First Light : New and Selected Poems ,1994 **After the Point of No Return** David Wagoner,2013-05-10 Wagoner's words are a living link to the world enacting it so vitally that they feel like natural facts The Seattle Times In his twenty fourth book of poetry David Wagoner reflects on youth love regret and expectation versus reality Here a master writes at top form back dropped by life's curious moments and imagining Jesus as an untidy roommate or considering our final destination in Beginner's Guide to Death After the Point of No Return After that moment when you've lost all reason for going back where you started when going ahead is no longer a Yes or No but a matter of fact you'll need to weigh on the one hand what will seem on the other almost nothing against something slightly more than nothing and must choose again and again at points of fewer and fewer chances to guess when and which way to turn That's when you might stop thinking about stars and storm clouds the direction of wind the difference between rain and snow the time of day or the lay of the land about which trees mean water which birds know what you need to know before it's too late or what's right here under your feet no longer able to tell you where it was you thought you had to go David Wagoner is the author of two dozen books of poetry and ten novels A longtime teacher at University of Washington he was the editor at Poetry Northwest He lives in Seattle Washington
