fiction and horror an exciting page turner The Bulletin of the Center for Children's Books starred review Emma Lindsay has problems no parents a crazy guardian and all those times when she blinks away dropping into other lives so surreal it's as if the story of her life bleeds into theirs But one thing Emma has never doubted is that she's real Then she writes White Space which turns out to be a dead ringer for part of an unfinished novel by a long dead writer In the novel characters travel between different stories When Emma blinks she might be doing the same Before long she's dropped into the very story she thought she'd written Emma meets other kids like her They discover that they may be nothing more than characters written into being for a very specific purpose What they must uncover is why they've been brought to this place before someone pens their end One of the marks of a classic horror story is the slow and insidious shifting of the rules within the tale's universe Bick is a master of the genre balancing tension terror and tedium through repetition and fractured storytelling School Library Journal The Baton ,1922 The Word Rhythm Dictionary Timothy Polashek,2014-04-18 The Word Rhythm Dictionary A Resource for Writers Rappers Poets and Lyricists is a new kind of dictionary one that reflects the use of rhythm rhymes by rappers poets and songwriters of today This is an eminently practical reference work for all wordsmiths looking to add musicality to their writing Users of this dictionary can alphabetically look up words in the General Index to find collections of words that have the same rhythm as the original word and are readily useable in ways that are familiar to us in everything from vers libre poetry to the lyrics and music of Bob Dylan and hip hop groups Professional writers and students have long used traditional rhyming dictionaries for inspiration by perusing lists of rhyming words they may ask themselves I need a word that rhymes with blue and are led to shoe flu or you These rhyming words evoke through juxtaposition new images thoughts and actions that inspire creative directions and pleasing twists as verses and stanzas unfold For the first time ever this dictionary now allows writers and poets to ask the same question but of word rhythm I need a word with the same rhythm as butterfly Today's lyricists and poets know that there is so much more to the flow of their creations than just matching vowels The Word Rhythm Dictionary organizes words by additional properties phonetic similarity alliteration and literary consonance the number of syllables in words and syllable stress patterns Never has it been easier to locate words that feature similar sounds matching meters and rhythmic grooves from traditional rhymes like clashing and splashing to near rhymes like rollover and bulldozer unrefuted undisputed to pure metrical matches like biology and photography Additional appendixes allow readers to search according to poetic metrical feet and musical rhythm through a visual index of notated rhythms allowing musicians and lyricists to track down words that match preexisting motives and melodies This book could become the new fun addiction or addiction affliction constriction conviction conniption prescription subscription conscription for writers musicians lyricists rappers poets and wordsmiths alike Oh and it's a lot of fun just to browse
