First Christian Universal Truth In The Teachings Of Jesus

John D. Koch, Todd H. W. Brewer

First Christian Universal Truth In The Teachings Of Jesus:

The First Christian Paul F. M. Zahl, 2003 In this book Paul Zahl seeks a broader understanding of the life and teachings of Jesus What was it within his message that burst his first century Jewish context What was creative fresh and universal about his message What did Jesus maintain within his own setting and period that is still true and applicable today In pursuing these questions Zahl swims against the current of modern scholarship arguing that Jesus was more Christian than Jewish Jesus teaching concerning the kingdom of God is replete with Christian perspectives on human nature and salvation and his insights into original sin and grace are closer to core Christianity than much recent literature acknowledges Drawing from both Jewish and Christian thinkers Zahl shows Jesus to be a saving figure a christological figure even a radically Protestant figure Zahl also brings his fresh perspective into present day focus by showing how Jesus dynamic teachings still have worldwide impact Zahl writes both as a highly trained theologian and as a pastor who recognizes that scholarship stands in the service of discipleship In *The First Christian* he renders the contemporary quest for the historical Jesus not only accessible but also relevant to the life of faith Students of the Bible and general readers alike will be enriched by his compelling portrait of a Christian universal Jesus

The Internal Foe Jeremy F. Worthen, 2008-12-18 The relationship between Christianity and other religions is a vital issue in the world today This book provides a fresh perspective by exploring how Christian theology has been shaped over two millennia by interaction with its original religious other continuing Judaism It begins by describing the origins of the classic framework in Christianity that correlates claims about the gospel with judgments about Judaism as resistance to the new thing God has done in Jesus Christ This framework binds Christianity to the task of interpreting Jewish presence which then renders engaging with Judaism as well as rehearsing judgments about it integral to Christian theology s development The central chapters of the book demonstrate this in relation to three pivotal periods of Western history 1050 1300 CE early modernity and the first half of the twentieth century They reveal the classic framework to have been remarkably resilient despite sometimes radical adaptation before in and after modernity The insights of Franz Rosenzweig about Judaism as Christianity s internal foe resonate deeply with the book s historical analysis Does this mean that non relativistic Christian theology must remain intrinsically anti Jewish The book concludes that it need not if it can renounce its historic stance of hermeneutical comprehension

Apocalypticism, Anti-Semitism and the Historical Jesus John S. Kloppenborg, John Marshall, 2004-12-01 Virtually all scholars agree that apocalyptic and millenarianism formed at least part of the matrix of the culture in first century Jewish Palestine but there is a sharp disagreement concerning the extent to which Jesus shared apocalyptic and millenarian beliefs Although there has been a great deal written defending or opposing an apocalyptic Jesus almost nothing has been said on the questions of what from the standpoint of modern historiography of Jesus is at stake in the issue of whether or not he was an apocalypticist or a millenarian prophet and what is at stake in arguing that his alleged apocalypticism is a central and defining characteristic

rather than an incidental feature Much has been said on the kind of Jew Jesus was but almost nothing is said on why the category of Judaism has become so central to historical Jesus debates These questions have less to do with the quantity and character of the available ancient evidence than they do with the ways in which the modern critic assembles evidence into a coherent picture and the ideological and theological subtexts of historical Jesus scholarship Scholars of Christian origins have been rather slow to inquire into the ideological location of their own work as scholars but it is this question that is crucial in achieving a critical self awareness of the larger entailments of historical scholarship on Jesus and the early Jesus movement This volume begins the inquiry into the ideological location of modern historical Jesus scholarship JSHJ JSNTS275

The Living Church ,1962 **Comfortable Words** John D. Koch,Todd H. W. Brewer,2013-11-06 What is grace And more important what difference do the comfortable words of grace make in the lives of everyday people These are the questions to which Paul F M Zahl has devoted his life and this book is a collection of essays written in honor of him that seeks to answer these great questions From literary theory to exegesis to systematic theology these essays are representative of the breadth and depth of the influence Dr Zahl has had on a variety of scholars and reflect his emphasis on the relationship between theology as an academic discipline and the pastoral impact of one way love on everyday people Contributors C FitzSimons Allison Todd Brewer George Carey James D G Dunn Susan G Eastman Mark Mattes Geiko Muller Farenholz Justin S Holcomb John D Koch Jr Lauren Larkin Jonathan A Linebaugh Jurgen Moltmann Heinz Dieter Neef J Ashley Null Raymond C Ortlund Jr Dylan D Potter Justyn Terry Tullian Tchividjian Jonathan K M Wong Paul F M Zahl and Simeon Zahl **Beauty, Order, and Mystery** Gerald L. Hiestand,Todd Wilson,2017-10-24 Based on the 2016 conference of the Center for Pastor Theologians this volume brings together the reflections of church leaders and academic theologians on the theme of human sexuality Contributors engage with Scripture draw on examples from church history and delve into current issues in contemporary culture including embodiment marriage homosexuality pornography transgenderism and gender dysphoria

