappearance of fascism This wide ranging work celebrates Roger Griffin's contributions to fascism studies in conceptual and definitional terms but also in advancing our understanding of fascism which have informed related research in a number of fields and directions since the 1990s Bringing together three generations of fascism scholars the book offers a combination of broad conceptual essays and contributions focusing on particular themes and facets of fascism The book features chapters which although diverse in their approaches explore Griffin's work while also engaging critically with other schools of thought As such it identifies new avenues of research in fascism studies placing Griffin's work within the context of new and emerging voices in the field Hungarian Women's Activism in the Wake of the First World War Judith Szapor, 2017-12-14 Using a wide range

of previously unpublished archival written and visual sources Hungarian Women's Activism in the Wake of the First World War offers the first gendered history of the aftermath of the First World War in Hungary The book examines women's activism during the post war revolutions and counter revolution It describes the dynamic of the period's competing liberal Christian conservative socialist radical socialist and right wing nationalistic women's movements and pays special attention to women activists of the Right In this original study Judith Szapor goes on to convincingly argue that illiberal ideas on family

and gender roles tied to the nation's regeneration and tightly woven into the fabric of the interwar period's right wing extreme nationalistic ideology greatly contributed to the success of Miklós Horthy's regime. Furthermore, the book looks at the long shadow that anti-liberal nationalist notions of gender and family cast on Hungarian society and provides an explanation for their persistent appeal in the post-Communist era. This is an important text for anyone interested in women's history, gender history, and Hungary in the 20th century.

A Fascist Century R. Griffin, 2008-08-20 Ten essays on the nature of fascism by a leading scholar in the field focusing on how to understand and apply fascist ideology to various movements since the twentieth century. Mussolini's prophesied fascist century. Includes studies of fascism's attempted temporal revolution, Nazism as extended case study, and fascism's postwar evolution.

World Fascism Cyprian Blamires, 2006-09-18 This book shows how during the 20th century evils such as totalitarianism, tyranny, war, and genocide became indelibly linked to the fascist cause and examines the enduring and popular appeal of an ideology that has counted princes, poets, and war heroes among its most fervent adherents. From the followers of Hajj Amin Al-Husseini, the Arab leader who met with Adolf Hitler in November 1942, to the murderous death squads of the Croatian Ustasha, to certain members of the British Establishment, fascism's heady brew of extreme nationalism and revolutionary violence has attracted followers from across all religions, races, and classes. Now widely reviled, fascism became an immensely powerful political force in Western Europe throughout the 1930s and into the 1940s. How did civilized nations like Italy, Germany, Austria, and others succumb to an ideology now regarded by the political mainstream as barbarous and beyond the pale? *World Fascism: A Historical Encyclopedia* covers all the key personalities and movements throughout the history of fascism and brings to light some of the ideology's lesser known aspects, from Hindu extremists in India to the influential role of certain women in fascist movements. How did an ideology which was openly boastful of its belief in violence come to seduce the elites of some of the most civilized nations on earth? What can explain fascism's enduring appeal?

The Extreme Right in Interwar France Samuel Kalman, 2016-12-05 Historians of the French extreme right frequently denote the existence of a strong xenophobic and nationalist tradition dating from the 1880s, a perpetual anti-republicanism which pervaded twentieth-century political discourse. Much attention is habitually paid to the interwar era, deemed the zenith of this success, when the leagues attracted hundreds of thousands of members and enjoyed significant political acclaim. Most works on the subject speak of the French right or French fascism, presenting compendia of figures and organizations from the Dreyfus Affair in the 1890s through the notorious Vichy regime, the authoritarian construct which emerged following the defeat to Nazi Germany in June 1940. However, historians rarely discuss the programmatic elements of extreme right-wing doctrine, which demanded the eradication of parliamentary democracy and the transformation of the nation and state according to group principles. Instead, most detail the organization and membership of various organizations and often recount their quotidian activities as political actors within and in opposition to the Third Republic. This book offers a new interpretation of the extreme right in interwar French politics.

focusing upon the largest and most influential such groups in 1920s and 1930s the Faisceau and the Croix de Feu It explores their designs for extensive political economic and social renewal a project that commanded significant attention from the leadership and rank and file of both organizations providing the overarching goal behind their aspiration to power The book examines five components of these efforts A renewal of politics and government the establishment of a new economic order a revaluation of gender and familial relations the role of youth in the new socio political construct and the politics of exclusion inherent in every facet of Faisceau and CDF doctrine In so doing it contributes to a historical understanding of the programmatic elements of the interwar extreme right while simultaneously situating its most prominent exponents within their broader historical context

