Fashion Clabics From Carlyle To Barthes

Eric Silverman

Fashion Classics From Carlyle To Barthes:

Fashion Classics from Carlyle to Barthes Michael Carter, 2003-03-01 With so much focus on contemporary theory it is easy to forget that the serious analysis of clothing and fashion has a long history In fact they have been the subject of intense cultural debate since the nineteenth century Fashion Classics provides an interpretative overview of the groundbreaking and often idiosyncratic writings of eight theorists whose work has profoundly influenced the conceptual and theoretical basis of our contemporary understanding of clothes and the fashion system Carter fully revives early fashion theorists some canonical and others less well known and examines them in light of more recent work From Carlyles fantastical character Professor Teufelsdröckh through the first Freudian analysis of clothes by J C Flugel the pioneering work of Spencer Veblen Simmel Kroeber Laver and finally Barthes monumental work on the modern fashion system this book explores and explains the foundations of fashion theory Not only does it provide an historical outline of Western conceptions of clothes and fashion but it also highlights how ideas intermix and build on one another Carters lively narrative clearly shows that views on fashion have always been impassioned perhaps most notably Carlyles notorious attack on Dandyism and Veblens suggestion that clothes should be made out of old newspaper This book also makes sense of complex theory and is essential reading for anyone seeking an overview of the history of fashion theory

Body, Dress, and Identity in Ancient Greece Mireille M. Lee, 2015-01-12 This is the first general monograph on ancient Greek dress in English to be published in more than a century By applying modern dress theory to the ancient evidence this book reconstructs the social meanings attached to the dressed body in ancient Greece Whereas many scholars have focused on individual aspects of ancient Greek dress from the perspectives of literary visual and archaeological sources this volume synthesizes the diverse evidence and offers fresh insights into this essential aspect of ancient society Intended to be accessible to nonspecialists as well as classicists and students as well as academic professionals this book will find a wide audience

The Aesthetic Economy of Fashion Joanne Entwistle, 2009-10-01 Fashion is bound up with promoting the new concerned with constantly changing aesthetics The favoured styles or looks of a season arise out of the work of a vast range of different actors who collectively produce select distribute and promote the new ideals before moving on to next season How then are fashionable commodities stabilized long enough for them to be selected distributed and sold Since there are few studies that actually examine the work that goes on inside the world of fashion we know little about these processes This book addresses this gap in our knowledge by examining how aesthetic products are defined distributed and valued It focuses attention on the work of some of the market agents particularly model agents or bookers and fashion buyers shaping the aesthetics inside their markets In analysing their work Entwistle develops a theoretical framework for understanding the distinctive features of aesthetic marketplaces and the aesthetic calculations within them

Fashion and Jazz Alphonso McClendon, 2015-01-29 Born in the late 19th century jazz gained mainstream popularity during a volatile period of racial segregation and gender inequality It was in these adverse

conditions that jazz performers discovered the power of dress as a visual tool used to defy mainstream societal constructs shaping a new fashion and style aesthetic Fashion and Jazz is the first study to identify the behaviours signs and meanings that defined this newly evolving subculture Drawing on fashion studies and cultural theory the book provides an in depth analysis of the social and political entanglements of jazz and dress with individual chapters exploring key themes such as race class and gender Including a wide variety of case studies ranging from Billie Holiday and Ella Fitzgerald to Louis Armstrong and Chet Baker it presents a critical and cultural analysis of jazz performers as modern icons of fashion and popular style Addressing a number of previously underexplored areas of jazz culture such as modern dandyism and the link between drug use and glamorous dress Fashion and Jazz provides a fascinating history of fashion s dialogue with African American art and style It is essential reading for students of fashion cultural studies African American studies and history

Dress, Fashion and Technology Phyllis G. Tortora, 2015-02-26 Technology has been an essential factor in the production of dress and the cultures of fashion throughout human history Structured chronologically from prehistory to the present day this is the first broad study of the complex relationship between dress and technology Over the course of human history dress making and fashion technology has changed beyond recognition from needles and human hands in the ancient world to complex 20th century textile production machines it has now come to include the technologies that influence dress styles and the fashion industry while fashion itself may drive aspects of technology In the last century new technologies such as the electronic media and high tech manufacturing have helped not just to produce but to define fashion the creation of automobiles prompted a decline in long skirts for women while the beginnings of space travel caused people to radically rethink the function of dress In many ways technology has itself created avant garde and contemporary fashions Through an impressive range of international case studies the book challenges the perception that fashion is unique to western dress and outlines the many ways in which dress and technology intersect Dress Fashion and Technology is ideal reading for students and scholars of fashion studies textile history anthropology and cultural studies

