Far Side Gary Larson,2006-07 Silly silly humans Perched smugly atop the food chain we think we ve got it all figured out We re convinced we know just what makes our simple minded animal friends tick Cows mindlessly graze in pastures all day Dogs greet us with vacant smiles and wagging tails Cheetahs hunt the slow and weak Click beetles click Stink bugs stink But what do we really know about the seemingly predictable populace of the Animal Kingdom Do we honestly know where sheep congregate in the wee hours of the morning Whether bears play practical jokes Or what Holsteins yearn for in the waning light of an autumn afternoon Sadly no But thankfully the groundbreaking work of cartoonist and renowned animal behaviorist Gary Larson sheds a revealing light on The Secret Lives of Animals Under that very banner this year s Far Side wall calendar collects some of Larson s finest work in the field Here we encounter gorillas philosophizing over bananas hit cats who shoot up doghouses and an assortment of animals browsing in the self help section of their branch library Clearly there is more going on with the resident fauna than most humans glean from first glance So the next time your faithful dog greets you at the door wagging deliriously don t assume she s smiling because she s happy to see you She might just be thinking of a joke the neighbor s collie told that morning And the joke was probably about you The Far Side and the Larson signature are registered trademarks of FarWorks Inc **It Came From The Far Side** Gary Larson,1986-07-01 1986 FarWorks Inc All Rights Reserved The Far Side and the Larson signature are registered trademarks of FarWorks Inc **The Far Side Gallery 5** Gary Larson,1995-09-15 1995 FarWorks Inc All Rights Reserved The Far Side and the Larson signature are registered trademarks of FarWorks Inc **The PreHistory of The Far Side:** Gary Larson,1989-09-01 1989 FarWorks Inc
