First Person Fall 1960:

Reinventing Dance in the 1960s Sally Banes, 2003 The 1960s was a pivotal decade in dance an era of intense experimentation and rich invention In this volume an impressive range of dance critics and scholars examine the pioneering choreographers and companies of the era such as Anna Halprin s West Coast experiments the innovative Judson Dance Theater avant garde dance subcultures in New York the work of Meredith Monk and Kenneth King and parallel movements in Britain The contributors include Janice Ross Leslie Satin No l Carroll Gus Solomons jr Deborah Jowitt Stephanie Jordan Joan Acocella and Sally Banes

The 1960s Cultural Revolution John C. McWilliams, 2020-12-02 The 1960s Cultural Revolution is a highly readable and valuable resource revisiting personalities and events that sparked the cultural revolutions that have become synonymous with the 1960s The 1960s Cultural Revolution A Reference Guide is an engagingly written book that considers the forces that shaped the 1960s and made it the unique era that it was An introductory historical overview provides context and puts the decade in perspective With a focus on social and cultural history subsequent chapters focus on the New Left the antiwar movement the counterculture and 1968 a year that stands alone in American history The book also includes a wealth of reference material a comprehensive timeline of events biographical profiles of key players primary documents that enhance the significance of the social political and cultural climate a glossary of key terms and a carefully selected annotated bibliography of print and nonprint sources for further study

Looking-Glass Wars: Spies on British Screens since 1960 Alan Burton, 2018-01-31 Looking Glass Wars Spies on British Screens since 1960 is a detailed historical and critical overview of espionage in British film and television in the important period since 1960 From that date the British spy screen was transformed under the influence of the tremendous success of James Bond in the cinema the spy thriller and of the new style spy writing of John le Carr and Len Deighton the espionage story In the 1960s there developed a popular cycle of spy thrillers in the cinema and on television The new study looks in detail at the cycle which in previous work has been largely neglected in favour of the James Bond films The study also brings new attention to espionage on British television and popular secret agent series such as Spy Trap Quiller and The Sandbaggers It also gives attention to the more realistic representation of spying in the film and television adaptations of le Carr and Deighton and other dramas with a more serious intent In addition there is wholly original attention given to nostalgic spy fictions on screen adaptations of classic stories of espionage which were popular in the late 1970s and through the 1980s and to historical spy fiction dramas which treated real cases of espionage and their characters most notably the notorious Cambridge Spies Detailed attention is also given to the secret state thriller a cycle of paranoid screen dramas in the 1980s which portrayed the intelligence services in a conspiratorial light best understood as a reaction to excessive official secrecy and anxieties about an unregulated security service The study is brought up to date with an examination of screen espionage in Britain since the end of the Cold War The approach is empirical and historical The study examines the production and reception literary and

historical contexts of the films and dramas It is the first detailed overview of the British spy screen in its crucial period since the 1960s and provides fresh attention to spy films series and serials never previously considered *History of the Soyfoods Movement Worldwide (1960s-2019)* William Shurtleff; Akiko Aoyagi, 2019-07-01 The world's most comprehensive well documented and well illustrated book on this subject With extensive subject and geographical index 615 photographs and illustrations mostly color Free of charge in digital PDF format on Google Books

American Culture in the 1960s Sharon Monteith, 2008-10-08 This book charts the changing complexion of American culture in one of the most culturally vibrant of twentieth century decades It provides a vivid account of the major cultural forms of 1960s America music and performance film and television fiction and poetry art and photography as well as influential texts trends and figures of the decade from Norman Mailer to Susan Sontag from Muhammad Ali's anti war protests to Tom Lehrer's stand up comedy from Bob Dylan to Rachel Carson and from Pop Art to photojournalism A chapter on new social movements demonstrates that a current of conservatism runs through even the most revolutionary movements of the 1960s and the book as a whole looks to the West and especially to the South in the making of the sixties as myth and as history

From the chanson française to the canzone d'autore in the 1960s and 1970s Rachel Haworth, 2016-03-03 The similarities between the chanson française and the canzone d'autore have been often noted but never fully explored Both genres are national forms which involve the figure of the singer songwriter both experienced their golden age of production in the post World War II period and both are enduringly popular still accounting for a large proportion of record sales in their respective countries Rachel Haworth looks beyond these superficial similarities and investigates the nature of the relationship between the two genres Taking a multidisciplinary approach encompassing textual analysis of song lyrics cultural history and popular music studies Haworth considers the different ways in which French and Italian song is thought about written about and constructed Through an in depth study of the discourse surrounding chanson and the canzone d'autore the volume analyses the development of the genres rules and rhetoric identifying the key themes of Authority Authenticity and Influence The book finally considers the legacy of major artists looking at modern perspectives on Georges Brassens Jacques Brel L o Ferr Fabrizio De Andr and Giorgio Gaber ultimately affording a deeper understanding of the notions of quality and value in the context of chanson française and the canzone d'autore