Political and sartorial styles Kevin A. Morrison, 2023-02-14 Starting with the premise that clothing is political and that analysing clothing can enhance understanding of political style this collection explores the relationships among political theory dress and self presentation during a period in which imperial and colonial empires assumed their modern form Organised under three thematic clusters the volume s chapters range from an analysis of the uniforms worn by West India regiments stationed in the Caribbean to the smock frock donned by rural agricultural labourers and from the self presentations of members of parliament political thinkers and imperial administrators to the dress of characters and caricatures in novels paintings and political cartoon With its interdisciplinary approach the book will appeal to nineteenth century cultural and social historians and literary critics as well as advanced undergraduate and postgraduate students whose research and teaching interests include gender politics material culture and imperialism

Changing Fashion Annette Lynch, Mitchell Strauss, 2007-09-15 Fashion change in the

new millenium an introduction Fashion and the self Fashion change as a search for meaning Fashion as collective behavior Style the endless desire for a new look Fashion as performance The Onondaga Silk Company s American artist print series of 1947 Millennium dress history artifacts as harbingers of change Fashion change binding the threads together **The Significance of Fabrics in the Writings of Elizabeth Gaskell** Amanda Ford,2022-12-30 Elizabeth Gaskell s writings abound in references to a cultural materiality encompassing different types of fabric stuffs calicoes chintzes and fine point lace These are not merely the motifs of the Realist genre but reveal a complex polysemy Utilizing a metonymic examination of these tropes this volume exposes the dramatic structural and socio economic upheaval generated by industrialization urbanization and the widening sphere of empire The material evidence testifies to the technological and production innovations evolving diachronically for the period and the evolution of Manchester as the industrial Cottonpolis that clothed the world by the 1840s This volume analyses Gaskell s manipulation of the materiality arguing its firm roots lie in the quotidian of women s domestic and provincial life within the growing ranks of the middle classes Exploring Gaskell s tactile imagination an embodied relationship with fabrics and sewing a function of her daily life from an early age this volume provides insight into the sensory aspects of cloth and its ability to stir affective responses emotions and memories whereby worn fabrics and even the absence of previous textile treasures is poignant recreating layers of recollection This book aims to restore the pulsating dynamic context of ordinary women s dressed lives and presents innovative interpretations of Gaskell s texts Doing Research in Fashion and Dress Yuniya Kawamura,2011-03-15 Provides readers with a guided introduction to the key qualitative methodological approaches and shows students how to do research by combining theoretical and practical perspectives **Routledge Handbook of Sustainability and Fashion** Kate Fletcher,Mathilda Tham,2014-08-21 The clothing industry employs 25 million people globally contributing to many livelihoods and the prosperity of communities to women s independence and the establishment of significant infrastructures in poorer countries Yet the fashion industry is also a significant contributor to the degradation of natural systems with the associated environmental footprint of clothing high in comparison with other products Routledge Handbook of Sustainability and Fashion recognizes the complexity of aligning fashion with sustainability It explores fashion and sustainability at the levels of products processes and paradigms and takes a truly multi disciplinary approach to critically question and suggest creative responses to issues of Fashion in a post growth society Fashion diversity and equity Fashion fluidity and balance across natural social and economic systems This handbook is a unique resource for a wide range of scholars and students in the social sciences arts and humanities interested in sustainability and fashion **The Geographies of Fashion** Louise Crewe,2017-03-23 Clothes are inherently geographical objects yet few of us consider the social and economic significance of their journey from design to production to consumption The Geographies of Fashion is the first in depth study of fashion economies from a geographer s perspective exploring the complex relationship between our attachment to the clothes we own love and desire and their geographic and

economic ties How far does a garment physically travel from factory to wardrobe How do clothes come to have social or economic value and who or what creates it What are the geographies of fashion and how do they interact with one another This ground breaking book powerfully reframes fashion spaces from the body to the city digital or virtual space to material production positioning fashion at the centre of contemporary culture and collective identities Combining contemporary theoretical approaches with a cutting edge analysis of international fashion brands and institutions including Maison Martin Margiela Zara Louis Vuitton ASOS and Savile Row The Geographies of Fashion is essential reading for students of fashion geography and related disciplines including sociology architecture and design

