of hierarchy and subordination oppression of women and an embrace of violence and war as virtues Publishers Weekly

Jews in Southern Tuscany during the Holocaust Judith Roumani,2020-12-02 The province of Grosseto in southern Tuscany shows two extremes in the treatment of Italian and foreign Jews during the Holocaust To the east of the province the Jews of Pitigliano a four hundred year old community were hidden for almost a year by sympathetic farmers in barns and caves None of those in hiding were arrested and all survived the Fascist hunt for Jews In the west near the provincial capital of Grosseto almost a hundred Italian and foreign Jews were imprisoned in 1943 1944 in the bishop s seminary which he had rented to the Fascists for that purpose About half of them though they had thought that the bishop would protect them were deported with his knowledge by Fascists and Nazis to Auschwitz Thus the Holocaust reached into this provincial corner as it did into all parts of Italy still under Italian Fascist control This book is based on new interviews and research in local and national archives

The Struggle for Development and Democracy: A General Theory Alessandro Olsaretti,2023-03-13 In *The Struggle for Development and Democracy* Alessandro Olsaretti argues that we need significantly new theories of development and democracy to answer the problem posed by neoliberalism and the populist backlash namely uneven development and divisive politics heightened by the 9 11 attacks This volume proposes a general theory of development and democracy as part of a unified theory of power emphasizing that development needs markets civil society and the state and also the proper networks and interactions amongst markets civil society and the state Imperialism undermines these interactions and turns countries into providers of cheap land or labour This book begins to sketch the mechanisms at work and to answer one question how did imperialist elites build their power All royalties from sales of this volume will go to GiveWell org in honour of Alessandro Olsaretti s memory
