Italian Style Eugenia Paulicelli,2016-09-22 This is the first in depth book length study on fashion and Italian cinema from the silent film to the present Italian cinema launched Italian fashion to the world The book is the story of this launch The creation of an Italian style and fashion as they are perceived today especially by foreigners was a product of the post World War II years Before then Parisian fashion had dominated Europe and the world Just as fashion was part of Parisian and French national identity the book explores the process of shaping and inventing an Italian style and fashion that ran parallel to and at times took the

lead in the creation of an Italian national identity In bringing to the fore these intersections as well as emphasizing the importance of craft in cinema fashion and costume design the book aims to offer new visions of films by directors such as Nino Oxilia Mario Camerini Alessandro Blasetti Federico Fellini Michelangelo Antonioni Luchino Visconti and Paolo Sorrentino of film stars such as Lyda Borelli Francesca Bertini Pina Menichelli Lucia Bos Monica Vitti Marcello Mastroianni Toni Servillo and others and the costume archives and designers who have been central to the development of Made in Italy and Italian style Official Gazette of the United States Patent and Trademark Office ,1999 Fashion, Performance, and Performativity Andrea Kollnitz,Marco Pecorari,2021-11-18 In the first comprehensive study of the interactions between fashion performance and performativity a group of international experts explore fashion as the ideal complex space or in other words the ideal space where performance and performativity come together according to the works of seminal theorists Eve Kosofsky Sedgwick and Andrew Parker Bringing together western and non western historical and contemporary case studies and theories the book explores the magazines photography exhibitions global colonial divides digital media and more which have become key markers of the fashion industry as we know it today Using existing literature as a springboard and incorporating perspectives from fashion studies art history media studies and gender studies as well as from artists and practitioners Fashion Performance and Performativity is an innovative and essential work for students scholars and practitioners across multiple disciplines **Fashion, Dress and Post-postmodernism** José Blanco F.,Andrew Reilly,2021-01-28 Scholars have argued that postmodernism is dead and that we are entering into a new era that some have labelled altermodernism digimodernism performatism and post postmodernism This book expands on the nascent scholarship of post postmodernism to highlight how dress fashion and appearance are reflections of this new age The volume starts with a discussion of fashion subjectivity and time and an analysis of temporality technology and fashion in post postmodern times Later chapters analyse the work of design houses and mass producers such as Vetements Gucci and Uniqlo whose products align with post postmodern aesthetics hyperconsumption and hypermodern branding The book looks at diverse geographic and identity markers by discussing post postmodernism and the religio politico cultural questions in South Asian Muslim fashion image and identity presentation in queer social networking apps and by exploring fashion designer Tom Ford s output as a movie director Two chapters discuss the post postmodern fashion exhibition with analyses of recent exhibitions and an in depth look at the work of exhibition maker Judith Clark The final chapter is written by members of The Rational Dress Society a counter fashion collective that makes JUMPSUIT an experimental garment to replace all clothes Fashion Dress and Post postmodernism is a companion to research on relationships between post postmodernism fashion and dress and the go to resource for researchers and students interested in these areas **Colors in Fashion** Jonathan Faiers,Mary Westerman Bulgarella,2016-11-17 Color speaks a powerful cultural language conveying political sexual and economic messages that throughout history have revealed how we relate to ourselves and our world This ground breaking compilation

is the first to investigate how color in fashionable and ceremonial dress has played a significant social role indicating acceptance and exclusion convention and subversion From the use of white in pioneering feminism to the penchant for black in post war France and from mystical scarlet broadcloth to the horrors of arsenic laden green fashion this publication demonstrates that color in dress is as mutable nuanced and varied as color itself Divided into four thematic parts solidarity power innovation and desire each section highlights the often violent emotional histories of color in dress across geographical temporal and cultural boundaries Underlying today s relaxed attitude to color lies a chromatic complexity that speaks of wars migrations and economics While acknowledging the importance that technology has played in the development of new dyes the chapters explore color as a catalyst for technical innovation that continues to inspire designers artists and performers Bringing together cutting edge contributions from leading scholars it is essential reading for academics of fashion textiles design cultural studies and art history