In Fashion: Culture, Commerce, Craft, and Identity, 2022-01-10 For the contributors to In Fashion Culture Commerce Craft and Identity being in fashion is about self presentation defining how fashion is presented in the visual written and performing arts and about design craft manufacturing packaging marketing and archives The book s international cast of authors engage in fashion from various disciplinary professional and creative perspectives i e anthropology archaeology art history cultural studies design environmental studies fashion studies history international relations literature marketing philosophy sociology technology and theatre In Fashion has five sections Fashioning Representations Texts Images and Performances Fashionable Shopping Luxury and Vintage Fashion s Materials Craft Industry and Innovation Museum Worthy Fashion and the Archive Fashioning Cultural Identities Case Studies

DIY Style Brent Luvaas, 2013-07-18 Armed with cheap digital technologies and a fiercely independent spirit millions of young people from around the world have taken cultural production into their own hands crafting their own clothing lines launching their own record labels and forging a vast collaborative network of impassioned amateurs more interested in making than consuming DIY Style tells the story of this international do it yourself DIY movement through a major case study of one of its biggest but least known contingents the indie music and fashion scene of the predominantly Muslim Southeast Asian island nation of Indonesia Through rich ethnographic detail in depth historical analysis and cutting edge social theory the book chronicles the rise of DIY culture in Indonesia and also explores the phenomenon in Europe and the United States painting an evocative portrait of vibrant communities who are not only making and distributing popular culture on their own terms but working to tear down the barriers between production and consumption third and first world global and local What emerges from the book is a cautiously optimistic view of the future of global capitalism a creative collectivist alternative built from the ground up This exciting and original study is essential reading for students and scholars of anthropology fashion media studies cultural studies and sociology

Fashioning Memory Heike Jenss, 2015-10-22 The valuing of old clothes as vintage and the recollection of the sartorial past whether through second hand consumption or the wearing of new old fashioned clothes has become a widespread phenomenon This book illuminates sartorial and bodily engagements with memory and time through the temporal and nostalgic potency of fashion and what this means for contemporary wearers Based on in depth ethnographic research including participant

observation and interviews with sixties enthusiasts in Germany who relocate British mod style into the twenty first century Jenss examines the practices and experiences that are part of the sartorial remembering of the sixties from hunting flea markets and eBay to the affect of material and mediated memories on vintage wearers Jenss offers unique insights into the fashioning of time cultural memory and modernity tracing the history and current appeal of vintage in fashion and youth culture and asking what kind of experiences of temporality and memory are enacted through fashion How have evaluations of second hand clothes shifted in the twentieth century Fashioning Memory provides a unique insight into the diverse use of fashion as a memory mode and asks how style is remembered performed transformed and reinvested across time place and generation

Women's Literary Portraits in the Victorian and Neo-Victorian Novel Aleksandra Tryniecka, 2023-01-10 Women's Literary Portraits in the Victorian and Neo-Victorian Novel is a dialogical and intertextual journey through the pages of nineteenth century novels and their modern revisionary counterparts It is the book not only dedicated to the readers associated with academia but also to all literature enthusiasts students of literature and those readers who are fascinated by the Victorian novel as well as by its current neo Victorian revival The focus of this work revolves around the literary portrayals of Victorian and neo Victorian women who as the authoress believes are located in the centre of socio cultural and historical narratives shaping both the past and the present Nineteenth century narratives concerning women's placement and status in the Victorian social landscape are currently revived on the pages of neo Victorian novels thus attesting to the unceasing interest in the bygone While neo Victorian revisionary fiction endows nineteenth century women with a redemptive potential it also exposes modern paradoxes and ambiguities connected with universal expectations towards women what further approximates our contemporaneity to the Victorian past While examining these socio cultural ambivalences the authoress celebrates Victorian and neo Victorian women characters in their attempts to thrive as individuals Consequently the book studies Victorian and neo Victorian women characters in relation to their identities unique voices and textual garments

Vampire Culture Maria Mellins, 2013-08-01 Unique and exciting this ethnographic study is the first to address a little known subculture which holds a fascination for many The first decade of the twenty first century has displayed an ever increasing fixation with vampires from the recent spate of phenomenally successful books films and television programmes to the return of vampire like style on the catwalk Amidst this hype there exists a small dedicated community that has been celebrating their interest in the vampire since the early 1990s The London vampire subculture is an alternative lifestyle community of people from all walks of life and all ages from train drivers to university lecturers who organise events such as fang fittings gothic belly dancing late night graveyard walks and carve your own tombstone Mellins presents an extraordinary account of this fascinating subculture which is largely unknown to most people Through case study analysis of the female participants Vampire Culture investigates women's longstanding love affair with the undead and asks how this fascination impacts on their lives from fiction to fashion Vampire Culture includes photography from community

member and professional photographer SoulStealer and is an essential read for students and scholars of gender film television media fashion culture sociology and research methods as well as anyone with an interest in vampires style subcultures and the gothic

