Fashioning Adultery Gender Sex And Civility In England 1660 1740:

Fashioning Adultery David M. Turner, 2002-08-15 This 2002 book provides a major survey of representations of adultery in later seventeenth and early eighteenth century England Bringing together a wide variety of literary and legal sources including sermons pamphlets plays diaries periodicals trial reports and the records of marital litigation it documents a growing diversity in perceptions of marital infidelity in this period against the backdrop of an explosion in print culture and a decline in the judicial regulation of sexual immorality In general terms the book charts and explains a gradual transformation of ideas about extra marital sex whereby the powerfully established religious argument that adultery was universally a sin became increasingly open to challenge The book charts significant developments in the idiom in which sexually transgressive behaviour was discussed showing how evolving ideas of civility and social refinement and new thinking about gender difference influenced assessments of immoral behaviour

Interpreting Sexual Violence, 1660-1800 Anne Leah Greenfield, 2015-10-06 The essays in this collection explore representations of and responses to sexual violence over the course of the long eighteenth century Contributors examine the underlying ideologies that spawned these representations confronting the social political legal and aesthetic conditions of the day

Reading Sex in the Eighteenth Century Karen Harvey, 2004 Publisher Description

Errors and Reconciliations Anaclara Castro-Santana, 2018-03-21 Henry Fielding is most well known for his monumental novel Tom Jones Though not necessarily common knowledge Henry Fielding started his literary career as a dramatist and eventually transitioned to writing novels Though vastly different in their approach and subject there is a common thread in Fielding's work that spanned his career marriage Errors and Reconciliations Marriage in the Plays and Novels of Henry Fielding explores this theme focusing on Fielding's fascination with matrimony and the ever present paradoxical nature of marriage in the first half of the eighteenth century as a state easily attained but nearly impossible to escape

Elgar Concise Encyclopedia of Law

and Literature Robert Spoo, Simon Stern, 2025-01-09 The Elgar Concise Encyclopedia of Law and Literature surveys the intersection between two important fields of study Interdisciplinary in scope the volume showcases the many ways in which literary and legal methods and insights both converge and remain distinct What is Masculinity? J. Arnold, S. Brady, 2011-06-14 Across history the ideas and practices of male identity have varied much between time and place masculinity proves to be a slippery concept not available to all men sometimes even applied to women This book analyses the dynamics of masculinity as both an ideology and lived experience how men have tried and failed to be Real Men

Courtship, Marriage and Marriage Breakdown Katie Barclay, Jeffrey Meek, Andrea Thomson, 2019-10-28 This book explores the history of marriage and marriage like relationships across five continents from the seventeenth century to the present day Across fourteen chapters leading marriage scholars examine how the methodologies from the new history of emotions contribute to our understanding of marriage seeking to uncover not only personal feeling but also the political and social implications of emotion They highlight how marriage as an institution has been shaped not just by law and society but also by individual and community choices desires and emotional values Importantly they also emphasize how the history of non traditional and same sex relationships and their emotions have long played an important role in determining the nature of marriage as an institution and emotional union In doing so this collection allows us to rethink both the past and present of marriage destabilizing a story of a stable institution and opening it up as a site of contest debate and feeling **The Oxford Handbook of Daniel Defoe** Nicholas Seager, J. A. Downie, 2024-02-29 Across his vast oeuvre which includes books pamphlets and periodicals Daniel Defoe commented on virtually every development and issue of his lifetime a turbulent and transformative period in British and global history This Handbook offers the most comprehensive overview available of his life times writings and reception *Marriage, Separation, and Divorce in England, 1500-1700* K. J. Kesselring, Tim Stretton, 2022-02-17 England is well known as the only Protestant state not to introduce divorce in the sixteenth century Reformation Only at the end of the seventeenth century did divorce by private act of parliament become available for a select few men and only in 1857 did the Divorce Act and its creation of judicial divorces extend the possibility more broadly Aspects of the history of divorce are well known from studies which typically privilege the records of the church courts that claimed a monopoly on marriage But why did England alone of all Protestant jurisdictions not allow divorce with remarriage in the era of the Reformation and how did people in failed marriages cope with this absence One part of the answer to the first question Kesselring and Stretton argue and a factor that shaped people s responses to the second lay in another distinctive aspect of English law its common law formulation of coverture the umbrella term for married women s legal status and property rights The bonds of marriage stayed tightly tied in post Reformation England in part because marriage was as much about wealth as it was about salvation or sexuality and English society had deeply invested in a system that subordinated a wife s identity and property to those of the man she married To understand this dimension of divorce s history this study looks beyond the

