First Look Prayer:

Live Prepared! Bob Hofmann, 2011-04-13 Most people spend more time each day preparing to go to bed than they do preparing for the final act of their lives which is death We spend more time figuring out the answers to questions that will be posed by a teacher or boss than we do to the Supreme Judge who will ask for an account of our lives We spend more time worrying and planning for the what ifs in life than we do over the assured events that will happen upon our departure from this life What would happen if we were to spend half the time used preparing for this temporal life to prepare for eternal life This book invites you to prepare for the greatest adventure of all **Welcome to the Book of Common Prayer** Vicki K. Black, 2005-08-01 A guide to a deeper understanding and richer relationship to the Book of Common Prayer and a more profound faith In this guide for newcomers as well as lifelong Episcopalians author Vicki Black helps readers navigate the currents of Anglican liturgy and discover its richness and beauty As we use the Book of Common Prayer Black says we discover we are not alone and this liturgical current of worship prayer and praise will indeed take us where we want to go union with the God we seek to love Welcome to the Book of Common Prayer shows readers everything from where to find the Sunday collect to how to pray the Daily Office But it s more than a how to It offers history and background that help make the prayer book a more meaningful part of the worship life of individuals and congregations With thoughtful reflection questions this is a perfect volume for parish study groups **Approaching God** Christopher Ellis, 2013-01-09 Offers guidelines and a theological framework that embrace the characteristics of evangelical worship suitable for students lay preachers worship teams as well as ordained ministers in evangelical churches *Prayer* Williamson David Williamson, David Williamson, 2010-03 There is more to prayer than meets the eye it can be hard work In *Prayer A Force that Causes Change* author David Williamson analyzes how to pray and what to pray and provides a thorough discussion of prayer and effective faith filled prayers In this his fourth volume Williamson shares a series of articles previously published in the weekly online newsletter Voice of Thanksgiving The articles promote power in prayer prayer that accomplishes God s plans and goals here on earth In this collection Williamson continues with themes leading to power in prayer Partnership of God and man in prayer Dealing with faith killers doubt fear and unbelief Breaking down barriers to prayer Components of effective prayer Breakthrough in prayer The articles in *Prayer A Force that Causes Change* illustrate how a life of effective prayer is one of a close relationship to God and a life filled with answers to prayers Effective prayers can lead to changes in people s lives family church neighborhood cities and nations It shows how prayer opens doors that have previously been closed **The Lord's Prayer (Touchstone Texts)** William M. IV Wright, 2023-02-28 Since the beginning of Christianity the Lord s Prayer has occupied an important place in the lives of Jesus s disciples for it is the prayer Jesus himself taught them Like other biblical prayers the Lord s Prayer contains words people offer to God But since this prayer is from Jesus and is part of Scripture it is also God s Word to people When we say this prayer not only are we speaking to God but God is also speaking

to us Highly regarded New Testament scholar William Wright shows how this classic text can speak afresh to the life of the church today He integrates critical exegesis theological exposition and Christian spirituality to explicate the theological substance of the Lord's Prayer His goal is to help readers come to know God and love God and others more deeply through a focused study of this important Christian prayer The Touchstone Texts series addresses key Bible passages making high quality biblical scholarship accessible to the church The series editor is Stephen B Chapman Duke Divinity School

Impacting Generations Dave Kubal, 2025-05-06 The Body of Christ today doesn't understand a crucial aspect of the Abrahamic covenant we have a calling gifting and command to influence places and people in authority in order to impact culture with Kingdom values Christians are called to bless all nations and we have divine power within us to impact nations The book will address the difference between prayer and intercession as well as the impact of God's permissive and perfect will on how we pray Christians often misunderstand their role in their nation and in impacting the leadership of their nation As a result many Christians have forfeited being salt and light in their culture and nation This is the result of an effective demonic strategy to sideline the Church This book will encourage and empower Christians to fulfill their calling to impact nations
