Producing and Directing the Short Film and Video David K. Irving, Peter W. Rea, 2012-11-12 Producing and Directing the Short Film and Video is the definitive book on the subject for beginning filmmakers and students The book clearly illustrates all of the steps involved in preproduction production postproduction and distribution Its unique two fold approach looks at filmmaking from the perspectives of both producer and director and explains how their separate energies must combine to create a successful short film or video from script to final product This guide offers extensive examples from award winning

shorts and includes insightful quotes from the filmmakers themselves describing the problems they encountered and how they solved them The companion website contains useful forms and information on grants and financing sources distributors film and video festivals film schools internet sources for short works and professional associations **The Routledge**

Companion to American Film History Pamela Robertson Wojcik, Paula J. Massood, 2025-02-12 Presenting new and diverse scholarship this collection brings together original essays that explore American film history from a fresh perspective Comprising an introduction and 34 chapters written by leading scholars from around the globe and edited by Pamela Robertson Wojcik and Paula J Massood this collection offers discussions of the American film industry from previously unexplored vantage points Rather than follow a chronological format as with most film histories this Companion offers a multiplicity of approaches to historiography and is arranged according to often underdeveloped or overlooked areas in American film including topics such as alternate archives hidden labor histories of style racialized technologies cinema s material cultures spectators and fans transnational film production intermedial histories history in and about films and the historical afterlives of cinema An exciting collection for serious film studies students and scholars interested in new perspectives and fresh approaches to thinking about and doing American film history *Godfather* Gene D.

Phillips, 2014-04-23 This critical biography by the acclaimed film historian is certainly the definitive work on the director behind *The Godfather* and *Apocalypse Now* Publishers Weekly Gene Phillips blends biography studio history and film criticism to complete the most comprehensive work on Coppola ever written The force behind such popular and critically acclaimed films as *Rumble Fish* and the *Godfather* trilogy Coppola has imprinted his distinct style on each of his movies and on the landscape of American popular culture In *Godfather* Phillips argues that Coppola has repeatedly bucked the Hollywood factory system in an attempt to create distinct films that reflect his own artistic vision often to the detriment of his career and finances Phillips conducted interviews with the director and his colleagues and examined Coppola s production journals and screenplays Phillips also reviewed rare copies of Coppola s student films his early excursions into soft core pornography and his less celebrated productions such as *One from the Heart* and *Tucker The Man and His Dream* The result is the definitive assessment of one of Hollywood s most enduring and misunderstood mavericks **Film and Video Editing**

Roger Crittenden, 2003-12-16 First published in 1995 Routledge is an imprint of Taylor Francis an informa company *The Francis Ford Coppola Encyclopedia* James M. Welsh, Gene D. Phillips, Rodney F. Hill, 2010-08-27 Francis Ford Coppola s career has spanned five decades from low budget films he produced in the early 1960s to more personal films of recent years Because of the tremendous popular success of *The Godfather* and the tremendous critical success of its sequel Coppola is considered to be one of the best directors of all time The entries in this encyclopedia focus on all aspects of Coppola s work from his early days with producer Roger Corman to his films as the director of the 1970s This extensive reference contains material on all of the films Coppola has played a role in from screenwriter to producer to director including such classics as

Patton The Godfather The Conversation The Godfather Part II and Apocalypse Now Each entry is followed by a bibliography of published sources both in print and online making The Francis Ford Coppola Encyclopedia the most comprehensive reference on this director's body of work *British Film Editors* Roy Perkins, Martin Stollery, 2019-07-25 Most of the Directors I've worked with needed someone to talk to who is deep inside the heart of the movie Mick Audsley Film Editor Film editing is understood by the industry to be one of the most crucial contributions to film making World class British editors such as Antony Gibbs and Anne Coates have received recognition of their importance in Hollywood and experienced British Editors have important roles in a surprising number of major American movies This book attempts to explain this mot elusive of roles by allowing editors to describe in their own words what they do and to bring them into the critical and public spotlight It is the most comprehensive survey of its kind to date and is based upon interviews with many distinguished editors who have worked on films as diverse as Blade Runner and Carry on Up the Khyber Die Hard 2 and Blow Up American Beauty and Performance The British Film Editor also provides a detailed history of editing together with extensive filmographies
