## **First Swords The Of Swords:**

The First Swords Fred Saberhagen, 1999-01-15 Saberhagen's original trilogy is now collected for the first time in one volume. The gods have given the world 12 Swords of Power so that they might be amused as the nations battle for their possession. But they didn't know that Vulcan gave the Swords the power to kill the gods themselves. **The First Book of Swords** Fred Saberhagen, 2020-02-13 Vulcan the god has a hard task to perform for his bored and restless colleagues: forge 12 magic Swords quenched with human blood and scatter them across the world. Each Sword possesses a different power. With them the gods will play a new grand and glorious Game. Mere humans foolishly striving for dominion, wealth, and glory are invited to risk their puny lives by joining in. Later the gods realize with horror that something has gone wrong in the forging, and with the Game the Swords are much too powerful, controlling chance, enhancing fortune, changing destiny. And lethal even to their divine creators. Jord the Smith, drafted to help Vulcan in his task, loses his right arm in the process, receiving the Sword Townsaver as pay. He is too weak to claim Mala, his bride-to-be, who joins a traditional fertility rite where her partner might be the enigmatic Emperor, his face hidden by a leather mask. Nine months later she gives birth to Mark. Thirteen years pass, then Townsaver wipes out a raiding party of orange-furred warbeasts sent to Mark's village. It falls to Mark to carry the blade away to hide or destroy it. **Girls with Swords** Lisa Bevere, 2014-02-18 A passionate call for Christian women to effectively wield the sword of their God, given feminine strength against any evil that threatens them and those they love. What if you discovered you have been entrusted with an invisible, invincible, and incorruptible weapon? Would you use it? In a day of worldwide trafficking, gendercide, discrimination, and other hostility against women, Lisa Bevere points to a biblical foundation to present a model of feminine strength that will empower women to live confidently. Drawing on the many references to swords throughout Scripture, the author constructs a revealing and compelling female paradigm that will impact every area of a woman's self-identity, spiritual awareness, relationships, and life vision and mission. Long known for her passionate and articulate expression of biblical womanhood, Bevere presents fresh imagery as enticing and strong as polished steel to prepare women boldly for the challenges they face in today's world. It's not enough to just be wise and strong. Now a woman must know how to wield her sword. Creatively forging the imagery of swords, the Word of God, and the Cross, *Girls with Swords* will teach you how to speak the language of heaven on earth. What it means to intercede. What it means to carry your cross. What it means to be discerning. How to disarm the enemy. Why women are the enemy's target and why God needs them to be heroes. It's time to take up your sword and be a hero. **Complete Book of Swords** Fred Saberhagen, 1983
