The First Time Karen Bouris,1995-01-01 This valuable book for teens and their parents offers vivid portraits by 150 women who tell of their first time By sharing their stories they offer a much needed woman s perspective and impart a heartfelt wisdom that can lead to positive healthy discussions of sexuality between parents and teens [The First Time](#)

Karen Bouris,1994-01-01 This valuable book for teens and their parents offers vivid portraits by 150 women who tell of their first time By sharing their stories they offer a much needed woman s perspective and impart a heartfelt wisdom that can lead to positive healthy discussions of sexuality between parents and teens **Everything You Need to Know About Virginity**

Annie Leah Sommers,1999-12-15 Discusses some of the issues surrounding virginity for teens dispels myths about it and suggest ways for youth to express their sexuality [Virginity Lost](#)

Laura Carpenter,2023-11-21 An intimate analysis of the first time Nervous inexperienced confused For most losing your virginity is one of life s most significant moments always to be remembered Of course experiences vary but Laura Carpenter asks Is there an ideal way to lose it What would constitute a positive experience What often compels the big step And further what does going all the way really mean for young gays and lesbians In this first comprehensive study of virginity loss Carpenter teases out the complexities of all things virgin by drawing on interviews with both young men and women who are straight gay or bisexual Virginity Lost offers a rare window into one of life s most intimate and significant sexual moments The stories here are frank poignant and fascinating as Carpenter presents an array of experiences that run the gamut from triumphant to devastating Importantly Carpenter argues that one s experience of virginity loss can have a powerful impact on one s later sexual experiences Especially at a time of increased debate about sexual abstinence versus safe sex education in public schools this important volume will provide essential information about the sex lives of young people *The Teen Survival Guide to Dating and Relating* Annie Fox,2005

A guide for surviving dating and relating to others **Healing Sex** Staci Haines,Felice Newman,2007-11-28 The first encouraging sex positive guide for all women survivors of sexual assault heterosexual bisexual lesbian coupled and single who want to reclaim their sex lives While most books on the topic broach sexuality only to reassure women that it is all right to say no to unwanted sex Healing Sex encourages women to learn how to say yes to their own desires and on their own terms This mind body approach to healing from sexual trauma was created by Staci Haines who has been educating in the area of sexual abuse sex education and somatic healing for over 15 years Her techniques are ideal for anyone looking for a new way to heal from trauma beyond traditional talk therapy *The Secret Lives of Teen Girls* Evelyn Resh, CNM/MPH,Bev West,2009-08-15 In The Secret Lives of Teen Girls Evelyn Resh the mother of a teenage daughter and a certified nurse midwife specializing in the treatment of teenage girls explores the mysterious world of female adolescent sexuality and how parents especially mothers can help their daughters through this tumultuous time Secrets divulged by teenage girls during consultation have made Resh realize that with rare exception most adolescents are left to develop a sexual identity without

any adult guidance and often without the most basic knowledge of what is happening to them physically and emotionally She also realized that many girls are frequently subject to criticism and shaming about their normal adolescent behavior Resh believes these issues are what underlie many of the problems teens face during this crucial step into becoming a fully developed adult woman capable of making good sound safe and independent decisions throughout life Through compelling frank and sometimes humorous stories from both Resh and her patients *The Secret Lives of Teenage Girls* explains to parents just what is going on with their teenage daughters during this essential phase of their development She discusses many of the complicated problems she's seen in practice including not just sexual activity but also eating disorders substance abuse mental illness unplanned pregnancies violence and STDs She also looks at less serious but still troubling issues like underachievement battles with parents and lack of emotional and social support In this insightful book Resh provides parents with the tools to help their teen daughters negotiate the waters of their sexual development and emerge with their strength their sexuality and their self image intact

Performing Virginity and Testing Chastity in the Middle Ages Kathleen Coyne Kelly, 2002-11 This study presents a compelling and provocative study of virginity which challenges the belief that female virginity can be reliably and unambiguously defined tested and verified

Virgin Envy Jonathan A. Allan, Cristina Santos, Adriana Spahr, 2016-11-15 Virginity is of concern here that is its utter messiness At once valuable and detrimental normative and deviant undesirable and enviable Virginity and its loss hold tremendous cultural significance For many female virginity is still a universally accepted condition something that is somehow bound to the hymen whereas male virginity is almost as elusive as the G spot we know it's there it's just we have a harder time finding it Of course boys are virgins queers are virgins some people reclaim their virginities and others reject virginity from the get go So what if we agree to forget the hymen all together Might we start to see the instability of terms like untouched pure or innocent Might we question the act of sex the very notion of relational sexuality After all for many people it is the sexual acts they don't do or don't want to do that carry the most abundant emotional clout *Virgin Envy* is a collection of essays that look past the vestal virgins and beyond Joan of Arc From medieval to present day literature the output of HBO Bollywood and the films of Abdellah Ta'a or Derek Jarman to the virginity testing of politically active women in Tahrir Square the writers here explore the concept of virginity in today's world to show that ultimately virginity is a site around which our most basic beliefs about sexuality are confronted and from which we can come to understand some of our most basic anxieties paranoias fears and desires

The Consummate Virgin Jodi McAlister, 2020-08-25 This book is a study of female virginity loss and its representations in popular Anglophone literatures It explores dominant cultural narratives around what makes a good female virginity loss experience by examining two key forms of popular literature autobiographical virginity loss stories and popular romance fiction In particular this book focuses on how female sexual desire and romantic love have become entangled in the contemporary cultural imagination leading to the emergence of a dominant paradigm which dictates that for women sexual

desire and love are and should be intrinsically linked together something which has greatly affected cultural scripts for virginity loss This book examines the ways in which this paradigm has been negotiated upheld subverted and resisted in depictions of virginity loss in popular literatures unpacking the romanticisation of the idea of the right one and the right time

Celebrating Girls Virginia Beane Rutter,1996-01-01 Addressed to mothers aunts and grandmothers a collection of celebratory stories about feminine power and the bond between girls and women is designed to assist the passage of girls into adolescence with confidence Original 30 000 first printing 30 000 ad promo IP **Flux** Peggy Orenstein,2012-06-20 Peggy Orenstein s bestselling *Schoolgirls* is the classic study of teenage girls and self esteem Now Orenstein uses the same interviewing and reporting skills to examine the lives of women in their 20s 30s and 40s The advances of the women s movement allow women to grow up with a sense of expanded possibilities Yet traditional expectations have hardly changed To discover how they are navigating this double burden personally and professionally Orenstein interviewed hundreds of women and has blended their voices into a compelling narrative that gets deep inside their lives and choices With unusual sensitivity Orenstein offers insight and inspiration for every woman who is making important decisions of her own
