White, 1946 Famous utopias of the Renaissance, introd, Famous Utopias of the Renaissance : Introduction and Notes, 1955 **Utopia and Dystopia in Postwar Italian Literature** Daniele

Fioretti, 2017-02-13 This book is about the presence of utopian and dystopian elements in the Italian literary landscape. It focuses on four authors that are representatives of the various positions in the Italian cultural debate: Pasolini, Calvino, Sanguineti, and Volponi. What did concepts like utopia and dystopia mean for these authors? Is it possible to separate utopia from dystopia? What is the role of science fiction in this debate? This book answers these questions, proposing an original interpretation of utopia and of the social role of literature. The book also takes into consideration four of the most influential literary journals in Italy: *Officina*, *il menab*, *il verri*, and *Nuovi Argomenti*, that played a central role in the cultural and political debate on utopia in Italy. *A Study Guide for Political Theories for Students: UTOPIANISM* Gale, Cengage

Learning, 2015-03-13 Designed with busy students in mind, this concise study guide examines major political theories and is organized into the following easily digestible sections: overview, history, theory in depth, theory in action, analysis, and critical response topics for further study and bibliography. *Italian Literature before 1900 in English Translation* Robin Healey, 2011-12-15 Italian Literature before 1900 in English Translation provides the most complete record possible of texts from the early periods that have been translated into English and published between 1929 and 2008. It lists works from all genres and subjects and includes translations wherever they have appeared across the globe. In this annotated bibliography, Robin Healey covers over 5200 distinct editions of pre-1900 Italian writings. Most entries are accompanied by useful notes providing information on authors, works, translators, and how the translations were received. Among the works by over 1500 authors represented in this volume are hundreds of editions by Italy's most translated authors: Dante, Alighieri, Machiavelli, and Boccaccio, and other hundreds which represent the author's only English translation. A significant number of entries describe works originally published in Latin. Together with Healey's *Twentieth Century Italian Literature in English*

Translation this volume makes comprehensive information on translations accessible for schools libraries and those interested in comparative literature

The State as Utopia Jürgen Backhaus,2010-11-25 This book examines utopias in classical political economy and is based on the papers presented by leading scholars at the 22nd Heilbronn Symposium in the Economics and the Social Sciences The book focuses on the tension between the State and utopia the State as utopia vs utopia instead of a state The contributors also study the question of whether seafaring and landlocked states visualize the commonwealth differently and develop different utopias and it is concluded they do not The volume therefore follows the refutation of the Schumpeterian Hypothesis that more concentrated industries stimulate innovation Though the hypothesis is refuted it still remains important the chapters argue because it charts out an entire research program serves as a benchmark of definite public and private sector boundaries and defines the grammar of discourse for constitutional economic policy in OECD states These themes are explored in detail through contributions by economists philosophers and social historians The contributors examine utopias hitherto never or rarely reviewed in the English language making this book of interest to students and scholars in economics political science and the history of economic thought

Utopia & Revolution Melvin Jonah Lasky, The most comprehensive study of ideology and utopia since Karl Mannheim s work of the 1930s Utopia and Revolution can be understood as turning classical political theory on its head or perhaps inside out Instead of the usual summary of how English radical theologies contributed to the revolutionary process Lasky shows how such political theology of the mid seventeenth century became the backbone of the natural history of revolutionary disasters In a remarkable feat of scholarship in intellectual history Lasky charts the course of this historic entanglement over some five turbulent centuries of Western history In so doing he traces the ideological extension of the human personality through the writings of political theorists philosophers poets and historians

The Top Books of the Year Famous Utopias Of The Renaissance The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the captivating narratives that have enthralled audiences this year. Famous Utopias Of The Renaissance : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Famous Utopias Of The Renaissance : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Famous Utopias Of The Renaissance : Delia Owens' "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
