## **First World War A New Illustrated History:**

**The First World War** Hew Strachan, 2003 Hew Strachan's illustrated history of World War One complements his ongoing three volume history of the conflict. It takes a uniquely global view of what is often misconceived as a prolonged skirmish on the Western Front. *The First World War* Hew Strachan, 2003 Hew Strachan is one of the world's foremost experts on the Great War of 1914-18. His ongoing three volume history of the conflict, the first of which was published in 2001, is likely to become the standard academic reference work. Max Hastings called it one of the most impressive books of modern history in a generation while Richard Holmes hailed it as a towering achievement. Now Hew Strachan brings his immense knowledge to a one volume work aimed squarely at the general reader. Returning to the war with a new perspective, he receives wisdom about the war completely on its head: he pays tribute to the men who planned and executed the war, seeing it not as a shocking waste of human life but as a necessary conflict that utterly transformed the twentieth century. Taking a truly global view of the war, he redresses the idea that it was a prolonged skirmish on the Western Front. Rigorously researched, superbly written, **THE FIRST WORLD WAR** will take its place as one of the finest works in the literature of war. *The Oxford Illustrated History of the First World War* Hew Strachan, 1998 *The First World War* Alan John Percivale Taylor, 1972 **The Oxford Illustrated History of the First World War** Hew Strachan, 2016 A team of some of the world's most distinguished First World War historians chart the causes, course, and profound political and human consequences of a conflict that changed the world. **An Illustrated History of the First World War** John Keegan, 2001 Illustrates life on the home front, important battles, war from the perspective of generals and soldiers, the collapse of empires, and glimpses of World War II through photographs, paintings, cartoons, and posters. *The First World War* Hew Strachan, 2006 *The Illustrated History of American Military Commissaries* Peter D. Skirbunt, 2008 Presents a comprehensive history spanning the 233 years of the four major services: sales commissaries. **The Cambridge Companion to the Poetry of the First World War** Santanu Das, 2013-11-11 The poetry of the First World War remains a singularly popular and powerful body of work. This Companion brings together leading scholars in the field to re-examine First World War poetry in English at the start of the centennial commemoration of the war. It offers historical and critical contexts, fresh readings of the important soldier poets, and investigations of the war poetry of women and civilians, Georgians, and Anglo-American modernists, and of poetry from England, Ireland, Scotland, Wales, and the former British colonies. The volume explores the range and diversity of this body of work, its rich afterlife, and the expanding horizons and reconfiguration of the term First World War Poetry. Complete with a detailed chronology and guide to further reading, the Companion concludes with a conversation with three poets: Michael Longley, Andrew Motion, and Jon Stallworthy about why and how the war and its poetry continue to resonate with us. *A Companion to World War I* John Horne, 2012-01-30 A Companion to the First World War brings together an international team of distinguished historians who provide a series of original and thought-provoking essays on one of the most devastating events in modern history.
