Katharine Rogers

First Friends A History Of Dogs And Humans:

First Friend Katharine Rogers, 2010-04 Dogs have shared our homes for as long as we can remember and in return have guarded us helped us hunt and herded our livestock They have generally been our friends as well that is what most of them are today Canine friends give us uncritical affection free of the ambivalence that plagues human relationships Dogs figure prominently in literature starting with Homer's Argus the hound who remembered Odysseus after twenty years Victorian novels are full of vivid canine characters Ms Rogers is impressively thorough best of all the author knows and respects dogs Steve Goode Washington Times

First Friend Katharine M. Rogers, 2005-08 From the beginning of human memory dogs have been living with virtually every human society on earth Of all the animals the dog has long maintained the closest relationship with man In *First Friend* Katharine M Rogers explores the history of that relationship from what is known about how it first came about and how it developed through the centuries From work mate to beloved pet from the ancient world to modern times *First Friend* is a charming compelling work exploring that closest of interspecies bonds [A Companion to Global Environmental History](#) J. R. McNeill, Erin Stewart Mauldin, 2025-02-06 A COMPANION TO GLOBAL ENVIRONMENTAL HISTORY Equips both specialists and newcomers with the historical intellectual and political context for engagement with the environment Providing multiple points of entry into a dynamic fast growing field A Companion to Global Environmental History explores the many contours of the relationship between human societies and the natural world on which they depend Bringing together essays by an international roster of both established experts and emerging scholars this volume covers a uniquely broad range of temporal geographic thematic and contextual approaches to the practice of global environmental history Thirty three detailed chapters describe how the relationship between society and nature has changed over time examine the various drivers of change and environmental transformations survey different types of environmental thought and action around the world and more Now in its second edition the Companion is fully revised to reflect major research developments and new trajectories within the field Updated chapters that present new evidence for longstanding debates and innovative applications of environmental history are accompanied by six entirely new chapters on India China Africa early modern cities global environmental governance and European environmentalism Offering fresh insights into environmental thought culture policy and politics A Companion to Global Environmental History Second Edition is an ideal textbook for undergraduate and graduate students and an invaluable reference for scholars researchers and environmental historians

[The Routledge History of the Domestic Sphere in Europe](#) Joachim Eibach, Margareth Lanzinger, 2020-12-29 This book addresses the multifaceted history of the domestic sphere in Europe from the Age of Reformation to the emergence of modern society By focusing on daily practice interaction and social relations it shows continuities and social change in European history from an interior perspective The Routledge History of the Domestic Sphere in Europe contains a variety of approaches from different regions that each pose a challenge to commonplace views such as the emergence of confessional

cultures of private life and of separate spheres of men and women By analyzing a plethora of manifold sources including diaries court records paintings and domestic advice literature this volume provides an overview of the domestic sphere as a location of work and consumption conflict and cooperation emotions and intimacy and devotion and education The book sheds light on changing relations between spouses parents and children masters and servants or apprentices and humans and animals or plants thereby exceeding the notion of the modern nuclear family This volume will be of great use to upper level graduates postgraduates and experienced scholars interested in the history of family household social space gender emotions material culture work and private life in early modern and nineteenth century Europe **To Love a Dog** Tom

Inglis,2020-09-03 A little gem of a book Brendan O Connor Tom Inglis and his Wheaten terrier Pepe have lived together for eighteen years countless days of walks and play and the odd bit of chaos Now though they are both getting old To Love a Dog tells the story of Tom s life with Pepe and looks at the ancient connection between humans and dogs It explores why we take on the hassle of caring for these pet animals who rely on us so completely who can create mess and upset in our lives and who will probably die before us leaving us behind to grieve This is a book for everyone who has ever loved a dog *The*

