First The Spiritual Then The Natural Fruit:

First the Spiritual Then the Natural Fruit Irene Rundell, 2002-04 Based on the Scriptures First the Spiritual Then the Natural Fruit tackles your questions concerning spiritual fruit and spiritual food and how you can apply them to your daily life From both the Old and New Testaments it discusses how some of the saints of old were able to manifest spiritual fruit In John 15 8 Jesus declared Herein is my Father glorified that ye bear much fruit so shall ye be my disciples It s the spiritual food that brings true life What else did Jesus say about us bearing spiritual fruit and applying these truths How can you satisfy that spiritual hunger and thirst basic to man If you are born again walking in the spirit you hunger and thirst not for natural food but for the true manna Jesus Christ who only can satisfy that hunger What are the three experiences of the believer and how can a believer walk in these realms How do these apply to the fruit we bear Learn why and how God prunes us to produce more fruit How do we discern the evidence of fruit in our lives and in others What are the characteristics of worldly food and how can we avoid them How can we bear and acquire the fruit of Jesus Christ The author addresses these and other questions about the fruit in our lives Finally concerning natural fruit the Mrs Rundell offers valuable tips on how to change our food buying and eating habits to achieve a healthy body Nutritious natural home kitchen tested recipes complement this book

Fruits of the Spirit Riaan Engelbrecht, 2023-02-21 Galatians 5 makes it clear what are the fruits of the Spirit which include love joy peace and self control Take note we are dealing here with the fruits of the Spirit not our spirit So we can only develop and carry such fruit when we allow God to abide and work in us Therefore we have to live in the Spirit meaning walking in the Spirit who produces such fruit This volume of work has been prompted for the simple reason that the church seems to be neglecting the need to equip disciples who reflect and manifest the character of God We have become too obsessed with creating a feel good Church gifts signs and wonders yet ignoring the importance of character It should be stressed we cannot generate such good fruits that produce moral and godly living on our own therefore we need to abide in God to bear much fruit We need to earnestly cultivate a character that glorifies and exalts God so that the world may know we are disciples of God because of the fruit we carry

Williams,2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that

Dawn of the End-Time Remnant Riaan Engelbrecht,2023-01-20 God is calling for a remnant that is completely and utterly set apart for His Kingdom This volume of work is a collection of prophetic understandings and insights as led by the Spirit of God It is designed to make us ponder consider and reflect on our walk with God For there is without a doubt an urgent cry from heaven for SEPARATION meaning we cannot continue looking behaving and acting like the world It says if something looks like a duck swims like a duck and quacks like a duck then it probably is a duck The test implies that a person can identify an unknown subject by observing that subject s habitual characteristics The problem these days is discerning whether someone is from the world or serving God On the one hand so many tend to behave like the world so based on their habitual characteristics you would say they are from the world But then something funny happens the duck is no longer quacking but making other strange noises known by some as praise worship and prayer So is this a duck a hybrid or something completely different In other words are we true followers of Christ or a hybrid product that serves God and the
