Nissen, 2014-04-16 Revelation is addressed to the churches in chapter one and for the churches in the last chapter One would expect God's last love letter to be a favorite book among Christians but it isn't It isn't because it isn't understood This book has been highly received by numerous evangelical leaders and is used as the textbook on Revelation in Bible colleges as far away as Africa and India From the first I was taken with the desire of Ken to help people see that the book of Revelation was written primarily to help people in their walk with God in the midst of troubled times and not as a text to figure out the sequence of the end times This was also the first time I had seen the theme of overcoming

given as the main thrust of Revelation So I had to read his manuscript to see if in fact he had come upon something I had missed I am convinced that he has I have found his book to be extremely helpful to see the desire of God to have his children to be overcomers and the resources available to us to do just that as the end approaches And the book is more than that for it does not side step the questions that are raised as one reads the book of Revelation Stephen R Bradley Director of Field Education Columbia Bible College Columbia South Carolina      Last Love Nicholas Snow, Guy de la Croix, 2014-07-14 Let us make love as we make philosophy is the theme of Platos revisionist final dialogue the imaginative core of the novel Platos Last Love transports the reader from todays France and England to medieval Provence and Spain as well as ancient Greece of the fourth century setting of the dialogue The Erotic The work has been lost for centuries but resurfaces in Provence and todays world like a submarine in mid ocean creating a chain of events related to three spectacular love stories The action involves the brilliant amorous professor Philip Platner the stunning but love shy doctoral candidate Dora von Neubeck the dynamic ambitious lecturer Adele Mansfield and special forces major Lawrence Hunter who constitute a motley but undefeatable investigative team in search of the lost Plato manuscript They tangle with dangerous criminal elements in the South of France as well as the shadowy head of a mysterious fanatical monastic order This tale involving non stop action passion medieval romance and a philosophical dialogue with Plato Aristotle and Hippocrates as well as a love potion and the bewitching philosophy student Kyniskabeloved of Plato unfolds at a swift pace and culminates in a magical hymn to love