Invention of the Modern Dog Michael Worboys,Julie-Marie Strange,Neil Pemberton,2018-10-15 The story of the thoroughly Victorian origins of dog breeds For centuries different types of dogs were bred around the world for work sport or companionship But it was not until Victorian times that breeders started to produce discrete differentiated standardized breeds In *The Invention of the Modern Dog* Michael Worboys Julie Marie Strange and Neil Pemberton explore when where why and how Victorians invented the modern way of ordering and breeding dogs Though talk of breed was common before this period in the context of livestock the modern idea of a dog breed defined in terms of shape size coat and color arose during the Victorian period in response to a burgeoning competitive dog show culture The authors explain how breeders exhibitors and showmen borrowed ideas of inheritance and pure blood as well as breeding practices of livestock horse poultry and other fancy breeders and applied them to a species that was long thought about solely in terms of work and companionship The new dog breeds embodied and reflected key aspects of Victorian culture and they quickly spread across the world as some of Britain s top dogs were taken on stud tours or exported in a growing international trade Connecting the emergence and development of certain dog breeds to both scientific understandings of race and blood as well as Britain s posture in a global empire *The Invention of the Modern Dog* demonstrates that studying dog breeding cultures allows historians to better understand the complex social relationships of late nineteenth century Britain **Going to the Dogs**

Gwyneth Anne Thayer,2013-06-13 In the 1970s sitcom *The Odd Couple* Felix and Oscar argue over a racing greyhound that Oscar won in a bet Animal lover Felix wants to keep the dog as a pet gambling enthusiast Oscar wants to race it This dilemma fairly reflects America s attitude toward greyhound racing This book the first cultural history of greyhound racing in America charts the sport s meteoric rise and equally meteoric decline against the backdrop of changes in American culture

during the last century Gwyneth Anne Thayer takes us from its origins in coursing in England through its postwar heyday and up to its current state of near extinction Her entertaining account offers fresh insight into the development of American sport and leisure the rise of animal advocacy and the unique place that dogs hold in American life Thayer describes greyhound racing s dynamic growth in the 1920s in places like Saint Louis Chicago and New Orleans then explores its phenomenal popularity in Florida where promoters exploited its remote association with the upper class and helped foster a celebrity culture around it By the end of the century media reports of alleged animal cruelty had surfaced as well as competition from other gaming pursuits such as state lotteries and Indian casinos Greyhound racing became so suspect that even Homer Simpson derided it In exploring the socioeconomic political and ideological factors that fueled the rise and fall of dog racing in America Thayer has consulted participants and critics alike in order to present both sides of a contentious debate She examines not only the impact of animal protectionists but also suspected underworld ties longstanding tensions between dogmen and track owners over racing contracts and the evolving relationship between consumerism and dogs She captures the sport s glory days in dozens of photographs that recall its coursing past or show celebrities like Frank Sinatra and Babe Ruth with winning racing hounds Thayer also records the growth of the adoption movement that rescues ex racers from possible euthanasia Today there are fewer than half as many greyhound tracks in half as many states as there were 10 years ago and half of them are in Florida Thayer s in depth meticulously balanced account is an intriguing look at this singular activity and will teach readers as much about American cultural behavior as about racing greyhounds

[The Annotated Mansfield Park](#) Jane Austen,2017-04-18 From the editor of the popular Annotated Pride and Prejudice comes an annotated edition of Jane Austen s Mansfield Park that makes her story of an impoverished girl living with her wealthy relatives an even more satisfying read Here is the complete text of Austen s own favorite novel with more than 2 300 annotations on facing pages including Explanations of historical context Citations from Austen s life letters and other writings Definitions and clarifications Literary comments and analysis Maps of places in the novel An introduction bibliography and detailed chronology of events More than 225 informative illustrations Filled with fascinating details about the characters clothes houses and carriages as well as background information on such relevant issues as career paths in the British navy contemporary attitudes toward slavery and the legal and social consequences of adultery David M Shapard s Annotated Mansfield Park brings Austen s world into richer focus

