**Selling Women's History** Emily Westkaemper, 2017-01-09 Only in recent decades has the American academic profession taken women's history seriously. But the very concept of women's history has a much longer past, one that is intimately entwined with the development of American advertising and consumer culture. *Selling Women's History* reveals how from the 1900s to the 1970s popular culture helped teach Americans about the accomplishments of their foremothers, promoting an awareness of women's wide-ranging capabilities. On one hand, Emily Westkaemper examines how this was a marketing ploy as Madison Avenue co-opted women's history to sell everything from Betsy Ross Red lipstick to Virginia Slims cigarettes. But she also shows how pioneering adwomen and female historians used consumer culture to publicize histories that were ignored elsewhere. Their feminist work challenged sexist assumptions about women's subordinate roles. Assessing a dazzling array of media, including soap operas, advertisements, films, magazines, calendars, and greeting cards, *Selling Women's History* offers a new perspective on how early and mid-twentieth-century women saw themselves. Rather than presuming a drought of female agency between the first and second waves of American feminism, it reveals the subtle messages about women's empowerment that flooded the marketplace.

**Listening for God** Marian Korth, 2013-01-22 Discover how God talks to us through everyday happenings. One day God tells us to hold our tongues lightly. There are more important things for today. Another day God's message is to think a little harder about how we spend our money. Some days God just says to relax and enjoy the beauty of the earth. Priorities, values, prayer, music, nature, and hospitality are some of the themes addressed in these 52 reflections on everyday living. Most of the reflections originated as posts on the blog of Whispering Winds Retreat Haven. As you read the reflections in *Listening for God*, you can expect to smile as you read about some amazing coincidences and then remember some of the equally amazing coincidences in your own life. Think about the choices you make every day and how they reflect your values. Wipe a tear from your eye as you read about Emma seeing God a week before she died. Look at birds a little differently as you wonder what songs they are singing today. Feel your heart soar as you begin to hear God.

**FEAR** R.T. Kendall,2022-02-01 You overcome the fear of people when the fear of God becomes your priority This book will teach you to recognize the fear of man and how the enemy uses it to trap you and keep you from the purposes of God for your life It will empower you to break free from this trap and live boldly unafraid to trust God and His promises When you care more about what people think than what God thinks you will miss out on the opportunities God has for you The Bible says The fear of man lays a snare Prov 29 25 This type of fear is dangerous It can get you into all kinds of trouble and the enemy skillfully uses this weapon to keep you from fulfilling God s purpose for your life It can silence you when you should speak or paralyze you when you should take action It affects far more Christians than you might think but it doesn t have to rule your life anymore So how can you be freed from this trap The fear of God leads to wisdom and worship and there are two ways it comes to you 1 it must be taught and 2 the presence of God can bring fear as it did on the day of Pentecost and during the Great Awakening You also learn it as you step out in courage and choose to trust what God says in spite of what people say As you do this the fear of man loses its power over you **Transformative Time Travel** Jay S.
