First Half Of My Life:

I Survived the First Half of My Life Lucynda,2009-01-19 Born in a small town in New Hampshire Lucynda had a dream All she ever wanted in life was a little house with a white picket fence four kids and to live happily ever after She married her childhood sweetheart at age nineteen three weeks before he was to leave for Vietnam This book takes the reader down Lucynda s long and very rocky journey of divorce raising a child with his own personal challenges coming very close to committing suicide the bar scene and many very bad choices in men Then on to a second marriage that also fails but not until after encountering a stepchild with many emotional problems an extremely volatile relationship of being emotionally and sexually abused to finally experiencing personal growth peace and a relationship with God This book will make you cry make you laugh and hopefully help you to realize that you don t have to stay in a bad relationship that there is hope for anyone who thinks they can t get out and that you will hopefully learn from her mistakes

The Other Half of Life Dr Pooran Latchman,2015-12-22 Life of a boy who grew up in a situation that provided barely enough of the basic necessities of life With a strongly determined father caring mother and dependable siblings he was able to carve out a life that was fashioned from the dreams he carried in his childhood In his latter life he found himself in a situation that allowed him to go back to his youthful dreams At 62 while still strong and healthy and with the realization that he was no longer tied to any form of obligation towards the world or to anyone else he retired With a determination recaptured from his youth he now wants to probe into the further reaches of his being to see just how far he can go This latter part of life that he could not have foreseen is what he refers to as The Other Half of Life It is to be different from the first half where it had been simply going through the functions of the everydayness of life He now finds himself in a situation that has no constraints and no limitations This awareness of absolute freedom to design his life in whatever way he chooses now engulfs his being and propels him to become that for which he was made to be It had all been laid out in the dreams of his childhood

Falling Upward, Revised and Updated Richard Rohr,2023-11-14 An update to the bestselling *Falling Upward* from Franciscan Father Richard Rohr In the revised and updated edition of *Falling Upward* Richard Rohr seeks to help readers come to terms with the two halves of life In this book Rohr teaches us that we can t understand the meaning of up until we have fallen down More importantly Rohr describes what up can look like in the second half of life Most of us tend to think of the second half of life in chronological terms but this book proposes a different paradigm Spiritual maturity is found when we begin to pay attention and seek integrity through a shift from our outer task to the inner task What looks like falling down can be experienced as falling upward and is not necessarily connected with aging This new edition focuses on practical guidance that you can use to live a life of love and meaning in a world of suffering and challenge *Falling Upward* is an invitation to living the gospel and a call to ongoing transformation Gain a spiritual perspective on the the common sequencing staging and direction of life s arc and learn how to bring forth your gifts in the second half of life Grapple with difficult feelings fears and emotions associated

with great love and great suffering Learn how we grow spiritually much more by doing it wrong than by doing it right Understand why so many of us resist falling into the second half of life Readers of Rohrs previous works and those new to the remarkable teachings of this Franciscan priest will find comfort and inspiration in this guide to lifelong spiritual growth
