

# CONGRESS, JULY 4, 1776. A DECLARATION BY THE REPRESENTATIVES OF THE UNITED STATES OF AMERICA, IN GENERAL CONGRESS ASSEMBLED.

WHEN in the Course of human Events, it becomes necessary for just People to dissolve the political Bands which have connected them with another, and so assume among the Powers of the Earth, a separate and equal Station, to which the Laws of Nature and of Nature's God entitle them, a decent Respect to the Opinions of Mankind requires that the Declaration which shall announce the Cause which impels them to the Separation, should be published in the most public and solemn Manner.

We hold these Truths to be self-evident, that all Men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty, and the Pursuit of Happiness.—That to secure these Rights, Governments are instituted among Men, deriving their just Powers from the Consent of the Governed, that whenever any Form of Government becomes destructive of these Ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its Foundation on such Principles, and organizing its Powers in such Form, as to them shall seem most likely to effect these Ends.—Reason and Experience both teach us, that Man kind are more disposed to suffer, while Endless are sufferable, than to right themselves by abolishing the Forms to which they are accustomed. But when a long Train of Abuses and Usurpations, pointing out a Design to reduce them under absolute Despotism, it is their Right, it is their Duty, it is their Duty, to throw off such Government, and to provide new Guards for their future Security. Such has been the patient Sufferance of these Colonies; and such is now the Necessity which constrains them to alter their former System of Government. The History of the present Oppression of these Colonies is a History of repeated Injuries and Usurpations, all having in direct Object the Establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid World.

He has refused his Assent to Laws, the most wholesome and necessary for the public Good.

He has forbidden his Governors to pass Acts of the most urgent Importance, unless suspended in their Operation until his Assent should be obtained; and when so suspended, he has strictly enjoined on them to adhere to the Letter and Spirit of the Suspension.

He has refused to pass other Laws for the Accommodation of large Numbers of People, unless their People would relinquish the Right of Representation in the Legislature, a Right inalienable to them, and forfeitable to Tyranny only.

He has called together legislative Bodies at Places unusual, uncomfortable, and distant from the Depository of their public Records, for the sole Purpose of defrauding them from their Rights.

He has refused to assent to Laws, the most wholesome and necessary for the public Good.

He has refused to pass other Laws for the Accommodation of large Numbers of People, unless their People would relinquish the Right of Representation in the Legislature, a Right inalienable to them, and forfeitable to Tyranny only.

s American Treasures is a narrative history of America's secret efforts to hide its founding documents from Axis powers and its national tradition of uniting to defend the definition of democracy A Boston Globe Bestseller On December 26 1941 Secret Service Agent Harry E Neal stood on a platform at Washington's Union Station watching a train chug off into the dark and feeling at once relieved and inexorably anxious These were dire times as Hitler's armies plowed across Europe seizing or destroying the Continent's historic artifacts at will Japan bristled to the East The Axis was rapidly closing in So FDR set about hiding the country's valuables On the train speeding away from Neal sat four plain wrapped cases containing the documentary history of American democracy the Declaration of Independence the Constitution the Gettysburg Address and more guarded by a battery of agents and bound for safekeeping in the nation's most impenetrable hiding place American Treasures charts the little known journeys of these American crown jewels From the risky and audacious adoption of the Declaration of Independence in 1776 to our modern Fourth of July celebrations American Treasures shows how the ideas captured in these documents underscore the nation's strengths and hopes and embody its fundamental values of liberty and equality Stephen Puleo weaves in exciting stories of freedom under fire from the Declaration and Constitution smuggled out of Washington days before the British burned the capital in 1814 to their covert relocation during WWII crafting a sweeping history of a nation united to preserve its definition of democracy
