

Farming *the* Cutover

A SOCIAL HISTORY OF NORTHERN WISCONSIN, 1900-1940

Robert Gough

Farming The Cutover A Social History Of Northern Wisconsin 1900 194

George William Hill, Ronald A. Smith, University of Wisconsin--Madison. Agricultural Experiment Station

Farming The Cutover A Social History Of Northern Wisconsin 1900 194:

Farming the Cutover Robert J. Gough, 1997 *Farming the Cutover* describes the visions and accomplishments of these settlers from their perspective. People of the cutover managed to forge lives relatively independent of market pressures and for this they were characterized as backward by outsiders and their part of the state was seen as a hideout for organized crime figures. State and federal planners, county agents and agriculture professors eventually determined that the cutover could be engineered by professional and academic expertise into a Progressive social model and the lives of its inhabitants improved. By 1940 they had begun to implement public policies that discouraged farming and they eventually decided that the region should be depopulated and the forests replanted. By exploring the history of an eighteen county region, Robert Gough illustrates the travails of farming in marginal areas. He juxtaposes the social history of the farmers with the opinions and programs of the experts who sought to improve the region. Significantly, what occurred in the Wisconsin cutover anticipated the sweeping changes that transformed American agriculture after World War II.

The Countryside in the Age of the Modern State Catherine McNicol Stock, Robert D. Johnston, 2001 This book moves rural history into explorations of modern politics, diverse rural peoples and their complex relationships to the American state in the twentieth century.

Hinterland Dreams Eric J. Morser, 2011-11-29 In the 1840s La Crosse, Wisconsin was barely more than a trading post nestled on the banks of the Mississippi River. But by 1900 the sleepy frontier town had become a thriving city. *Hinterland Dreams* tracks the growth of this community and shows that government institutions and policies were as important as landscapes and urban boosters in determining the small Midwestern city's success. The businessmen and women of La Crosse worked hard to attract government support during the nineteenth century. Federal, state and municipal officials passed laws, issued rulings, provided resources, vested aldermen with financial and regulatory power and created a lasting legal foundation that transformed the city and its economy. As historian Eric J. Morser demonstrates, the development of La Crosse and other small cities linked rural people to the wider world and provided large cities like Chicago with the lumber and other raw materials needed to grow even larger. He emphasizes the role of these municipalities as well as their relationship to all levels of government in the life of an industrializing nation. Punctuated with intriguing portraits of La Crosse's early citizens, *Hinterland Dreams* suggests a new way to understand the Midwest's urban past, one that has its roots in the small but vibrant cities that dotted the landscape. By mapping the richly textured political economy of La Crosse before 1900, the book highlights how the American state provided hinterland Midwesterners with potent tools to build cities and help define their region's history in profound and lasting ways.

North Woods River Eileen M. McMahon, Theodore J.

Karamanski, 2009-10-20 The St. Croix River, the free flowing boundary between Wisconsin and Minnesota, is a federally protected National Scenic Riverway. The area's first recorded human inhabitants were the Dakota Indians whose lands were transformed by fur trade empires and the loggers who called it the river of pine. A patchwork of farms cultivated by

immigrants from many countries followed the cutover forests Today the St Croix River Valley is a tourist haven in the land of sky blue waters and a peaceful escape for residents of the bustling Minneapolis St Paul metropolitan region North Woods River is a thoughtful biography of the river over the course of more than three hundred years Eileen McMahon and Theodore Karamanski track the river's social and environmental transformation as newcomers changed the river basin and in turn were changed by it The history of the St Croix revealed here offers larger lessons about the future management of beautiful and fragile wild waters Annals of Iowa ,2000 **Manufacturing Pioneers** Eric J. Morser,2002 **Bibliography of Agriculture** ,1997 **Bibliography of Agriculture with Subject Index** ,1997 **North American Forest and Conservation History** Ronald J. Fahl,Forest History Society,1977 Ronald J Fahl has compiled a milestone reference work one that offers historians and other interested scholars for the first time a reliable and comprehensive access to the widely scattered written materials that reveal the history of forestry forest conservation and forest industry in the United States and Canada Sponsored by the Forest History Society and funded in part by a major grant from the National Endowment for the Humanities this volume covers published scholarly books and writings from many sources containing significant historical matter including lumber trade journals professional forestry journals conservation magazines government publications state and local histories autobiographies and oral history interviews *Comprehensive Dissertation Index* ,1984 Vols for 1973 include the following subject areas Biological sciences Agriculture Chemistry Environmental sciences Health sciences Engineering Mathematics and statistics Earth sciences Physics Education Psychology Sociology Anthropology History Law political science Business economics Geography regional planning Language literature Fine arts Library information science Mass communications Music Philosophy and Religion Arts & Humanities Citation Index ,1975 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world's leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals

Farming the Cutover James I. Clark,1956 **Framing the Cutover** James I. Clark,2017-10-28 Excerpt from Framing the Cutover The Settlement of Northern Wisconsin Ed L Peet in his Grantsburg Journal of Burnett County had objected to reforestation as early as 1903 Ten years later two Rhinelander papers the News and the New North led the attack on Griffith and his ideas Newspapers of other northern counties joined in and the debate pro and con forestry and agriculture became quite general In February 1912 the New North prefaced an anti forestry letter with It is gratifying to know that the people of Rhinelander are even at this late day awakening to the need of developing agricultural resources of Oneida County The letter writer claimed the soil was rich and excellent for farming He pointed out that state owned forest reserves reduced local tax income Counties should elect representatives to the legislature who would insist on selling the land to settlers About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally

Farming The Cutover A Social History Of Northern Wisconsin 1900 194 Introduction

In today's digital age, the availability of Farming The Cutover A Social History Of Northern Wisconsin 1900 194 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Farming The Cutover A Social History Of Northern Wisconsin 1900 194 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Farming The Cutover A Social History Of Northern Wisconsin 1900 194 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Farming The Cutover A Social History Of Northern Wisconsin 1900 194 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Farming The Cutover A Social History Of Northern Wisconsin 1900 194 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Farming The Cutover A Social History Of Northern Wisconsin 1900 194 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Farming The Cutover A Social History Of Northern Wisconsin 1900 194 books and manuals is Open

Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Farming The Cutover A Social History Of Northern Wisconsin 1900 194 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Farming The Cutover A Social History Of Northern Wisconsin 1900 194 books and manuals for download and embark on your journey of knowledge?