church courts to the records of other judicial bodies the secular courts of common law and equity to bring fresh perspective to a history that remains relevant today *The Single Homemaker and Material Culture in the Long Eighteenth Century* David Hussey, Margaret Ponsonby, 2016-03-03 The *Single Homemaker and Material Culture in the Long Eighteenth Century* represents a new synthesis of gender history and material culture studies It seeks to analyse the lives and cultural expression of single men and women from 1650 to 1850 within the main focus of domestic activity the home Whilst there is much scholarly interest in singleness and a raft of literature on the construction and apprehension of the home no other book has sought to bring these discrete studies together Similarly scholarly work has been limited in evaluating gendered consumption practices during the long eighteenth century because of an emphasis on the homes of families Analysing the practices of single people emphasises the differences but also amplifies the similarities in their strategies of domestic life *Tracing Private Conversations in Early Modern Europe* Johannes Ljungberg, Natacha Klein Käfer, 2024-03-01 This open access book provides a multifold exploration of how people in early modern Europe understood conducted and actively used private conversations From sharing personal matters to discussing delicate secrets all layers of early modern society had their motives for wanting to keep certain exchanges out of public eyes and ears and ways of trying to achieve this Detecting such instances in historical sources typically becomes a complex pursuit full of subtle references that require creative approaches especially when it comes to more informal practices Yet in a reading against the grain different sources can offer us hints of how conversations took place in private The book consists of a historiographical and methodological introduction to the study of private conversations followed by ten case studies from a variety of cities villages and countryside across early modern Europe The concluding epilogue suggests some pathways to further explore the terrain of how people have talked in private in past societies *Histories of Crime* Anne-Marie Kilday, David Nash, 2010-06-03 Providing a rounded and coherent history of crime and the law spanning the past 400 years *Histories of Crime* explores the evolution of attitudes towards crime and criminality over time Bringing together contributions from internationally acknowledged experts the book highlights themes current issues and key debates in the history of deviance and bad behaviour including Marital cruelty and adultery Infanticide Murder The underworld Blasphemy and moral crimes Fraud and white collar crime The death penalty and punishment Individual case studies of violent and non violent crime are used to explore the human means and motives behind criminal practice Through these the book illuminates society s wider attitudes and fears about criminal behaviour and the way in which these influence the law and legal system over time This fascinating book is essential reading for students and teachers of history sociology and criminology as well as anyone interested in Britain s criminal past *Sex and the Church in the Long Eighteenth Century* William Gibson, Joanne Begiato, 2017-02-28 The Long Eighteenth Century was the Age of Revolutions including the first sexual revolution In this era sexual toleration began and there was a marked increase in the discussion of morality extra marital sex pornography and same sex relationships in both print and visual culture media

William Gibson and Joanne Begiato here consider the ways in which the Church of England dealt with sex and sexuality in this period. Despite the backdrop of an increasingly secularising society, religion continued to play a key role in politics, family life and wider society, and the eighteenth century Church was still therefore a considerable force, especially in questions of morality. This book integrates themes of gender and sexuality into a broader understanding of the Church of England in the eighteenth century. It shows that rather than distancing itself from sex through diminishing teaching, regulation and punishment, the Church not only paid attention to it but its attitudes to sex and sexuality were at the core of society's reactions to the first sexual revolution.

The Changing Legal Regulation of Cohabitation Rebecca Probert, 2012-09-06
This book is for anyone interested in the history of marriage and cohabitation, whether historian, lawyer or general reader. It is written in an accessible style while providing a radical reassessment of existing ideas about the popularity, legal treatment and perceptions of cohabitation between 1600 and 2010.

Christianity and Sexuality in the Early Modern World Merry Wiesner-Hanks, 2014-05-22
The book surveys the ways in which Christian ideas and institutions shaped sexual norms and conduct from the time of Luther and Columbus to that of Thomas Jefferson. It is global in scope and geographic in organization, with chapters on Protestant, Catholic and Orthodox Europe, Latin America, Africa and Asia and North America. All the key topics are covered, including marriage and divorce, fornication and illegitimacy, clerical sexuality, same sex relations, witchcraft and love magic, moral crimes and inter-racial relationships. Each chapter in this second edition has been fully updated to reflect new scholarship, with expanded coverage of many of the key issues, particularly in areas outside of Europe. Other updates include extra analysis of the religious ideas and activities of ordinary people in Europe and new material on the colonial world. The book sets its findings within the context of many historical fields: the history of sexuality and the body, women's history, legal and religious history, queer theory and colonial studies, and provides readers with an introduction to key theoretical and methodological issues in each of these areas. Each chapter includes an extensive section on further reading, surveying and commenting on the newest English language secondary literature.

