Farewell To Famine

David Pierce

Farewell To Famine:

A Farewell to Famine Jim Rees, 1994 In 1850 Father Thomas Hore led a group of over 1000 Irish Catholics from counties Wicklow and Wexford to Little Rock Arkansas The group split into six parts and ended up settling in New Orleans Little Rock and Fort Smith Arkansas Refugio Texas St Louis Missouri and Wexford Iowa **Farewell to the God of Plague** Miriam Gross, 2016-01-19 Farewell to the God of Plague reassesses the celebrated Maoist health care model through the lens of Mao's famous campaign against snail fever Using newly available archives Miriam Gross documents how economic political and cultural realities led to grassroots resistance Nonetheless the campaign triumphed but not because of its touted mass prevention campaign Instead success came from its unacknowledged treatment arm carried out jointly by banished urban doctors and rural educated youth More broadly the author reconsiders the relationship between science and political control during the ostensibly antiscientific Maoist era discovering the important role of grassroots science in regime legitimation and Party control in rural areas **The Great Famine** Ciarán Ó Murchadha, 2011-06-02 Over one million people died in the Great Famine and more than one million more emigrated on the coffin ships to America and beyond Drawing on contemporary eyewitness accounts and diaries the book charts the arrival of the potato blight in 1845 and the total destruction of the harvests in 1846 which brought a sense of numbing shock to the populace Far from meeting the relief needs of the poor the Liberal public works programme was a first example of how relief policies would themselves lead to mortality Workhouses were swamped with thousands who had subsisted on public works and soup kitchens earlier and who now gathered in ragged crowds Unable to cope workhouse staff were forced to witness hundreds die where they lay outside the walls The next phase of degradation was the clearances or exterminations in popular parlance which took place on a colossal scale From late 1847 an exodus had begun The Famine slowly came to an end from late 1849 but the longer term consequences were to reverberate through future decades *The Event and Its Terrors* Stuart John McLean, 2004 The Event and its Terrors undertakes a critical reimagining of one of the major events of Irish history the Great Famine of the 1840s and of its subsequent legacies Drawing on a wide range of sources past and present it considers the emergence of the Famine as an object of historical knowledge and controversy with reference both to the experience of modernity and to the production of academic and nationalist histories in colonial and post independence Ireland In doing so it explores the possibility of alternative modes of engagement with the past via contemporary eyewitness accounts oral histories literature folklore and present day commemorative events **Irish Iowa** Timothy Walch, 2019-03-04 Iowa offered freedom and prosperity to the Irish fleeing famine and poverty They became the second largest immigrant group to come to the state and they acquired influence well beyond their numbers The first hospitals schools and asylums in the area were established by Irish nuns Irish laborers laid the tracks and ran the trains that transported crops to market Kate Shelley became a national heroine when she saved a passenger train from plunging off a bridge The Sullivan family became the symbol of sacrifice

when they lost their five sons in World War II Author Timothy Walch details these stories and more on the history and influence of the Irish in the Heartland

Hard Facts Philip Fisher,1986-08-07 American culture has often been described in terms of paradigmatic images the wilderness the Jeffersonian landscape of family farms the great industrial cities at the turn of the 19th century But underlying these cultural ideals are less happy paradoxes Settling the land meant banishing the Indians and destroying the wilderness Jeffersonian landscapes were created with the help of the new country s enslaved citizens and economic opportunities in the cities were purchased at the high price of self commercialization In this study of the popular 19th and early 20th century American novel Philip Fisher demonstrates how such works as Dreiser s *Sister Carrie* and An American Tragedy Stowe s *Uncle Tom s Cabin* and Cooper s *The Deerslayer* worked to make these three hard facts of the 19th century American experience familiar and tolerable or familiar and intolerable to their wide audience of readers His perceptive analysis proves that the most important cultural work was accomplished not by novels generally taken to be at the core of the American literary canon those of Hawthorne Melville or Twain but rather by books which never abandoned the ambition to be widely read

Books Ireland ,1994

Admonitions on Governing the People Yagyong Chong,2010-08-15 This is the first English translation of one of Korea s most celebrated historical works a pre modern classic so well known to Koreans that it has inspired contemporary literature and television Written in 1821 by Chong Yagyong Tasan *Admonitions on Governing the People* Mongmin simso is a detailed manual for district magistrates on how to govern better In encyclopedic fashion Chong Yagyong addresses the administration social and economic life criminal justice the military and the Confucian ritual system He provides examples of past corrupt officials and discusses topics of the day such as famine relief and social welfare A general call for overhauling the Korean ruling system the book also makes the radical proposition that the purpose of government is to serve the interests of the people This long awaited translation opens a new window on early nineteenth century Korea and makes available to a wide audience a work whose main concerns simultaneously transcend national and cultural boundaries

The Irishman in Canada Nicholas Flood Davin,1877 *Speeches and Writings of the Honourable Sir Pherozeshah M. Mehta* Pherozeshah Mehta,1905

North Korea Heonik Kwon,Byung-Ho Chung,2012-03-12 This timely pathbreaking study of North Korea s political history and culture sheds invaluable light on the country s unique leadership continuity and succession Leading scholars Heonik Kwon and Byung Ho Chung begin by tracing Kim Il Sung s rise to power during the Cold War They show how his successor his eldest son Kim Jong Il sponsored the production of revolutionary art to unleash a public political

culture that would consolidate Kim's charismatic power and his own hereditary authority. The result was the birth of a powerful modern theater state that sustains North Korean leaders' sovereignty now to a third generation. In defiance of the instability to which so many revolutionary states eventually succumb, the durability of charismatic politics in North Korea defines its exceptional place in modern history. Kwon and Chung make an innovative contribution to comparative socialism and postsocialism as well as to the anthropology of the state. Their pioneering work is essential for all readers interested in understanding North Korea's past and future, the destiny of charismatic power in modern politics, the role of art in enabling this power.

Your dreaming life: How to understand ten thousand human dreams Gustavus Miller, 2017-11-12. The original guide to how to interpret your dreaming self, covering ten thousand common dreams. Indispensable, revelatory, sometimes shocking, often consoling, a guide to your deeper self. The source of the dream interpretation books circulating today, but fuller than most.

Light, Freedom and Song David Pierce, 2005-01-01. In this absorbing analysis of modern Irish writing, an acknowledged expert considers the hybrid character of modern Irish writing to show how language, culture, and history have been affected by the colonial encounter between Ireland and Britain. Examining the great themes of loss and struggle, David Pierce traces the impact on Irish writing of the Great Famine and cultural nationalism and considers the way the work of Ireland's two leading writers, W. B. Yeats and James Joyce, complicate and elucidate our view of the harp and the crown. The book draws a contrast between the West of Ireland in the 1930s, when the new Irish State enjoyed its first full independent decade, and the North of Ireland in the 1980s, when the spectre of British imperialism threatened the stability of Ireland. Pierce then surveys contemporary Irish writing and reflects on the legacy of the colonial encounter and on the passage to a postmodern or postnationalist Ireland in the work of such crucial living writers as John Banville, Derek Mahon, and John McGahern.

Handy Dictionary of Poetical Quotations Various, 2025-01-01. *Handy Dictionary of Poetical Quotations* by Various is a treasure trove of the finest poetic expressions ever penned, offering readers a curated selection of memorable lines and verses that span centuries.
