First World War Poetry:

Poetry of the First World War Tim Kendall, 2013-10-10 The First World War produced an extraordinary flowering of poetic talent poets whose words commemorate the conflict more personally and as enduringly as monuments in stone Lines such as What passing bells for these who die as cattle and They shall grow not old as we that are left grow old have come to express the feelings of a nation about the horrors and aftermath of war This new anthology provides a definitive record of the achievements of the Great War poets As well as offering generous selections from the celebrated soldier poets including Wilfred Owen Siegfried Sassoon Rupert Brooke and Ivor Gurney it also incorporates less well known writing by civilian and women poets Music hall and trench songs provide a further lyrical perspective on the War A general introduction charts the history of the war poets reception and challenges prevailing myths about the war poets progress from idealism to bitterness The work of each poet is prefaced with a biographical account that sets the poems in their historical context Although the War has now passed out of living memory its haunting of our language and culture has not been exorcised Its poetry survives because it continues to speak to and about us

Women's Poetry of the First World War Nosheen Khan, 1988-01-01

The Wordsworth Book of First World War Poetry Marcus Clapham, 1995 This anthology serves as an introduction to the poetry of World War I and the inclusion of a number rarely anthologized poets many from the ranks as well as anonymous poems and songs attempts to bring a quality of freshness to the selection

The Penguin Book of First World War Poetry Jon Silkin, 1979 Includes some poems translated from French German and Italian

The Nation's Cause Elizabeth A. Marsland, 2012-11-12 As we approach the centenary of the outbreak of the First World War this timely reissue first published in 1991 evaluates the function of poetry in wartime Europe arguing that war poetry must be understood as a social as well as a literary phenomenon As well as locating the work of well known French English and German war poets in a European context Elizabeth Marsland discusses lesser known poetry of the war years including poems by women and the neglected tradition of civilian protest through poetry Identifying shared characteristics as well as the unique features of each nation's poetry The Nation's Cause affords new insight into the relationship between nationalism and the social attitudes that determined the conduct of war

Poets of the First World War Jon Stallworthy, 1974 Rupert Brooke Edmund Blunden Wilfred Owen Isaac Rosenberg Siegfried Sassoon Philip Thomas

A Treasury of War Poetry George Herbert Clarke, 1917

Poetry of the First World War Tim Kendall, 2017 The First World War produced an extraordinary flowering of poetic talent Its poets mark the conflict in ways that are both intensely personal and as enduring as any monument Their lines have come to express the feelings of a nation about the horrors and consequences of war This new anthology provides a definitive record of the achievements of the Great War poets and offers a fresh assessment of the work on the centenary of the Great War's outbreak Focusing on the poets themselves the book is organized by writer not theme or chronology It offers generous selections from the celebrated soldier poets including Wilfred Owen Siegfried Sassoon and Rupert Brooke whilst also

incorporating less well known writing by civilian and women poets It also includes two previously unpublished poems by Ivor Gurney A general introduction charts the history of the war poets reception and challenges prevailing myths about the war poets progress from idealism to bitterness The work of each poet is prefaced with a biographical account that sets the poems in their historical context Publisher s description Three Poets of the First World War Ivor Gurney, Wilfred Owen, Isaac Rosenberg, 2012-03-27 An essential new collection of poetry from the First World War This indispensable anthology brings together the works of three major poets from the First World War Ivor Gurney 1890 1937 was a classical music composer and poet who published two volumes of poems *Severn and Somme* and *War s Embers* Wilfred Owen s 1893 1918 realistic poetry is remarkable for its details of war and combat Isaac Rosenberg s 1890 1918 *Poems from the Trenches* is widely considered one of the finest examples of war poetry from the period Carefully selected by Jon Stallworthy a professor emeritus of English at the University of Oxford these poems comprise a landmark publication that reflects the disparate experiences of war through the voices of the soldiers themselves For more than seventy years Penguin has been the leading publisher of classic literature in the English speaking world With more than 1 700 titles Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors as well as up to date translations by award winning translators *A History of World War One Poetry* Jane Potter, 2023-01-12 Situating First World War poetry in a truly global context this book reaches beyond the British soldier poet canon *A History of World War One Poetry* examines popular and literary ephemeral and enduring poems that the cataclysm of 1914 1918 inspired Across Europe poets wrestled with the same problem how to represent a global conflict dominated by modern technology involving millions of combatants and countless civilians For literary scholars this has meant discovering and engaging with the work of men and women writing in other languages on other fronts and from different national perspectives Poems are presented in their original languages and in English translations some for the very first time while a Coda reflects on the study and significance of First World War poetry in the wake of the Centenary *A History of World War One Poetry* offers a new perspective on the literary and human experience of 1914 1918 **First World War Poetry** Jon Silkin, 1997-02-01 A selection of poetry written during World War I In the introduction Jon Silkin traces the changing mood of the poets from patriotism through anger and compassion to an active desire for social change The book includes work by Sassoon Owen Blunden Rosenberg Hardy and Lawrence *The Penguin Book of First World War Poetry* Matthew George Walter, 2006-10-26 This anthology reflects the diversity of voices it contains the poems are arranged thematically and the themes reflect the different experiences of war not just for the soldiers but for those left behind This is what makes this volume more accessible and satisfying than others In addition to the established canon there are poems rarely anthologised and a selection of soldiers songs to reflect the voices of the soldiers themselves The Cambridge Companion to the Poetry

of the First World War Santanu Das,2013-11-18 This Companion offers a major re examination of the poetry of the First World War at the start of the war s centennial commemoration