The Word as word Michael Straus,2024-09-12 This book provides an original translation methodology applicable to the New Testament one that remains rooted in the literal Greek considers its paleographic and philological characteristics as well as its socio historical context understands the text as part of a canonical whole reflects its reception history in church doctrine and liturgy accounts for classical formulations of its translation tradition yet speaks with contemporary literary style In developing a new methodology the book appropriates ancient and modern insights into the relationship of thought and language not previously considered in the context of translation Further the book is premised on the understanding that Scripture is the divinely communicated Word of God made incarnationally present in the words of the Bible As the viva vox evangelii biblical texts thus have ongoing effects in the continuum of church history and tradition The book argues that contemporary translators of the Bible should therefore be aware of their own situatedness in and shaping by this continuity of linguistic and cultural transmission As such the book provides a pathway to translating the Scriptures in such a way as to

capture recapitulate and incorporate the living sweep of the timeless Word in words that cross time **Signs of Continuity**

Greg Rhodea,2019-12-11 For more than a century scholars have debated whether Paul the apostle was a faithful follower of Jesus or a corruptor of Jesus s message and the true founder of Christianity Signs of Continuity intervenes in this debate by exploring a largely overlooked element of similarity between the two men the place of miracles in their ministries In his close analysis of the miracles performed by Jesus and Paul Greg Rhodea points to signs of continuity between these two historical figures of Christianity He argues that both Jesus and Paul understood their miracles as accompanying and actualizing a message of gracious inclusion of the marginalized resisted proving their ability to work miracles to those who asked for a sign despite the importance of miracle working to their personal authentication and interpreted miracles as proof of the presence of the eschatological kingdom Based on these similarities Rhodea concludes that Paul the apostle knew of Jesus s miracles and that he imitated Jesus in his own ministry of miracle working In highlighting this previously unexplored area of continuity Rhodea makes a significant contribution to the debate over the relationship between Jesus and Paul Biblical scholars and students interested in this debate will find Signs of Continuity enlightening and informative **So What Makes Our Teaching Christian?**

Robert W. Pazmiño,2008-09-22 This work explores a perennial question that Christians who are called to teach must consider So what makes our teaching Christian It considers the essential and distinctive elements of Christian teaching by examining the apostles teaching ministry in the Book of Acts and aspects of Jesus s own teaching in the Gospel of John It proposes how teaching in the name spirit and power of Jesus relates to the teaching ministries of Christians today For example an in depth look at Jesus s teaching of both Nicodemus and the Samaritan woman known in Christian tradition as Photini provides insights for transformative teaching of both insiders and outsiders in a Christian community This work is a theological pastoral and educational exploration of Christian teaching that has implications for both laity and clergy in their ministries **First Things** ,2006 **Public Library Core Collection**

The Making of American Liberal Theology Gary J. Dorrien,2006-01-01 In this first of three volumes Dorrien identifies the indigenous roots of American liberal theology and demonstrates a wider longer running tradition than has been thought The tradition took shape in the nineteenth century motivated by a desire to map a modernist third way between orthodoxy and rationalistic deism atheism It is defined by its openness to modern intellectual inquiry its commitment to the authority of individual reason and experience its conception of Christianity as an ethical way of life and its commitment to make Christianity credible and socially relevant to modern people Dorrien takes a narrative approach and provides a biographical reading of important religious thinkers of the time including William E Channing Ralph Waldo Emerson Horace Bushnell Henry Ward Beecher Elizabeth Cady Stanton and Charles Briggs Dorrien notes that although liberal theology moved into elite academic institutions its conceptual foundations were laid in the pulpit rather than the classroom

