Le Guin, 2012-11-27 Praise for Ursula K Le Guin s short story collections It is the author s more serious work that displays her talents best A classy and valuable collection Publishers Weekly A master of the craft Neil Gaiman The Unreal and the Real is a two volume selection of Ursula K Le Guin s best stories It is a much anticipated event and there is no doubt it will delight amuse and provoke Where on Earth explores Le Guin s satirical risky political and experimental earthbound stories Ursula K Le Guin has received the PEN Malamud and National Book Awards among others She lives in Portland Oregon Which Face of Witch Adriana Madej-Stang, 2015-06-18 For centuries the figure of the witch represented the hostile and feared other on the edge of human society placed in between the world of people and the world of demons Whether she stood for the untamed powers of nature dark powers of knowledge or magic or evil powers derived from the devil she was always identified with fear as a disturbance as a danger to the order of society and to the well being of those who understood themselves as settled within the borders of the patriarchal order and its psychological and sexual corselet In this role the witch appeared in numerous literary works including among others writings by Chaucer Shakespeare and Middleton However since the 1840s the image of the witch has undergone enormous transformations mainly due to the influence of various matriarchate theories and of feminist ideas The witch reclaimed by women for women became an identification figure and representative of their expectations fears hopes and claims This study investigates examples of witches in publications by contemporary British women writers to see how this figure is perceived related to and utilised in their respective texts Iris Murdoch Jeanette Winterson Angela Carter and Fay Weldon among others refer consistently to this witch figure whom they interpret in various creative and surprising ways adopting innovative approaches to this comparably ancient figure **Singapore Literature in English** , 2008 **The Stone and the Wireless** Shaoling Ma, 2021-05-03 In the final decades of the Manchu Qing dynasty in China technologies such as the phonograph telephone telegraph and photography were both new and foreign In The Stone and the Wireless Shaoling Ma analyzes diplomatic diaries early science fiction feminist poetry photography telegrams and other archival texts and shows how writers intellectuals reformers and revolutionaries theorized what media does despite lacking a vocabulary to do so Media defines the dynamics between technologies and their social or cultural forms between devices or communicative processes and their representations in texts and images More than simply reexamining late Qing China s political upheavals and modernizing energies through the lens of media Ma shows that a new culture of mediation was helping to shape the very distinctions between politics gender dynamics economics and science and technology Ma contends that mediation lies not only at the heart of Chinese media history but of media history writ large Poetics of the Gnostic Universe Zlatko Pleše, 2006 The monograph examines the cosmological section of the Apocryphon of John a fully narrated version of the classic Gnostic myth The author argues that

the Apocryphon's world hypothesis is inseparable from the epistemological theological and aesthetic debates within contemporary Platonism **School Library Journal** ,2007 *The Fruit of Evolution (Light Novel)*, Vol. 08

Miku,2024-01-29 In the royal city of Teruber a historic meeting was held between King Lanze of the Kingdom of Wimbung and Rutia the daughter of the Demon King This meeting intended to bridge the divide between demons and humans was suddenly disrupted by a violent assault from the Majin Cult Despite valiant resistance Rutia fell victim to a curse from the cult's attack The situation escalated with the approach of an enemy army among whom shockingly included the parents of Saria The highly anticipated eighth installment of this beloved series unfolds **Kliatt Young Adult Paperback Book Guide** ,2005

Yasodhara and the Buddha Vanessa R. Sasson,2020-12-10 By combining the spirit of fiction with the fabulism of Indian mythology and in depth academic research Vanessa R Sasson shares the evocative story of the Buddha from the perspective of a forgotten woman Yasodhara the Buddha's wife Although often marginalized Yasodhara's narrative here comes to life Written with a strong feminist voice we encounter Yasodhara as a fiercely independent passionate and resilient individual We witness her joys and sorrows her expectations and frustrations her fairy tale wedding and her overwhelming devastation at the departure of her beloved It is through her eyes that we witness Siddhattha's slow transformation from a sheltered prince to a deeply sensitive young man On the way we see how the gods watch over the future Buddha from the clouds how the king and his ministers try to keep the suffering of the world from him and how he eventually renounces the throne his wife and newly born son to seek enlightenment Along with a foreword from Wendy Doniger the book includes a scholarly introduction to Yasodhara's narrative and offers extensive notes along with study questions to help readers navigate the traditional literature in a new way making this an essential book for anyone wanting to learn about Buddhist narratives **Photoplay** ,1924 [Southeast Asian Personalities of Chinese Descent](#) Leo

Suryadinata,2012 This is a bold project recording the lives of a particular group of Southeast Asians Most of the people whose biographies are included here have settled down in the ten countries that constitute the region Each of them has either self identified as Chinese or is comfortable to be known as someone of Chinese ancestry There are also those who were born in China or elsewhere who came here to work and do business including seeking help from others who have ethnic Chinese connections With the political and economic conditions of the region in a great state of flux for the past two centuries it is impossible to find consistency in the naming process Confucius had stressed that correct names make for the best relationships In this case Professor Leo Suryadinata has been pursuing for decades the elusive goal of finding the right name to give to the large numbers of people who have in one way or another made their homes in or made some difference to Southeast Asia I believe that when he and his colleagues selected the biographies to be included here they have taken a big step towards the rectification of identities for many leading personalities In so doing he has done us all a great service Professor Wang Gungwu National University of Singapore *Old and New London: a Narrative of Its History, Its People,*