Revolutionary Contagion and International Politics Chad E. Nelson, 2022 A unique theory of what happens when leaders fear a revolution abroad will spread to their own country and how that affects international relations When do leaders fear that a revolution elsewhere will spread to their own polities and what are the international effects of this fear In *Revolutionary Contagion* Chad E Nelson develops and tests a theory that explains how states react to ideological driven revolutions that have occurred in other nations To do this he analyzes four key revolutionary movements over two centuries liberalism communism fascism and Islamism He further explains that the key to understanding the response to revolutions lies in focusing on the extent to which leaders fear upheaval in their own countries According to the theory Nelson argues fear of contagion is driven more by the characteristics of the host rather than the activities of the infecting agents In other words leaders will fear revolutionary contagion when they have significant revolutionary opposition movements that have an ideological affinity with the revolutionary state A powerful theory of the profound effects revolutions have on international relations this book shows why one simply cannot make sense of international politics including patterns of alliances and wars in certain situations without considering the fear of contagion

Women on the Right Clarisse Berthezène, Laura Lee Downs, Julie V. Gottlieb, 2025-01-09 *Women on the Right* explores the complex relationships between conservative and right wing politics social action and women actors from the late 19th to the late 20th century Edited by Clarisse Berthezène Laura Lee Downs and Julie V Gottlieb each essay examines the spectrum of women's engagement with right wing politics from centrist and progressive conservatism groups to authoritarianism and fascism This book uses local and national case studies to explore a wide range of women's social and political mobilizations Using a bottom up perspective it stays focused on the ideas ambitions and practices of the actors themselves Key points of comparison include the very different roles played by religious institutions and associations the broader regional and national contexts and the dynamics that favour or not the eventual construction of welfare states *Women on the Right* consistently adopts a multinational and multidimensional approach by bringing together a team of expert contributors to engage in a discussion of the comparative and transnational features of right wing women's political thought and practice The result is a unique contribution to the historical understanding of women's participation in and ideas about conservative activism

Rethinking Antifascism Hugo García, Mercedes Yusta, Xavier Tabet, Cristina Clímaco, 2016-06-01 Bringing together leading scholars from a range of nations *Rethinking Antifascism* provides a fascinating exploration of one of the most vibrant sub disciplines within recent historiography Through case studies that exemplify the field's breadth and sophistication it examines antifascism in two distinct realms after surveying the movement's remarkable diversity across nations and political cultures up to 1945 the volume assesses its postwar political and ideological salience from its incorporation into Soviet state doctrine to its radical questioning by historians and politicians Avoiding both heroic narratives and reflexive revisionism these contributions offer nuanced perspectives on a movement that helped to shape the postwar world Entangled Histories of the Balkans - Volume Two Roumen Daskalov, Diana Mishkova, 2013-11-14 Modern Balkan history has traditionally been studied by national historians in terms of separate national histories taking place within bounded state territories The authors in this volume take a different approach They all seek to treat the modern history of the region from a transnational and relational perspective in terms of shared and connected as well as entangled histories transfers and crossings This goes along with an interest in the way ideas institutions and techniques were selected transferred and adapted to Balkan conditions and how they interacted with those conditions resulting in migrations and hybridization The volume also invites reflection on the interacting entities in the very process of their creation and consecutive transformations rather than taking them as givens Contributors include Diana Mishkova Alexander Vezhenkov Constantin Iordachi Roumen Daskalov Tchavdar Marinov Blagovest Njagulov *Nazi Germany* Tim Kirk, 2006-10-04 Hitler's thousand year Reich lasted barely longer than twelve brief and inglorious years and yet had an impact on millions of ordinary lives scarcely comparable with any other episode in modern European history *Nazi Germany* examines the origins and development of Nazism the establishment of the dictatorship and the impact on Germany's economy society and culture of the regime's single minded drive towards war and genocide The view from above reflected in the movement's ideology policy and legislation is complemented by the many often conflicting views from below as described in the reports smuggled out of Germany by Socialist dissidents or overheard by the regime's spies and policemen Tim Kirk depicts a society divided where most were initially wary of Hitler and sceptical about his party and its promises and where even enthusiastic admirers quickly became disgruntled but where the majority complied and few were inclined to oppose or resist the regime or its brutalities until disillusionment set in and the prospect of defeat was imminent Approachable and authoritative this is an essential introduction to one of the most significant periods in German and modern European history **Women in Twentieth-Century Italy** Perry Willson, 2009-12-07 Over the course of the 20th century the rapid transformation of Italy from an impoverished predominantly agricultural nation to one of the strongest economies in the world forged a fascinating and contradictory society where gender relations were a particular mix of modernity and tradition In this accessible and innovative study Perry Willson provides a nuanced and insightful analysis of the impact of social political economic and cultural developments on Italian women's lives She also explores how

