THE FIRST MEN IN THE MOON

First Men In The Moon Dell Map Back

S Ashworth

First Men In The Moon Dell Map Back:

The Dell "mapbacks" Piet Schreuders,1997 Paperback Quarterly ,1982 **Paperback Covers** Michael Weinstein,2008 The book is about what goes into and onto a paperback cover It deals with painting photography typography design and the writing of blurbs **Putting Dell on the Map** William H. Lyles,1983-12-28 Dell paperbacks accounted for nearly 20 percent of the paperbacks published between 1942 and 1962 a popular cultural phenomenon worthy of historical recognition Putting Dell on the Map is an objective appraisal rather than a court history of this major mass market publisher Early Dell books emphasized genre fiction mysteries romances and westerns Later the company published an important line of First Editions which included the writings of authors such as Kurt Vonnegut Jr John D MacDonald Richard Jessup and Robert Penn Warren Dell also expanded its reprint efforts with Laurel Editions which emphasized quality reprints In addition to their widespread popularity Dell paperbacks are notable for their aesthetics Dell s cover artwork alone spans a wide range of commercial art style from color airbrush front covers and distinctive back cover maps to pulp and then neo realist illustrations American Pulp Paula Rabinowitz,2016-09-06 A richly illustrated cultural history of the midcentury pulp paperback There is real hope for a culture that makes it as easy to buy a book as it does a pack of cigarettes a civic leader quoted in a New American Library ad 1951 American Pulp tells the story of the midcentury golden age of pulp paperbacks and how they brought modernism to Main Street democratized literature and ideas spurred social mobility and helped readers fashion new identities Drawing on extensive original research Paula Rabinowitz unearths the far reaching political social and aesthetic impact of the pulps between the late 1930s and early 1960s Published in vast numbers of titles available everywhere and sometimes selling in the millions pulps were throwaway objects accessible to anyone with a quarter Conventionally associated with romance crime and science fiction the pulps in fact came in every genre and subject American Pulp tells how these books ingeniously repackaged highbrow fiction and nonfiction for a mass audience drawing in readers of every kind with promises of entertainment enlightenment and titillation Focusing on important episodes in pulp history Rabinowitz looks at the wide ranging effects of free paperbacks distributed to World War II servicemen and women how pulps prompted important censorship and First Amendment cases how some gay women read pulp lesbian novels as how to dress manuals the unlikely appearance in pulp science fiction of early representations of the Holocaust how writers and artists appropriated pulp as a literary and visual style and much more Examining their often lurid packaging as well as their content American Pulp is richly illustrated with reproductions of dozens of pulp paperback covers many in color A fascinating cultural history American Pulp will change the way we look at these ephemeral yet enduringly intriguing books The Great American Paperback Richard A. Lupoff,2001 Few realized in 1938 that a revolution was about to take place A little book appeared in drugstores and on newsstands that would fit into the typical pocket There was no real binding no dust jacket just a colorful laminated cover by summer of 1939 everybody was buying and reading them Regarded by many as disposable

distractions a few people put them aside and started collections that we realize are a valuable and collectible archive of American culture From the glittering images of square jawed cowboys to the gritty slum dwellers of social realism The Great American Paperback is a bountiful museum of over 600 brilliant covers each of them a miniature gem evocative of the fashions and attitudes of its era book jacket **The Freeman** ,1920 **The Survey** ,1927 **LIFE** ,1964-09-25 LIFE Magazine is the treasured photographic magazine that chronicled the 20th Century It now lives on at LIFE com the largest most amazing collection of professional photography on the internet Users can browse search and view photos of today s people and events They have free access to share print and post images for personal use The Literary Digest ,1916
Association Monthly ,1870 The Woman Citizen ,1922 **The Lyceum Magazine** Ralph Albert Parlette,1927
New York Times Saturday Book Review Supplement ,1993-04 *The New-York Mirror* George Pope Morris,1842
Chambers's Encyclopaedia ,1889 **Athenaeum and Literary Chronicle** James Silk Buckingham,John Sterling,Frederick Denison Maurice,Henry Stebbing,Charles Wentworth Dilke,Thomas Kibble Hervey,William Hepworth Dixon,Norman Maccoll,Vernon Horace Rendall,John Middleton Murry,1835 **The Athenaeum** James Silk Buckingham,John Sterling,Frederick Denison Maurice,Henry Stebbing,Charles Wentworth Dilke,Thomas Kibble Hervey,William Hepworth Dixon,Norman Maccoll,Vernon Horace Rendall,John Middleton Murry,1876 **Empire of Alexander the Great** Debra Skelton,Pamela Dell,2005 A look at what made Alexander a brilliant military tactician and a charismatic leader It also explores what the Eastern world learned through contact with Alexander and what Alexander brought the West from the Persian Empire **Collier's** ,1928

Fuel your quest for knowledge with Authored by is thought-provoking masterpiece, Explore **First Men In The Moon Dell Map Back** .