The First World War in Irish Poetry Jim Haughey,2002 Revising his 1996 doctoral dissertation for the University of South Carolina Haughey seeks out the response of Irish poets to the Great War which he finds to have been cast into deep critical shadow by the dazzle of English poetry about that war and the glare of poetry on the contemporary Irish independence movement Annotation copyrighted by Book News Inc Portland OR

International Poetry of the First World War Constance M. Ruzich,2020-10-15 Ranging far beyond the traditional canon this ground breaking anthology casts a vivid new light on poetic responses to the First World War Bringing together poems by soldiers and non combatants patriots and dissenters and from all sides of the conflict across the world International Poetry of the First World War reveals the crucial public role that poetry played in shaping responses to and the legacies of the conflict Across over 150 poems this anthology explores such topics as the following Life at the Front Psychological trauma Noncombatants and the home front Rationalising the war Remembering the dead Peace and the aftermath of the war With contextual notes throughout the book includes poems written by authors from America Australia Austria Hungary Belgium Canada France Germany Great Britain India Ireland Italy New Zealand Russia and South Africa

Great Poems of the World War William Dunseath Eaton,2019-12-06 In Great Poems of the World War William Dunseath Eaton curates a compelling anthology that captures the raw emotions and profound sentiments experienced during the Great War Through a meticulously selected collection of poignant verses Eaton weaves together the voices of soldiers civilians and poets who were indelibly marked by the horrors of warfare The anthology not only reflects the literary style of early 20th century poetry characterized by vivid imagery and deep introspection but also places these works within the historical context of a world grappling with unprecedented conflict and loss The juxtaposition of personal anguish against the backdrop of collective trauma creates a powerful narrative that resonates throughout the collection William Dunseath Eaton an esteemed scholar and poet himself brings to this anthology a wealth of knowledge about both the literary and historical dimensions of the First World War His academic background and personal connections to the themes of loyalty sacrifice and suffering lend a unique authenticity to the anthology Eaton s passion for preserving these voices is evident in his thoughtful organization and commentary which invite readers to engage with the emotional depth of each poem This carefully crafted anthology is highly recommended for readers interested in understanding the cultural impact of World War I through poetry

Eaton's insightful curation not only pays tribute to the poets of this era but also encourages reflection on the enduring effects of warfare on human experience. *Great Poems of the World War* is an essential addition to both literary and historical studies, appealing to scholars and poetry enthusiasts alike. *A Treasury of War Poetry* G. H. Clarke, 2014-05-21. The present Anthology contains a number of representative poems produced by English speaking men and women. The editorial policy has been humanly hospitable rather than academically critical, especially in the case of some of the verses written by soldiers at the Front which, however slight in certain instances, their technical merit may be, are yet psychologically interesting as sincere transcripts of personal experience and will, it is thought for that very reason, peculiarly attract and interest the reader. It goes without saying that there are several poems in this group which conspicuously succeed also as works of art. For the rest, the attempt has been made within such limitations as have been experienced to present pretty freely the best of what has been found available in contemporary British and American war verse. This book is part of the World War One Centenary series, creating, collating and reprinting new and old works of poetry, fiction, autobiography and analysis. The series forms a commemorative tribute to mark the passing of one of the world's bloodiest wars, offering new perspectives on this tragic yet fascinating period of human history. Each publication also includes brand new introductory essays and a timeline to help the reader place the work in its historical context. *Siegfried Sassoon* Patrick Campbell, 1999. Through Siegfried Sassoon would argue the point throughout his life, most critics regard his war poetry written during World War I as the best of his writings. Like many of his artistic contemporaries, Sassoon embraced the Great War for Civilization with great fervor, and it was this passion that he brought to his earliest writings about the war. Absolution, his first war poem published in 1915, summed up his feelings: fighting for our freedom, we are free. Fighting on the frontlines, Sassoon soon came to the conviction that his war for civilization was anything but civilized. And thus his writings took on a new tone, courageously denouncing a conflict that was no longer about defense and liberation but was for aggression and conquest. Through primary documents and extensive research, the current work provides critical analyses of Sassoon's war poetry. Detailed examinations of each of the so-called trench poems show how the poet and his poetry were transformed through his wartime experiences and give the rationale for the critical consensus that the Sassoon canon is among the most significant in the literature of modern warfare. **Poems** Wilfred Owen, 2015-06-10. *Poems* Wilfred OWEN 1893-1918. A collection of poems by the English war poet and soldier of the First World War. Wilfred Owen is regarded by historians as the leading poet of the First World War, known for his war poetry on the horrors of trench and gas warfare. It stood in stark contrast to both the public perception of war at the time and to the confidently patriotic verse written earlier by war poets such as Rupert Brooke. Only five of Owen's poems had been published before his death, one of which was in fragmentary form. Only one week before the end of the war, whilst attempting to traverse a canal, he was shot in the head and killed.
