Amateur Movie Makers, 1952 **Supreme Court Appellate Division-First Department** , **Primal Animals** Julia Lynn Rubin, 2022-05-24 Like a queer version of *The Wicker Man* Julia Lynn Rubin's *Primal Animals* is a wonderfully creepy mystery set under sunshine and fresh air where nothing is what it seems and no one is what you expect Keep your eyes open watch your back and beware of the flies Emma Berquist author of *Missing Presumed Dead The Female of the Species* meets *Midsommar* for fans of *Yellowjackets* At an elite summer program a teen girl gets sucked into a secret society with deadly consequences Protect the girls Arlee Gold has always lived in the shadow of her successful mom even after everything Arlee's been through her mother still expects nothing but the best In an effort to get her daughter back on track after a less than stellar few school years she's enrolled Arlee as a legacy at Camp Rockaway an elite college prep summer camp deep in the North Carolina wilderness On her own for the first time and buzzing with anxiety Arlee is intimidated by the camp's shiny exterior suffocated by the relentless thick summer heat and tormented by the ceaseless stream of crawling slimy flapping bugs that seem to come straight from her nightmares In the midst of her brewing dread Arlee is relieved to find a queer sanctuary in her bunkmates and is especially drawn to Winnie the enigmatic girl who sleeps in the bunk above her Except Arlee starts to notice whispers in her wake and how so many others recoil from her as if she were as creepy as the insects that terrify her Struggling in her prep classes and feeling increasingly paranoid Arlee can no longer suppress her panicked glitches Winnie too seems to become wary and Arlee's worst fear is confirmed even here in the place her mother promised was going to change everything she's been found out as a freak Just as she's facing a summer completely alone another rising junior slips her a mysterious invitation and Arlee finds herself caught up in a secret society that expects its sisterhood to protect each other from any and all who would harm them by any means necessary Here finally Arlee feels like a part of something bigger something that matters Guided by their cunning leader Lisha a rising senior with a smile sharp enough to cut bone the sisterhood will stand against any threat unquestioningly But when Winnie is put in grave danger Arlee is forced to confront just how far her sisters will go and whether they truly protect the girls **Over the Edge** Kathleen Bryant, 2024-06-04 In Sedona's red rock canyons a former reporter must piece together her shattered memories in time to stop a killer in this cat and mouse thriller perfect for fans of CJ Box and Anne Hillerman After a disastrous mistake ended her career as a crime reporter Del Cooper returns to Sedona and takes a gig with a down on its luck tour company while she rebuilds her life Her peaceful small town escape ends when hiking in a remote red rock canyon she finds the broken body of a murdered man At first she believes the murder is connected to a proposed land trade that will pave the way for a luxury development on the edge of town but it seems money isn't the killer's only motive As she digs deeper she uncovers the small town's darkest secrets all leading her to Lee Ranch a former filming location for Western movies Two women disappear after Del interviews them and rumors begin to spin faster than Sedona's famed energy vortexes But she knows the truth Someone

is watching her from the shadows Desperate for answers Del ventures into the wilderness to lure the killer into the open But out here in the red rocks bodies can be lost forever **Addict** Jerome McDonough,1985 *Time in Ancient Stories of Origin* Anke Walter,2020-06-30 Greek and Roman stories of origin or aetia provide a fascinating window onto ancient conceptions of time Aetia pervade ancient literature at all its stages and connect the past with the present by telling us which aspects of the past survive even now or ever since then Yet while the standard aetiological formulae remain surprisingly stable over time the understanding of time that lies behind stories of origin undergoes profound changes By studying a broad range of texts and by closely examining select stories of origin from archaic Greece Hellenistic Greece Augustan Rome and early Christian literature *Time in Ancient Stories of Origin* traces the changing forms of stories of origin and the underlying changing attitudes to time to the interaction of the time of gods and men to historical time to change and continuity as well as to a time beyond the present one Walter provides a model of how to analyse the temporal construction of aetia by combining close attention to detail with a view towards the larger temporal agenda of each work In the process new insights are provided both into some of the best known aetiological works of antiquity e g by Hesiod Callimachus Vergil Ovid and lesser known works e g Ephorus Prudentius Orosius This volume shows that aetia do not merely convey factual information about the continuity of the past but implicate the present in ever new complex messages about time **The Good-bye Window** Harriet Brown,1998-10-12 Have you ever wondered what really goes on at your child s day care center after you say good bye Harriet Brown did To satisfy her curiosity she spent an entire year observing Red Caboose a center in Madison Wisconsin This engaging and thought provoking book is the story of that year In her beautifully written personal account journalist and mother Brown takes us behind the scenes at a day care center that works At Red Caboose one of the oldest independent centers in the country we meet teachers who have worked with young children for more than twenty years We watch the child care union and parents struggle to negotiate a contract without ripping apart the fabric of trust and love that holds the Red Caboose community together We look at the center s finances to see what keeps Red Caboose going at a time when other good centers are disappearing Best of all we get to know the children families and teachers of Red Caboose their struggles their sorrows their triumphs Started twenty five years ago by a group of idealistic parents the center has not only survived but thrived through some pretty tough times In the world of day care Red Caboose is a special place a model for what child care in this country could and should be not just babysitting not just a service to working parents but a benefit for children families teachers and the community at large Brown sets her rich and engaging stories in the greater political and social context of our time Why is so much child care bad Why should working Americans worry about the link between welfare reform and child care What can we learn from the history of child care This book is a must read for parents educators and anyone who enjoys first rate writing and dead on insight into the lives of our youngest children and those who care for them Brown s writing is beautiful and her scholarship sound Students considering day care careers day care professionals

and concerned parents will gain insight by reading this provocative book as will anyone who cares about the future of young children in this country Choice I admire enormously the ambition of this book its eagle eyed witness and engrossing detail plus the social importance of the project I wish there were in the world more books like it Lorrie Moore author of Who Will Run the Frog Hospital The Good bye Window is a fascinating peek into the secret world of children With the poignancy of Anne LaMott and the reportorial grace of Tracy Kidder Harriet Brown has written a terrific and worthwhile book Meg Wolitzer author of This Is Your Life Harriet Brown s well told story of the Red Caboose child care center should be read by teachers and parents but also by every legislator and politician in the land Only a writer as good as Ms Brown could display the dramatic complexities of a school community in which the youngest members enter crawling and emerge a few years later as articulate empathetic and well socialized individuals ready for the real world Vivian Gussin Paley author of The Boy Who Would Be a Helicopter **The Jesus Syndrome** Joseph John Francis,2009-07 □□□□□ □□□□□□ Abraham Cohen,1984