The Daytime Serials of Television, 1946-1960 Jim Cox, 2024-10-16 The popularity of soap operas on radio made them a natural for the new medium of television where soaps quickly became an audience favorite As television soap operas developed so did the level of sophistication in delivery writing and production This history of television's golden age soaps begins with an overview of earlier serialized entertainments An analysis of early TV soap stars personnel and production follows taking 40 programs into account Ensuing chapters offer in depth treatments of the serials *Search for Tomorrow* *Love of Life* *The Guiding Light* *The Secret Storm* *As the World Turns* and *The Edge of Night* Appendices include chronological and alphabetical directories of period daytime serials and rankings of the durability of programs actors

and actresses announcers and sponsors **African American Nationalist Literature of the 1960s** Sandra Hollin Flowers, 2019-09-25 Bringing together political theory and literary works this study recreates the political climate which made the 1960s an unforgettable era for young black Americans A chapter on The Many Shades of Black Nationalism for instance explains why black nationalism is known by more than a dozen different names how events in Africa influenced black nationalism in America why Malcolm X's death had a greater impact on nationalism than did his life and how the United States government unwittingly became nationalism's ally Another chapter explores the bitter feud between the dominant factions of the 1960s cultural and revolutionary nationalists This feud erupted in both verbal and armed warfare and generated an abundance of political theory and literary works much of which is out of circulation but is examined in the study Nationalist poetry theater and fiction are each treated in separate chapters which exemplify the aesthetic and political concerns of this memorable period in American history and letters Aside from its unique combination of artistic and political works what makes this book important is the current revival of nationalist sentiment in African American life and arts Though this revival is closely identified with the nationalism of the 1960s it lacks the focus of that period This study explains what gave the nationalism of the 1960s its focus how that focus was expressed in art forms and why 1960s nationalism continues to influence the African American identity and will probably do so well into the twenty first century Princeton Radicals of the 1960s, Then and Now William H. Tucker, 2015-09-18 Part history part biography this book describes the issues that produced the passionate activism of the 1960s and the campaigns waged at Princeton University by Students for a Democratic Society the most important radical organization on campuses at the time The author traces the lives of nine leaders of the Princeton SDS chapter examining the effect of their participation in the radical movement on their career choices and subsequent political opinions A number of these former activists are still involved in efforts to create a more egalitarian society the same goal that motivated them half a century ago Macroeconomics ; Australasian Edition Olivier Blanchard, Jeffrey Sheen, 2013-05-30 Real current macroeconomic events connected to the theory The new fourth edition of Blanchard's respected Macroeconomics text has been substantially revised to account for the impact of the GFC on the Australasian Economy and the many issues it raises Thus in addition to a first discussion of the crisis in Chapter 1 and numerous boxes and discussions throughout the book we have brought forward the chapter on the GFC to Chapter 9 Macroeconomics is the only intermediate resource with a truly Australasian focus demonstrating economic ideas and issues with hundreds of local and international examples This comprehensive resource presents an integrated view of macroeconomics drawing on the implications of equilibrium conditions in three sets of markets the goods market the financial markets and the labour market British Avant-Garde Fiction of the 1960s Mitchell Kaye Mitchell, 2019-01-22 Explores the trailblazing work of the British literary avant garde of the 1960s This collection showcases the liveliness of British avant garde fiction of the 1960s which is diverse in its aesthetic practices and sometimes divided in its politics It

brings together a selection of original research led essays on more than a dozen avant garde British writers of the 1960s revealing this to be a crucial and crucially overlooked period of British literary history Via detailed readings of authors such as Ann Quin B S Johnson Alexander Trocchi Maureen Duffy Alan Burns Christine Brooke Rose and many others the contributors reveal the diversity of material produced in this period and trace the complex relations of influence and indebtedness between the 60s avant garde earlier modernisms and later postmodern writing The volume shows that the 1960s is an even more vibrant period of literary experiment in Britain than might previously have been supposed and that the avant garde fiction produced then rewards our renewed attention to it Key Features Provides much needed critical analyses of the work of 60s avant garde writers Offers focused essays each presents one author in their cultural critical historical contexts by experts in the field Recuprates a lost decade in British literature and thus fills a vital gap in literary history between late modernism and early postmodernism Responds to burgeoning critical and popular interest in authors such as Christine Brooke Rose Ann Quin and B S Johnson and to a widespread interest in experimental and innovative writing more generally

1960s Counterculture Jim Willis, 2015-03-24 An era that changed America forever is analyzed through the words of those who led participated in and opposed the protest movements that made the 1960s a signature epoch in U S culture There is no better way to understand the 1960s than to read key speeches and texts from the decade experiencing firsthand writings that capture a signature sense of passion and conviction That is exactly the approach taken by this book as it analyzes major protest movements of the era including the Vietnam War protests the Civil Rights Movement Women s Lib the hippie movement and the nascent GLBQT movement Organized by movement the work presents speeches testimonies and other important documents side by side with accessibly written expert commentary The documents and the themes they represent are linked to each other and to events during the decade to put the passionate thinking of the time in context and demonstrate its importance and legacy By allowing readers to explore the 1960s in this visceral way the book will provide an engaging learning experience for secondary school and university students who will also gain helpful insights on how to evaluate historical documents For the same reason the volume will be a welcome resource for the general reader interested in understanding or recalling why the 1960s produced so many lasting changes in the American psyche