Voice and Context in Eighteenth-Century Verse Allan Ingram,Joanna Fowler,2016-04-29 This collection of essays reassesses the importance of verse as a medium in the long eighteenth century and as an invitation for readers to explore many of the less familiar figures dealt with alongside the received names of the standard criticism of the period

The New Encyclopedia of Unbelief Tom Flynn,2007-04-30 Successor to the highly acclaimed Encyclopedia of Unbelief 1985 edited by the late Gordon Stein the New Encyclopedia of Unbelief is a comprehensive reference work on the history beliefs and thinking of America s fastest growing minority those

who live without religion All new articles by the field s foremost scholars describe and explain every aspect of atheism agnosticism secular humanism secularism and religious skepticism Topics include morality without religion unbelief in the historicity of Jesus critiques of intelligent design theory unbelief and sexual values and summaries of the state of unbelief around the world In addition to covering developments since the publication of the original edition the New Encyclopedia of Unbelief includes a larger number of biographical entries and much expanded coverage of the linkages between unbelief and social reform movements of the 19th and 20th centuries including the labor movement woman suffrage anarchism sex radicalism and second wave feminism More than 130 respected scholars and activists worldwide served on the editorial board and over 100 authoritative contributors have written in excess of 500 entries The distinguished advisors and contributors philosophers scientists scholars and Nobel Prize laureates include Joe Barnhart David Berman Sir Hermann Bondi Vern L Bullough Daniel Dennett Taner Edis the late Paul Edwards Antony Flew Annie Laurie Gaylor Peter Hare Van Harvey R Joseph Hoffmann Susan Jacoby Paul Kurtz Gerd L demann Michael Martin Kai Nielsen Robert M Price Peter Singer Victor Stenger Ibn Warraq George A Wells David Tribe Sherwin Wine and many others With a foreword by evolutionary biologist and best selling author Richard Dawkins this unparalleled reference work provides comprehensive knowledge about unbelief in its many varieties and manifestations

Success Depends on the Animals Diana L. Ahmad,2016-02-16 Between 1840 and 1869 thousands of people crossed the American continent looking for a new life in the West Success Depends on the Animals explores the relationships and encounters that these emigrants had with animals both wild and domestic as they traveled the Overland Trail In the longest migration of people in history the overlanders were accompanied by thousands of work animals such as horses oxen mules and cattle These travelers also brought dogs and other companion animals and along the way confronted unknown wild animals Ahmad s study is the first to explore how these emigrants became dependent upon the animals that traveled with them and how for some this dependence influenced a new way of thinking about the human animal bond The pioneers learned how to work with the animals and take care of them while on the move Many had never ridden a horse before let alone hitched oxen to a wagon Due to the close working relationship that the emigrants were forced to have with these animals many befriended the domestic beasts of burden even attributing human characteristics to them Drawing on primary sources such as journals diaries and newspaper accounts Ahmad explores how these new experiences influenced fresh ideas about the role of animals in pioneer life Scholars and students of western history and animal studies will find this a fascinating and distinctive analysis of an understudied topic

Animals in the Military John M. Kistler,2011-06-16 This book pays tribute to the unrecognized warriors and unsung heroes of human warfare millions of animals from a surprising variety of species ranging from rodents to dolphins to llamas When one thinks of war armies of soldiers and assaults with bullets and bombs delivered by deadly machinery typically come to mind Throughout human history however animals have also played significant roles in our armed conflicts In Animals in the

Military From Hannibal's Elephants to the Dolphins of the U S Navy author John M Kistler examines these contributions describing the work of animals in human warfare throughout time from lowly insects to birds to elephants Drawing on both ancient and modern sources the book reveals the full scope of heroics and horror committed by and against animal warriors in three unique areas animals in combat animals in support and animals in incidental and experimental roles Each chapter describes a single species chronologically recounting its fascinating place in human warfare over time from insects used as stinging projectiles to message delivering pigeons

