Mochel,2013-09-26 The first part of the story explains how Virgil's ancestors from Europe all arrived at that small region called Woodland Indiana Emphasis is on what was going on in that part of each ones world to cause them to migrate to this country and eventually to that spot in Indiana Wars religious intolerance and decisions by the various kings or queens were the driving forces that caused so many to leave their homelands and look for better conditions Life on a farm during the Great Depression and World War II is described in some detail The emotional devastation upon learning of the deaths of two brothers in that war took a heavy toll on the Mochel Family The second part deals with the many varied experiences of Virgil and Marian as they traveled their life journey together up to the present time *Carting with Your Dog* Laura Waldbaum,2011-03 Don t put the dog before the cart until he is trained Many people love the idea of being able to hitch their dogs to a cart and have them pull the kids around the yard or in a parade Or they have a breed of dog that has been bred to work as a draft dog and are interested in participating in competitions held by clubs around the country that test both dog and handler s skill pulling a cart While this may seem simple training a dog to willingly and safely do the work to pull a cart actually involves a lot of learning and effort

on the part of both the dog and the handler In this new book author Laura Waldbaum will teach you what you and your dog need to know to help develop a happy draft dog You will learn The skills your dog needs to learn before he is introduced to the cart including attention how to stop go go faster and how to back up All about the equipment you will need including a variety of harnesses and carts and how to acclimate your dog to the equipment The training required based on what your interest in carting from pulling a wagon around the backyard to participating in parades to formal competitions What you need to know about draft dog competitions including what to expect the skills you need to master and how to troubleshoot problem areas What dog trainers are saying about Carting with Your Dog Carting with Your Dog is an excellent beginning tool to use in the carting arena Laura has done a very good job of spelling out the basics and offering helpful and informative ideas on how to make drafting a success for you and your dog from the beginning all the way through to entering a draft test The book shows you what basic skills are needed and how to expand those skills to enjoy a successful carting experience Valerie Horney Bernese Mountain Dog Club of America President and Draft Judge A wonderful clear and useful resource I love the focus on increasing the dog s desire and enthusiasm for this work through carefully planned steps based on positive reinforcement This book is full of great training ideas and advice [All About Bernese Mountain Dog Puppies](#) , [Golden Retrievers](#) Elana Rose,2015-09-30 Books in the A Practical Guide for Owners and Breeders series explore in detail all aspects of owning and caring for individual breeds of dog Written in an accessible style this book focuses on providing practical information about caring for your Golden Retriever and will be an essential resource for all dog owners and professionals Topics covered include the Breed standard choosing a puppy or rescue dog care at every stage of life puppy through to elderly dog diet and training healthcare and breed specific health issues breeding and whelping and showing This practical guide to caring for your Golden Retriever is fully illustrated with 150 colour photographs *American Poultry Advocate* ,1920