women were affected by and how they themselves helped shape key historical events such as the rise of Fascism the 2 world wars the economic miracle of the post war years and the cultural and political upheavals of the 1970s *Women in Twentieth Century Italy* is the first book length overview of Italian women s experience during this period of intense and dramatic change Drawing on the latest historiography in the field and written in a lively and engaging manner it is essential reading for anyone with an interest in Italy s recent past **Extreme Right Parties in Scandinavia** Anders Widfeldt,2014-08-27 This book fills a gap in the extreme right literature currently available as there is no book length study of Scandinavia With the election of many right wing parties across Europe this book is very timely **From Hitler to Codreanu** Carlos Manuel Martins,2020-12-30 This book examines fascist ideology in seven leaders of parties and movements in the interwar period It makes use of the conceptual morphological approach focused on core and adjacent concepts as well as on the interlinkages between them With such an approach the book seeks to offer an innovative perspective on fascism and arrive at a conceptual configuration of fascist ideology capable of highlighting its main concepts and combinations Furthermore it examines the major texts of seven leaders from Germany Italy the UK Portugal Spain France and Romania Adolf Hitler Benito Mussolini Oswald Mosley Rol o Preto Primo de Rivera Marcel D at and Corneliu Codreanu With the conceptual approach the book reasserts the possibility of finding a definition of generic fascism at the same time as depicting the ideological varieties espoused by each leader This title will be of interest to students and scholars of fascism extremism and the far right

Duce: The Contradictions of Power Peter J. Williamson,2023-04-13 Eighty years after the fall of Benito Mussolini controversy remains about what his dictatorship represented This reflects the different sides to the Duce s leadership while adept at nurturing and enforcing his personal political power Mussolini s lack of insight into the requirements of governance prevented him from converting this power into influence to achieve his goals His efforts to maintain the support of Italy s conservative elites economic social and political also created tensions with his radical Fascist ambitions diminishing the momentum behind his regime Mussolini is frequently portrayed as a charismatic leader but his rule was secured principally by coercion violence and a spoils system Nonetheless his personality cult had significant popular appeal even if based upon a political myth This enabled him to consolidate his position and to dominate his Fascist colleagues but at a price of over centralised dysfunctional decision making In this book the first comprehensive English language study of Mussolini in nearly two decades Peter J Williamson brings to life the contradictions within the Duce s leadership Using a wide range of sources Williamson reveals how these conflicts impeded the dictator s ambitions leaving him increasingly frustrated all while most Italians endured the severe privations of both failure and Fascism **Women of the Right** Kathleen M. Blee,Sandra McGee Deutsch,2015-06-29 In *Women of the Right* Kathleen M Blee and Sandra McGee Deutsch bring together a groundbreaking collection of essays examining women in right wing politics across the world from the early twentieth century white Afrikaner movement in South Africa to the supporters of Sarah Palin today The volume introduces a truly global perspective on how

women matter in the national and transnational links and exchanges of rightist politics Suitable for classroom use it sets a new agenda for scholarship on women on the right Aside from the editors the contributors are Nancy Aguirre Karla J Cunningham Kirsten Delegard Kathleen M Fallon Kate Hallgren Randolph Hollingsworth Jill Irvine Vandana Joshi Carol S Lilly Annette Linden Julie Moreau Margaret Power Mariela Rubinzal Daniella Sarnoff Ronnee Schreiber Meera Sehgal Louise Vincent and Veronica A Wilson *The ^AOxford Handbook of Gender, War, and the Western World since 1600* Karen Hagemann, Stefan Dudink, Sonya O. Rose, 2020-10-30 To date war history has focused predominantly on the efforts of and impact of war on male participants However this limited focus disregards the complexity of gendered experiences with war and the military The Oxford Handbook of Gender War and the Western World since 1600 investigates how conceptions of gender have contributed to the shaping of military culture examining the varied ideals and practices that have socially differentiated men and women s wartime experiences Covering the major periods in warfare since the seventeenth century The Handbook explores cultural representations of war and the interconnectedness of the military with civil society and its transformations **Remaking the Male Body** Joan Tumblety, 2012-10-04 The first monograph to explore the imagined link between male athletic prowess and national strength in interwar France It ultimately sheds light on the roots of Vichy s project for masculine regeneration after the military defeat of 1940

Fascism In Europe 1919 1945 Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Fascism In Europe 1919 1945 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Fascism In Europe 1919 1945 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Fascism In Europe 1919 1945 free PDF files is convenient,

its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Fascism In Europe 1919 1945. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Fascism In Europe 1919 1945 any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Fascism In Europe 1919 1945 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Fascism In Europe 1919 1945 is one of the best book in our library for free trial. We provide copy of Fascism In Europe 1919 1945 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Fascism In Europe 1919 1945. Where to download Fascism In Europe 1919 1945 online for free? Are you looking for Fascism In Europe 1919 1945 PDF? This is definitely going to save you time and cash in something you should think about.
