Famous People Speak About Jesus Christopher H.K. Persaud, 2004-11-16 WHO DO YOU SAY THAT I AM Jesus posed the question to His disciples a short time before he was unfairly accused and wrongfully condemned to death after being subjected to a mockery of a legal trial before he was horrendously abused and killed atop a wooden cross And who do you say that I am Peter the disciple who was to initiate and lead the astounding movement we know today as Christianity answered You are the Son of the living God to which Jesus replied Peter you are the rock upon which I will build my Church and the gates of hell will not prevail against it Jesus question reverberates throughout history as we know it and directly and indirectly people have answered and continue to respond to this most poignant of inquiries Let us endeavor in this regard to peer into the

thoughts of over a thousand notable men and women from the first century following Christ's life and times to the present age. Let us read what monarchs, presidents, statesmen, philosophers, scientists, theologians, writers, philanthropists, poets, composers, singers, songwriters, actors, actresses, television talk show hosts, athletes, and Christian martyrs throughout history, among others, and even a dictator or two, and a few infamous personalities have had to say about this mesmerizing young rabbi who wandered the Judean hills over two thousand years ago.
