First Class Cricket A Complete Record 1939:

First Class Cricket Peter Wynne-Thomas,1991 *First Class Cricket* Jim Ledbetter,1991-12-31 *British Sport: a Bibliography to 2000* Richard Cox,2013-12-16 Volume one of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **British Sport** Richard William Cox,2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **Jack Robertson and Syd Brown: More Than Just The Warm-Up Act** Chris Overson,2013-05-01 North London cricket followers turned to their morning newspapers for eleven summers in 1939 and from 1946 to 1955 to see how Robertson J D and Brown S M had fared as the Middlesex opening batsmen They were not often disappointed The pair opened the batting 366 times and their partnerships put on 14 116 runs reaching 100 runs or more on 35 occasions As memories of their endeavours fade cricket enthusiasts nowadays have perhaps typecast them as the warm up act to the prodigious talents of Bill Edrich and Denis Compton But they were more than that Even that curmudgeonly old critic E M Wellings thought Jack a beautifully fluent stroke maker and Syd a splendid county batsman He thought selectors looked too hard for flaws in Jack s top class batting technique thus restricting him to 11 test matches and he reckoned Syd to be among the finest fielders in the deep Using material from a wide range of sources Chris Overson here writes on their early influences their almost simultaneous start at Lord s in 1934 their inevitable cricketing ups and downs often in those days before crowds of 10 000 or more and their lives after they had left the field of play **Brief Candles: McMaster, Hyland and Other One-Match Wonders** Keith Walmsley,2012-10-01 Playing in a first class match gives a cricketer a certain cachet For ever after opponents know that such and such played big cricket and will expect him to perform accordingly Even when his achievements lie elsewhere biographers and obituarists will sagely note his appearances however limited and readers will infer that the subject has a special talent for the game Nine thousand cricketers have played in just one first class match but for some their one appearance was more memorable than for others for good reasons or otherwise In 1924 Fred Hyland spent less than ten minutes on the field of play before rain washed out the game Poor Josiah Coulthurst didn t even step onto the playing area in a damp Lancashire contest in 1919 Emile McMaster s only match in South Africa in 1889 was later awarded Test match status Bob Richards playing for Essex at Leyton in 1970 didn t learn till afterwards that his solitary appearance was a first class game Nobody can now be sure who was the Wilkinson who played a match at Oxford in 1939 Some one match wonders have achieved much in their brief days in front of the cricket watching public centuries even and eight fors others have gone on to exceptional achievements in fields sporting political and military Keith Walmsley reports on the struts and frets of some players who appeared just once on the first class stage and then were

heard no more **Double Headers** Keith Walmsley,2013-05-01 In Double Headers Keith Walmsley throws light into one of cricket's more intriguing if inconsequential obscure corners by investigating the background of the two occasions in England when one county has been engaged in two first class matches at the same time Were they the result of mistakes in drawing up the fixture lists or was there a more rational explanation Double Headers also explores issues of team selection for these games and looks into why there has been no recurrence since 1919 of a county playing two first class matches at once As well as examining these two instances in detail it also identifies and explains the background to numerous other occasions from all around the cricketing world when teams double headed and even triple headed These include over two dozen other instances in Britain and even some instances in Test cricket The Shorter Wisden 2024 Lawrence Booth,2024-04-18 The most famous sports book in the world Wisden Cricketers Almanack has been published every year since 1864 The selected writings from the 161st edition contained in this eBook offer trenchant opinion compelling features and an authoritative voice on the worldwide game The Shorter Wisden is a distillation of what's best in its bigger brother and the 2024 edition of Wisden is crammed as ever with the best writing in the game Wisden's digital version includes the influential Notes by the Editor and all the front of book articles In essence The Shorter Wisden is a glass of the finest champagne rather than the whole bottle In an age of snap judgments Wisden's authority and integrity are more important than ever Yet again this year's edition is truly a must have for every cricket fan WisdenAlmanack **Whitaker's Book List** ,1991 *Michael Falcon:* *Norfolk's Gentleman Cricketer* Stephen Musk,2010 Michael Falcon 1888 1976 was educated at Harrow and Cambridge and proved himself to be a good enough fast bowler to be selected fourteen times for the Gentlemen He declined to qualify by residence to play for Middlesex preferring instead to play for his beloved Norfolk in the Minor Counties Championship In this competition his exploits as a hard hitting fast bowling all rounder made him a dominant figure in Norfolk elevens Appointed captain in 1912 he was still in office in 1946 he was the only man to skipper his county before the First World War and after the Second An astute and popular leader he was worth his place in the team to the end finishing top of the batting averages in his final season when aged 58 Thought of highly enough by the authorities to be co-opted on to the MCC Committee at the early age of 26 he was the only bowler of genuine pace to sit on the sub-committee which ruled on bodyline He is most famous for the part he played in helping Archie MacLaren's eleven to defeat Warwick Armstrong's previously invincible 1921 tourists Informed opinion suggests that his refusal to play for Middlesex cost him the chance to play Test cricket but his loyalty to Norfolk was paramount and he never expressed any regrets As a Tory M P and a landowning grandee one might expect him to have been a somewhat remote and forbidding character but he was a quiet and modest man with a love of the game which gave him a bond with the common cricketer On one occasion he was more than ready to lead a singalong with the players of a village cricket club Stephen Musk tells a story of privilege public service and the pastime of cricket
