Go and Do John Perkins, Shane Blackshear, 2022-01-14 Shane had the privilege of meeting his long time hero civil rights leader and minister John Perkins Little did he know that we would form a friendship and John would become a mentor Over a series of years they had numerous conversations as Shane wanted to know from John what leading a life faithful to Jesus Christ actually looks like What followed was a series of vulnerable and heartfelt conversations between John and Shane and their reflections on those conversations John s words and advice are distilled into nine axioms for peacemaking and transformation      **They're Rugby Boys, Don't You Know?** Natalie Vellacott, 2014-10-22 A true story detailing how a

Christian Police Sergeant from England boarded the Logos Hope Missionary Ship in 2011 and was forever changed when in the Philippines she unexpectedly encountered and fell in love with a group of street teenage boys addicted to a solvent called rugby. The book details the highlights and lowlights ups and downs trials and tribulations successes and failures of the Logos Hope crew as they defied local attitudes to slowly and carefully befriend this sidelined and often detested minority. You will read of hospital visitations breaches of trust criminal activity gang fights and numerous disappointments but ultimately you will read of the changes in the lives of just a few of the boys who decided to leave the street and the solvents for better future lives. It goes without saying that these small changes made the heartache and struggles worthwhile. A true story of Christian hope being brought to the hopeless in the Philippines. As I approached the bridge leading back to the Logos Hope ship I saw a lone figure standing in the shadows watching the people walking past. He was unsteady on his feet and rocking backwards and forwards holding a plastic bag in his hand. As I moved nearer I saw it was Mark. He ran away when he saw me and tried to hide but didn't get very far and so he sat on the ground behind a large pillar in the shadows breathing heavily. I sat beside him on the ground which was dirty and really stank and when I put my arm around his shoulders I smelt the intoxicatingly strong smell of the solvent. The boys had recently stopped taking rugby and had moved on to a door sealant called Vuca Seal which was stronger. It was all over him and he reeked of it. I covered my nose. I remember this was the only time where the thought ran through my mind that I could see how addiction to this smell was created because it was really intoxicating. I knew I needed to be careful not to breathe much of it in but Mark was really very high. He was vacant and staring ahead and then he began crying again as I tried to talk to him. I asked him why he was doing this to himself and what was it that had made him so unhappy but he didn't answer. Mark got up and stumbled away as I watched him go. I followed and tried to talk to him again sharing a bit of my life before I became a Christian and how miserable I had been. His hopelessness reminded me of my old life when I was immersed in drink gambling and meaningless relationships. I knew Mark was listening as I shared the hope that I had found in Jesus with him but he didn't respond. Eventually I had to leave him alone and staring vacantly ahead of himself hanging over a railing I was really worried that he wouldn't make it through the night if he took any more solvents.

The Story of Grenfell of the Labrador by Dillon Wallace chronicles the heroic journey of Sir Wilfred Grenfell a British physician and missionary whose dedication to isolated Labrador communities left an indelible mark on Canadian history. Through tales of perilous dog sled journeys and improvised medical care in extreme conditions the book captures an era where medicine met polar adventure. Grenfell founder of medical and educational missions emerges as a pivotal figure in Christian humanitarianism combating poverty and epidemics in the Far North. Wallace himself an explorer and writer blends firsthand accounts with historical

analysis to highlight the impact of Grenfells floating hospitals and schools The narrative also addresses the logistical challenges of Arctic expeditions and collaborations with Indigenous communities offering a window into early 20th century socio cultural dynamics Ideal for fans of adventurer biographies and medical history this work stands alongside classic polar exploration tales while shedding light on a lesser known chapter of international humanitarianism      **We Have This Treasure** David Perry,2021-07-31 Christians live in a damaged world and are themselves flawed jars of clay people They wait for the day when God will renew all things clay included That day is not yet But in the face of this daunting Not Yet Christians posses a potent Already the knowledge of God s glory revealed in Jesus That is our treasure In these forty meditations David Perry engages with Scripture science film literature and personal stories to help us unpack this treasure and live in its riches The wearied and worried will find encouragement in these pages Andrew Micklefield Manitoba MLA Rossmere      **Inside Out** David Henderson,2016-11-02 This book is written for my sons and is a patchwork of my thoughts prayers journal entries and emails These emails etc were written to family friends and the youth group students I have had the privilege of getting to know and love for the past 25 years Some of the questions I get are about creation evolution the deity of Christ the end times as well as personal issues such as sexual purity and how to live a holy life Part of the book is also about the journey God has brought me through in my personal life My hope is that however God uses this book that it pleases and glorifies Him      **Christian Advocate and Journal and Zion's Herald** ,1912-07      *The Canadian Baptist* ,1903      **The Watchman-examiner** ,1929