A Cultural History of Jewish Dress Eric Silverman, 2013-08-29 A Cultural History of Jewish Dress is the first comprehensive account of how Jews have been distinguished by their appearance from Ancient Israel to the present For centuries Jews have dressed in distinctive ways to communicate their devotion to God their religious identity and the proper earthly roles of men and women This lively work explores the rich history of Jewish dress examining how Jews and non Jews alike debated and legislated Jewish attire in different places as well as outlining the big debates on dress within the Jewish community today Focusing on tensions over gender ethnic identity and assimilation each chapter discusses the meaning and symbolism of a specific era or type of Jewish dress What were biblical and rabbinic fashions Why was clothing so important to immigrant Jews in America Why do Hassidic Jews wear black When did yarmulkes become bar mitzvah souvenirs The book also offers the first analysis of how young Jewish adults today announce on caps shirts and even undergarments their striving to transform Jewishness from a religious and historical heritage into an ethnic identity that is hip racy and irreverent Fascinating and accessibly written A Cultural History of Jewish Dress will appeal to anybody interested in the central role of clothing in defining Jewish identity

Porn Chic Annette Lynch, 2013-08-15 The mainstreaming of pornographic imagery into fashion and popular culture at the turn of the millennium in Britain and the US signalled a dramatic cultural shift in construction of both femininity and masculinity For men and women raunch became the new cool This engaging book draws from a diverse range of examples including film popular tabloids campus culture mass media marketing campaigns facebook profiles and art exhibits to explore expressions and meanings of porn chic Bringing a cultural and feminist lens to the material this book challenges the reader to question the sexual agency of the 12 year old girl dressed to seduce in fashions inspired by Katie Price the college co ed flashing her breasts for a film maker during Spring break and the waitress making her customer happy with chicken wings and a nice set of Hooters Further it explores the raunchy bad boys being paid handsomely to tell the world about their sexual exploits online on film and in popular press bestsellers The book also contains thought provoking artwork by Nicola Bockelmann which focuses on the permeable border between pornography and mainstream culture and urges viewers to question everyday explicitness Balancing a popular culture approach and a strong analytic lens Porn Chic will engage a wide audience of readers interested in popular culture fashion and gender studies

John Ruskin and the Fabric of Architecture Anuradha Chatterjee, 2017-10-02 Through the theoretical lenses of dress studies gender science and visual studies this volume analyses the impact John Ruskin has had on architecture throughout the nineteenth and twentieth centuries It explores Ruskin s different ideologies such as the adorned wall veil which were instrumental in bringing focus to structures that were previously unconsidered John Ruskin and the Fabric of Architecture examines the ways in which Ruskin perceives the evolution of architecture through the idea that

architecture is surface The creative act in architecture analogous to the divine act of creation was viewed as a form of dressing By adding highly aesthetic features to designs taking inspiration from the veil of women s clothing Ruskin believed that buildings could be transformed into meaningful architecture This volume discusses the importance of Ruskin s surface theory and the myth of feminine architecture and additionally presents a competing theory of textile analogy in architecture based on morality and gender to counter Gottfried Semper s historicist perspective This book would be beneficial to students and academics of architectural history and theory gender studies and visual studies who wish to delve into Ruskin s theories and to further understand his capacity for thinking beyond the historical methods The book will also be of interest to architectural practitioners particularly Ruskin s theory of surface architecture [A Companion to Photography](#) Stephen Bull,2020-02-03 The study of photography has never been more important A look at today s digital world reveals that a greater number of photographs are being taken each day than at any other moment in history Countless photographs are disseminated instantly online and more and more photographic images are earning prominent positions and garnering record prices in the rarefied realm of top art galleries Reflecting this dramatic increase in all things photographic [A Companion to Photography](#) presents a comprehensive collection of original essays that explore a variety of key areas of current debate around the state of photography in the twenty first century Essays are grouped and organized in themed sections including photographic interpretation markets popular photography documents and fine art and provide comprehensive coverage of the subject Representing a diversity of approaches essays are written by both established and emerging photographers and scholars as well as various experts in their respective areas [A Companion to Photography](#) offers scholars and professional photographers alike an essential and up to date resource that brings the study of contemporary photography into clear focus