"W.O. Mitchell's Jake & the Kid: the Popular Radio Play as Art & Social Comment." Alan J. Yates, 2010-06-10 W O Mitchell s Jake to tackle social issues of the day with a light hand and to develop many of the themes he would explore in his later novels This study analyzes these popular radio plays their Prairie and literary roots the production process and their contribution and critical reception

THE 1960's: A DECADE I REMEMBER Nancy Hoffman, 2024-08-12 In sixty essays Nancy Hoffman gives you a glimpse of growing up in the sixties A retired teacher of thirty two years Nancy shares her memories and insights of an iconic decade After reading her words and enjoying the many retro photos it is the hope of this author that you the reader walk away with a positive feeling about this memorable time in history Since her retirement Mrs Hoffman has loved having

more time to write along with her writer illustrator husband Roger

Reflecting on the 1960s at 50 Alexander Riley, 2020-11-16 Reflecting on the 1960s at 50 A Concise Account of How the 1960s Changed America for Better and for Worse is a punchy conversational look at some of the most interesting pieces of cultural and social conflict from the 60s reflected through the lens of our own vantage point today This approachable informative volume uses transcripts of public interviews to provide the viewpoints of half a dozen nationally known scholars with long records of writing in scholarly and popular realms They represent a range of disciplinary and political perspectives from the humanities to the social sciences and from the progressive left to the conservative right These scholars offer their thoughts on the place of youth in American society that emerged from the 60s the lingering contributions the counterculture made to American institutions and social life the legacy in contemporary America of the struggles over racial disparities in the 60s the ways in which the revolution of sexual mores and relations of that decade have affected marriage and family today the war in Vietnam and its effects on contemporary views of America s military power and responsibility in the world the evolution of American state power and administration that was energized by Lyndon Johnson s Great Society This book will be of interest to students of American history and the history and politics of the 1960s as well as sociologists It searches for meaning in a period that made major contributions to the shape of America as a country

Ford Madox Ford, 1873-1939 David Dow Harvey, 2015-12-08 The Protean personality and career of Ford Madox Ford as poet novelist editor critic and miscellaneous writer have made him one of the most elusive of modern authors In this bibliography which includes extensive excerpts of writings by and about Ford as well as complete descriptions of the various editions of his book and periodical publications David Dow Harrvey has at last made it possible to form a true estimate of Ford s involvements with other writers and his contributions to modern literature Originally published in 1961 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

Beyond the Wild Blue Walter J. Boyne, 2007-06-26 From the most important leaders and the most courageous victories to the earliest machines of flight and the most advanced Stealth technology Walter J Boyne s *Beyond the Wild Blue* presents a fascinating look at 50 turbulent years of Air Force history From the prop driven armada of World War II to the most advanced Stealth weaponry from pioneers like General Henry Hap Arnold to glorious conquests in the Gulf War *Beyond the Wild Blue* is a high flying study of the triumphs and failures of leadership and technology In three new chapters Walter Boyne covers an eventful ten years including 9 11 the invasion of Afghanistan and the second Gulf War describing in detail the technological advancements that led to highly efficient airstrikes in Iraq He also takes stock of the Air Force s doctrine and mission statements as this unique

sector of the military grapples with an ever changing world The Activist 1960s Robert C. Cottrell,2023-05-11 Throughout the Long Sixties which spanned much of the seemingly quiescent 1950s and continued into the 1970s progressive activists sought to change American policy both foreign and domestic Beginning with a civil rights crusade that later expanded to a campaign against the Vietnam War the movement eventually splintered into a series of focuses racial ethnic demographic political cultural gender based and environmental This work details activists efforts to ensure basic rights through fostering civic engagement Chapters demonstrate how the various campaigns within the movement were all successful to some extent but none brought about the results that many desired Nonetheless they contributed to a more open egalitarian participatory and emancipated nation that is still being shaped today **The 1960s** Philip Tew,James Riley,Melanie Seddon,2018-07-26 How did social cultural and political events in Britain during and leading up to the 1960s shape modern British fiction The 1960s were the swinging decade a newly energised youth culture went hand in hand with new technologies expanding educational opportunities new social attitudes and profound political differences between the generations This volume explores the ways in which these apparently seismic changes were reflected in British fiction of the decade Chapters cover feminist writing that fused the personal and the political gay lesbian and immigrant voices and the work of visionary experimental and science fiction writers A major critical re evaluation of the decade this volume covers such writers as J G Ballard Anthony Burgess A S Byatt Angela Carter John Fowles Christopher Isherwood Doris Lessing Michael Moorcock and V S Naipaul *Photoscapes* Frédéric Pousin,2019-07-08 Landscape architecture and photography are closely interrelated since the former is a constantly evolving thing that can be captured in stills even eternalized by photography What role does photography play in landscape design How does photography create a new context for landscape The book investigates such questions in nine essays by North American and French scientists using landscape designs that were created from the 1950s to today

First Person Fall 1960 Book Review: Unveiling the Magic of Language