The Routledge History of Sex and the Body Sarah Toulalan, Kate Fisher, 2013
The Routledge History of Sex and the Body provides an overview of the main themes surrounding the history of sexuality from 1500 to the present day. The history of sex and the body is an expanding field in which vibrant debate on, for instance, the history of homosexuality is developing. This book examines the current scholarship and looks towards future directions across the field. The volume is divided into fourteen thematic chapters which are split into two chronological sections: 1500-1750 and 1750 to present day. Focusing on the history of sexuality and the body in the West but also interactions with a broader globe, these thematic chapters survey the major areas of debate and discussion. Covering themes such as science, identity, the gaze, courtship, reproduction, sexual violence and the importance of race, the volume offers a comprehensive view of the history of sex and the body. The book concludes with an afterword in which the reader is invited to consider some of the tensions, problems and areas deserving further scrutiny. Including

contributors renowned in their field of expertise this ground breaking collection is essential reading for all those interested in the history of sexuality and the body

Killing Hercules Richard Rowland, 2016-12-08 This book offers an entirely new reception history of the myth of Hercules and his wife killer Deianira The book poses and attempts to answer two important and related questions First why have artists across two millennia felt compelled to revisit this particular myth to express anxieties about violence at both a global and domestic level Secondly from the moment that Sophocles disrupted a myth about the definitive exemplar of masculinity and martial prowess and turned it into a story about domestic abuse through to a 2014 production of Handel's Hercules that was set in the context of the war on terror the reception history of this myth has been one of discontinuity and conflict how and why does each culture reinvent this narrative to address its own concerns and discontents and how does each generation speak to qualify or annihilate the certainties of its predecessors in order to understand contain or exonerate the aggression with which their governors of state and of the household so often enforce their authority and the violence to which their nations and their homes are perennially vulnerable

Unrespectable Radicals? Paul A. Pickering, 2016-02-24 In 1988 Iain McCalman's seminal work *Radical Underworld* unravelled the complex and clandestine revolutionary networks of democrats that operated in London between 1790 and the beginnings of Chartism to reveal an urban underworld of prophets infidels pornographers and rogue preachers where powerful satirical and subversive subcultures were developed This present volume reflects and builds upon the diversity of McCalman's discoveries to present fresh insights into the culture and operation of popular politics in the age of reform It is a coherent and integrated treatment of the subject that offers a window into this unrespectable underworld and questions whether it was a blackguard subculture or a more complex and rich counter culture with powerful literary legal and political implications This book brings together an international team of experienced scholars to explore the concepts and subjects pioneered by McCalman The volume presents a focused and coherent review of popular politics from the meeting rooms of a reform society and the theatre stage to the forum of the courtroom and the depths of prison

Atlantic Families Sarah Pearsall, 2008-11-27 The Atlantic represented a world of opportunity in the eighteenth century but it represented division also separating families across its coasts Whether due to economic shifts changing political landscapes imperial ambitions or even simply personal tragedy many families found themselves fractured and disoriented by the growth and later fissure of a larger Atlantic world Such dislocation posed considerable challenges to all individuals who viewed orderly family relations as both a general and a personal ideal The more fortunate individuals who thus found themselves all at sea were able to use family letters with attendant emphases on familiarity sensibility and credit in order to remain connected in times and places of considerable disconnection Portraying the family as a unified affectionate and happy entity in such letters provided a means of surmounting concerns about societies fractured by physical distance global wars and increasing social stratification It could also provide social and economic leverage to individual men and women in certain circumstances Sarah Pearsall explores the

lives and letters of these families revealing the sometimes shocking stories of those divided by sea Ranging across the Anglophone Atlantic including mainland American colonies and states Britain and the British Caribbean Pearsall argues that it was this expanding Atlantic world much more than the American Revolution that reshaped contemporary ideals about families as much as families themselves reshaped the transatlantic world

Fashioning Adultery Gender Sex And Civility In England 1660 1740 Introduction

In today's digital age, the availability of Fashioning Adultery Gender Sex And Civility In England 1660 1740 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Fashioning Adultery Gender Sex And Civility In England 1660 1740 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Fashioning Adultery Gender Sex And Civility In England 1660 1740 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Fashioning Adultery Gender Sex And Civility In England 1660 1740 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Fashioning Adultery Gender Sex And Civility In England 1660 1740 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Fashioning Adultery Gender Sex And Civility In England 1660 1740 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Fashioning Adultery Gender Sex And Civility In England 1660 1740 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free

access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Fashioning Adultery Gender Sex And Civility In England 1660 1740 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Fashioning Adultery Gender Sex And Civility In England 1660 1740 books and manuals for download and embark on your journey of knowledge?

FAQs About Fashioning Adultery Gender Sex And Civility In England 1660 1740 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