Christian Apologetics Douglas Groothuis,2022-02-08 The Christian faith offers people hope But how can we know that Christianity is true How can Christians confidently present their beliefs in the face of doubts and competing views In this second edition of a landmark apologetics text Douglas Groothuis makes a clear and rigorous case for Christian theism addressing the most common questions and objections raised regarding Christianity

Athens and Jerusalem Jack A. Bonsor,2003-10-30

Second Tolstoy Steve Hickey,2021-11-12 Very few if any have devoted more years to practicing and teaching others to practice the precepts of Jesus s Sermon on the Mount than Leo Tolstoy He stands apart in the history of interpretation and has had enormous influence on others and other countries Yet Gandhi or others often get the glory Tolstoy is remembered as a great writer but his religious and philosophical works are by and large unknown or disparaged even in scholarly Tolstoyan circles His contribution is substantially under appreciated and

misunderstood In Second Tolstoy The Sermon on the Mount as Theo tactics Steve Hickey captures the particulars and dynamics of Tolstoy s interpretation of the Sermon on the Mount from a deliberately sympathetic vantage point Underlying this project is shared belief with Tolstoy that the Sermon on the Mount is liveable and to be lived While from the vantage point of traditional orthodoxy Tolstoy got much wrong there remains a lack of appreciation for what he got right radical obedience to the teachings of Jesus A new vocabulary is proposed to more precisely capture Tolstoyan lived theology namely the political and social expressions of Tolstoyan Christianity with the hope that these theories and practices will gain a wider consideration understanding and following

Consider What the Angels Say George DeVangelos, 2016-08-31 Our world now and throughout history has had conflicting accounts of the nature of God and man s relationship to this cosmic deity These conflicts have wrecked havoc within the societies of humanity to dangerous levels Mankind has relied upon his sacred and canonized scriptures to provide doctrinal absolutes for his religions but these absolutes differ and therefore cannot possibly all be correct at least in specific contexts However there exist a very mysterious book circulating worldwide that does have specific detailed and consistent answers to all of our questions The origin of this book is steeped in mystery and no human author has claimed ownership to its teachings which cover 2097 pages of intensive reading and exhaustive information This book is known as the Urantia Book and has been placed in the public domain The Urantia Book takes us from the conceptual locations within our segregated religious heritage and correctively re calibrates our various belief systems which have been unavoidably limited and distorted by our world views throughout human history After its conceptual enhancements and adjustments the Urantia Book enlarges such informational details into an elevation of more exact universal levels of perception as an advancement of cosmic truth Consider What the Angels Say takes this expansive and intricately complicated book and presents a timesaving presentation of its teachings and gently correlates it with Christian doctrines and other religions as well as human philosophy and knowledge In this book the following questions will be answered What exactly is God and how does this phenomenon relate to infinite reality the time and space cosmos other spiritual beings and our world Exactly what is the Godhead Trinity and why is it a necessary foundation for the existence of universal reality What are angels and spiritual principalities What are their levels and types and how do they interface and interact between supernatural and human situations How does the historical Jesus Christ fit into the spiritual dimensions of reality How is he related to the one eternal God and how is Jesus an integral part of our soul salvation How was man physically created and what accounts for the variances in human biological races and how does this correlate with the theory of evolution What is the nature of the human soul and how is it translated into the eternal spiritual realities and how does it exist beyond death and what is its destiny How did mankind come to develop and organize his cultures and what part did supernatural spiritual beings play in the formulations of man s religious doctrines Why has there been so much tragedy hardship war disease and social discord throughout our history What is the nature of sin and why does evil even exist Something is not right what went

wrong In all of the versions of religious theologies and doctrines worldwide no one book explains the details of these universal mysteries as completely and systematically as the Urantia Book it is truly a gift from the angels Consider What the Angels Say is a concentrated effort forged from the heartfelt love and concern for humanity to introduce this majestic angelic book to all who are able to receive and benefit from its supernatural information **Tensions in Christian Ethics** Malcolm Brown,2011-01-01 The book draws on the author s teaching of ethics at undergraduate and postgraduate level for the Cambridge Theological Federation since 2000 Its purpose is to introduce the reader to questions in Christian ethics through a careful examination of the fundamental meta ethical questions posed by the state we re in whether understood as a new phase of modernity or as postmodernity Brown draws on sources and authors from a variety of Christian traditions and from Britain the U S A and Europe The book will be of use not only to university departments and denominational and ecumenical teaching institutions but also as a more general exposition of the current state of ethical thinking in the Christian churches