Dog Behavior James C. Ha, Tracy L. Campion, 2018-11-29 Dog Behavior Modern Science and Our Canine Companions provides readers with a better understanding of canine science including evolutionary concepts ethograms brain structures and development sensory perspectives the science of emotions social structure and the natural history of the species The book also analyzes relationships between humans and dogs and how the latter has evolved Readers will find this to be an ideal resource for researchers and students in animal behavior specifically focusing on dog behavior and human canine relationships In addition veterinarians seeking further information on dog behavior and the social temperament of these companion animals will find this book to be informative Provides an accessible engaging introduction to animal behavior specifically related to human canine relationships Clarifies misunderstandings mysteries and misconceptions about canines with historical evidence and scientific studies Offers insights and techniques to improve human canine relationships

TEACH YOUR HERDING BREED TO BE A GREAT COMPANION DOG - FROM OBSESSIVE TO OUTSTANDING Dawn Antoniak-Mitchell, 2015-06-15 Help Her herding the neighborhood kids Herding breed dogs such as Border Collies Corgis and Australian Shepherds have incredibly strong instinctive behaviors to do the work they were bred for controlling various kinds of livestock These behaviors manifest themselves in modern herding breed dogs kept as companions or family pets in a number of ways These include chasing cars and bicyclists herding kids nipping at vulnerable heels barking incessantly and acting as the fun police in dog parks All behaviors that are entirely appropriate and necessary when dealing with sheep or cattle not so great in a suburban neighborhood Fortunately these instincts can be redirected in a number of ways that keep these energetic dogs busy and happy as well as out of trouble That is why so many of these dogs can be taught to excel in agility and obedience trials love to retrieve and make great running companions In her latest book author Dawn Antoniak Mitchell offers solutions to solving and preventing problem behaviors associated with herding breeds living in the modern world And no even though your Border Collie or Corgi might love it you don't need to buy a farm As the owner of two obsessive but outstanding herding dogs I found myself nodding along in agreement with this book from start to finish Dawn offers tips to allow a handler to work with rather than against a dog's herding instincts and her easy to read writing style and the depth of information she shares makes this book a must read for anyone who works or lives with herding dogs Nicole Larocco Skeeihan CPDT KA and member of the Board of Directors CCPDT A super resource that explains how instinctive behaviors impact dogs in their every day activities I especially like the training tips very clear

and helpful explanations to manage problems often brought out by a variety of herding instincts Lynn Leach owner of Downriver Stock Dog Training and creator of the popular All Breed Herding DVD series A wonderful mix of training information management suggestions psychology and commonsense advice for herding dog owners Easy to read and filled with gems of information for all dog owners like eliminating annoying barking I highly recommend this book for trainers and owners of any breed of dog Gail Tamases Fisher CDBC and author of The Thinking Dog If you have chosen to bring a herding breed in to your life and home this is the book for you Dawn takes the reader through the history of herding breeds in order to help you understand the why behind some of the obsessive compulsive behaviors your herding breed may be exhibiting Better yet Dawn then offers up specific exercises and training techniques to help herding breed owners become as valuable as livestock in the eyes of their herding dog You owe it to your herding breed to read this book Gerianne Darnell author of Canine Crosstraining Achieving Excellence in Multiple Dog Sports Dawn Antoniak Mitchell is the author of Terrier Centric Training and From Birdbrained to Brilliant She is the owner of BonaFide Dog Academy in Omaha Nebraska

