First And Second Thessalonians:

Sacra Pagina: First and Second Thessalonians Earl J. Richard, 2021-03-04 The letters First and Second Thessalonians are traditionally associated with the Pauline foundation of the Macedonian Church at Thessalonica The first is seen as representing Paul's earliest epistolary efforts and as providing two successive moments in his long relationship as advisor to that community Soon after leaving the area for the southern province of Achaia Paul addresses the concerns of the new Gentile converts and at a later period responds more directly to queries received from the thriving and successful community The second document written in Paul's name and at a later date attempts to calm the apocalyptic fervor of the community by reiterating its traditional eschatological and Christological teaching After treating these introductory matters this study provides a new translation of each section of the canonical text explains in notes the pertinent textual and linguistic features of the text and then offers in a series of interpretive messages a literary rhetorical and thematic analysis of the biblical documents The constant concern of this commentary is to provide assistance to modern readers in discerning the relationship between the authors and their intended readers Short bibliographies suggest other important modern studies

The First and Second Letters to the Thessalonians Gordon D. Fee, 2009-07-10 In this commentary Gordon Fee aims first and foremost to offer a fresh exposition of the text of 1 and 2 Thessalonians He shows the reader what is in the biblical text what the text meant in the first century and what it means now Fee reveals the logic of each argument or narrative before moving on to the details of each verse and he concludes each section with a theological practical reflection on the meaning of the text today Among other things Fee explores the occasion for writing for each epistle restoring 2 Thessalonians to the place it deserves as a full companion to the first letter rather than merely a tagalong to 1 Thessalonians [First and Second Thessalonians \(Catholic Commentary on Sacred Scripture\)](#) Nathan

First and Second Thessalonians Jim Phillips,2020-08-12 First and Second Thessalonians are two of the first epistles the apostle Paul the apostle of the Gentiles wrote to the body of Christ along with Galatians These two books have a lot to say about the return of Christ for the body of Christ at the catching up of the saints A K A the Rapture as well as the revelation of Jesus Christ when he returns to set up his kingdom These books were written to stave off the satanic attacks on God s word by those who make Israel and the Church the same entity when they are not Israel was under the law of Moses

while the body of Christ is under grace The last event in this present dispensation of grace is the rapture catching away of the body of Christ 1st Thessalonians 5 9 For God hath not appointed us to wrath but to obtain salvation by our Lord Jesus Christ *True Bible Study* Maura K. Hill,2015 As one of a series of outstanding studies into the truth of the Word of God this book First and Second Thessalonians provides details of two letters that the Apostle Paul wrote expounding the great hope of the coming of the Lord Jesus Christ to gather all Christians together with him information about what will occur after that event and many truths on how to live today as we await his return from heaven It also contains a new translation by Maura K Hill from the Greek papyri and texts of the Bible It is one of the best translations in the world today and is ideal for use as a companion to alternative translations and studies By providing this exciting and inspirational understanding of the Scriptures Maura gives us a true Bible study that makes known God s Will for our lives with the opportunity to be saved to come to a full knowledge of the truth and to live in accordance with God s intention **Hope in a Chaotic World** Ray C. Stedman,2016-11-28 It s a challenge to live in a world filled with so many problems and temptations But know that you are not alone The believers in first century Thessalonica faced many of the same issues we do They were persecuted discouraged and tempted to compromise with the culture around them The apostle Paul wrote to the Thessalonians to encourage their hearts and plead with them to remain faithful to what they had been taught Now Ray Stedman walks you through 1 and 2 Thessalonians to encourage you to hold firm to Christ s teachings until He comes again This book was previously published as *Waiting for the Second Coming* *First & Second Thessalonians- Everyman's Bible Commentary* Charles C. Ryrie,2001-01-01 Designed for laypeople these commentaries deal seriously with the biblical text without being overly technical Introductory information doctrinal themes problem passages and practical applications are examined *First & Second Thessalonians - Hamilton Smith* Hamilton Smith,2015-04-04 Hamilton Smith is well known for his concise easy to read Christ centered commentaries This little work on the two epistles to the Thessalonians is no exception In connection with First and Second Thessalonians the author has written that In the different epistles God has made rich provision of spiritual food suitable for every stage of Christian growth The Thessalonian Epistles were written to the young in the faith Thus we do not find unfolding of the counsels of God or of the Mystery of the Church as in the Ephesians and Colossians In both epistles the apostle rather focuses on the subject of the Lord s coming In the First Epistle the subjects of faith love and hope are brought before us The apostle comforts these new believers in revealing the truth of the coming of the Lord for His saints In the Second Epistle Paul exposes the error that the Day of the Lord had already arrived and foretells the apostasy of Christendom and the manifestation of the man of sin Both epistles close with practical exhortations connected with the walk of the believers as they wait for the coming of the Lord We highly recommend this commentary for both new and older believers alike **Communicator's Commentary** Gary W. Demarest,1991-05 **Forensic Language and the Day of the Lord Motif in Second Thessalonians 1 and the Effects on the Meaning of the Text** Matthew D. Aernie,2011-09-16 In

this book Matthew Aernie argues that Paul intentionally used forensic language allusions and idioms throughout 2 Thessalonians 1 in order to encourage the persecuted church to remain steadfast as they waited for their vindication at the final assize To support this thesis Aernie suggests that such judicial language and allusions are intertextual parallels originating primarily from the Day of the Lord motif found throughout the Old Testament and maintains that the Day of the Lord concept was understood by the author of the Thessalonian correspondence as a reference to the day when the Lord would render righteous verdicts upon those who had both obeyed and disobeyed him Furthermore Aernie argues that the author of 2 Thessalonians likely understood the Day of the Lord to be consummated at the Parousia of Christ when the final court would convene Therefore borrowing from the judicial concept apparent in the Day of the Lord motif Aernie concludes that the author utilized forensic language throughout 2 Thessalonians 1 to exhort the church to remain faithful amidst great opposition as they awaited their ultimate justification at God s eschatological tribunal **First and Second Thessalonians**