Breed Differences in Dog Behavior Renee Robinette Ha, Tracy L. Brad, James C. Ha, 2024-04-10 Humans have bred dogs for physical and behavioral characteristics for millennia These efforts can have unintended side effects however which may be either advantageous or cause issues such as a predisposition to certain medical complaints or controversially behavioural issues The scientific study of domestic dogs is still in its infancy but public demand for this information is at a record high as more and more pet owners seek to understand their canine family members Focusing on the behavioral differences and tendencies that have arisen in different breed lines this book explores summarizes and explains the scientific evidence on what breed can tell us about behaviour and crucially what it cannot Providing a comprehensive and approachable view of the science behind breed specific behaviors this book gives dog enthusiasts from all professional and personal backgrounds a better understanding of why dogs do what they do and how we can improve our relationships with our canine companions Covering genetics phylogeny of canids temperament aggression social behavior and the history of dog breeding it is an important read for researchers students veterinary practitioners and animal behaviourists as well as shelter staff dog trainers or anyone looking for a greater understanding of dog breed differences

The Scottish Farm Servant, 1921 *Human History* Grafton Elliot Smith, 1929

British Dogs at Work A. Croxton Smith, 2017-09-29 First published in 1906 this is a helpful and informative guide for anybody with an interest in dogs dog handling and working dogs Full of information on kennel construction buying rearing and feeding terriers and shooting dogs ready for training on field and farm This text has been republished here for its historical and cultural significance Including a new introduction on the topic of gundogs pointers and setters and the best dog for flushing

The Third History of Man John Bershof, MD, 2024-05-16 In the spirit of medieval writer Chaucer all human activity lies within the artist's scope the History of Man Series uses medicine as a jumping off point to explore precisely that all history all science all human activity since the beginning of time The jumping off style of writing

takes the reader the listener into worlds unknown always returning to base only to jump off again History of Man are stories and tales of nearly everything The Third History of Man leaves bacteria in the rear view mirror and jumps to viruses and viral infections the cold the flu and COVID 19 not just another flu We ll cover epidemics pandemics and vaccines the pox infections and the Spock principle that the needs of the many outweigh the needs of the few or the one From COVID and the rise of Zoom we ll venture into the rise of Homo sapiens and the fall of Neanderthals the high sea adventures of Darwin aboard and the high sea adventures of dementia Our travels will take us along the Silk Road and Spice Trade another visit with the Age of Discovery when masted ships and European explorers went looking for that elusive sea route to the Far East and looking for gold annihilating huge swaths of indigenous Americans at every port of disembarkation not by the pointy end of a sword but by tiny infectious microbes We ll examine colonialism at its finest the sordid European history of imperialism and the land grab into Africa and the New World Americas

For the Love of Animals Kathryn Shevelow, 2025-08-22 The engaging story of how an unlikely group of extraordinary people laid the foundation for the legal protection of animals In eighteenth century England where cockfighting and bullbaiting drew large crowds and the abuse of animals was routine the idea of animal protection was dismissed as laughably radical But as pets became more common human attitudes toward animals evolved steadily An unconventional duchess defended their intellect in her writings A gentleman scientist believed that animals should be treated with compassion And with the concentrated efforts of an eccentric Scots barrister and a flamboyant Irishman the lives of beasts and correspondingly men and women began to change Kathryn Shevelow a respected eighteenth century scholar gives us the dramatic story of the bold reformers who braved attacks because they sympathized with the plight of creatures everywhere More than just a history this is an eye opening exploration into how our feelings toward animals reveal our ideas about ourselves God mercy and nature Accessible and lively For the Love of Animals is a captivating cultural narrative that takes us into the lives of animals and into the minds of humans during some of history s most fascinating times

First Friends A History Of Dogs And Humans Introduction

In the digital age, access to information has become easier than ever before. The ability to download First Friends A History Of Dogs And Humans has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download First Friends A History Of Dogs And Humans has opened up a world of possibilities. Downloading First Friends A History Of Dogs And Humans provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading First Friends A History Of Dogs And Humans has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download First Friends A History Of Dogs And Humans. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading First Friends A History Of Dogs And Humans. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading First Friends A History Of Dogs And Humans, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download First Friends A History Of Dogs And Humans has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About First Friends A History Of Dogs And Humans Books

1. Where can I buy First Friends A History Of Dogs And Humans books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
